Dear Director:

This is to inform you that the Department of Housing and Urban Development (HUD) has released the Continuum of Care application for its competitive grants for housing and services for the homeless.

Any entity looking to apply for renewal funding of its programs must forward a **Letter of Intent** to the Homeless Service Providers Coalition (HSPC) by **5:00 p.m., August 8, 2019**.

The organization must actively participate in the application process and may schedule time with me at my office to obtain assistance to complete the application in e-snaps, if necessary. Project applications will be due in e-snaps **August 23, 2019**.

Also attached is a description of opportunities that are available in the federal competition and may be available in the Fall River competition (local approval pending; available to any 501(c)(3) organization operating in Fall River). The opportunity to consolidate existing CoC projects is available, provided that the projects are operated by the same agency and of the same component. Please include information regarding what programs your agency is considering for consolidation in your Letter of Intent.

General information regarding the Continuum of Care Program Competition may be found at <https://www.hudexchange.info/resources/documents/FY-2017-CoC-Program-Competition-NOFA.pdf>.

Please forward your Letter of Intent by scanning your original signed letter and attaching it to an e-mail to mdcamara@fallriverma.org by **5:00 p.m., Thursday, August 8, 2019**. If you have any questions, please contact me at 508-679-0131.

Sincerely,

Mary D. Camara
