

Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2022 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2022 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It
- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2022 CoC Program Competition on behalf of your CoC.

- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

Attachments

Questions requiring attachments to receive points state, "You Must Upload an Attachment to the 4B. Attachments Screen." Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process. Include a cover page with the attachment name.

- Attachments must match the questions they are associated with—if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.

- We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

1A. Continuum of Care (CoC) Identification

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

1B-2.	Open Invitation for New Members.	
	NOFO Section VII.B.1.a.(2)	

	Describe in the field below how your CoC:
1.	communicated a transparent invitation process annually (e.g., communicated to the public on the CoC's website) to solicit new members to join the CoC;
2.	ensured effective communication with individuals with disabilities, including the availability of accessible electronic formats;
3.	invited organizations serving culturally specific communities experiencing homelessness in the geographic area to address equity (e.g., Black, Latino, Indigenous, LGBTQ+, and persons with disabilities).

(limit 2,500 characters)

1.The CoC (Homeless Service Providers Coalition and Mayor’s Task Force to End Homelessness (CoC Board)) communicates a transparent invitation process through easy-to-understand information in English, Spanish and Portuguese posted on the CoC’s website, www.fallriverhomeless.com. The webpage prominently displays, “The Homeless Service Providers Coalition provides an open invitation to anyone living in, working in or otherwise having an interest in preventing and ending homelessness in the city of Fall River. The group meets virtually the fourth Thurs of the month from 9-10 a.m. Everyone has the opportunity to have a voice in the planning and development of policies, procedures, and programs within the CoC. To join the HSPC in its mission, please email mdcamara@fallriverma.org.” Invitees are solicited annually by email distribution to community listservs with hundreds of recipients. The invite explains HSPC’s mission, goals and advantages of being part of the solution to end homelessness. In March 2022, a committee of HSPC members effected a membership list clean-up and new member invite to fill gaps in culturally specific populations.

2.Members of the HSPC and its Board include representatives of disability service providers such as DMH, Steppingstone, Southeast Center for Independent Living, Eliot Community Human Services, Corrigan Mental Health Center, HealthFirst, Southcoast and Steward Health, Opioid Task Force, SSTAR, and veterans groups who assist in communication with the disabled. www.FallRiverHomeless.com provides two-way communication with providers and the public-at-large. FRCDA (CoC Lead) has TTY. Mass211 is a hotline to reach essential services. CE can be reached by phone/email/walk-in and provides resources/referrals to the homeless or at risk. Information is available to be e-mailed in PDF format. Remote meetings are in place.

3.People with lived experience and LGBTQ+ populations have CoC membership and input at meetings. Family shelters especially work with larger populations of persons of color, (Black and Latino), and Individual shelter programs tend to serve those with physical and mental disabilities. All shelter programs are members of the CoC, and their clients have open invitations to attend meetings and provide input. A transparent invitation is communicated to any organization or person with an interest in preventing and ending homelessness through www.fallriverhomeless.com in English, Spanish and Portuguese posted.

1B-3.	CoC’s Strategy to Solicit/Consider Opinions on Preventing and Ending Homelessness. NOFO Section VII.B.1.a.(3)	
	Describe in the field below how your CoC:	
1.	solicited and considered opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;	
2.	communicated information during public meetings or other forums your CoC uses to solicit public information; and	
3.	took into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness.	

(limit 2,500 characters)

1.The CoC solicits/considers opinions from 120 members of the Homeless Service Providers Coalition (HSPC) and the Mayor's Task Force to End Homelessness (MTF) (CoC Board). Monthly meetings provide forums where knowledge and resources from diverse members impact CoC planning to end homelessness. On the www.fallriverhomeless.com website: "The HSPC provides an open invitation to anyone living in, working in or otherwise having an interest in preventing and ending homelessness in Fall River... Everyone has the opportunity to have a voice in the planning and development of policies, procedures, and programs within the CoC." Spanish and Portuguese translations are available on the website. When considering suggestions, the group discusses the possibilities of achieving desired outcomes, including available paths and resources and likeliness of attainability given those means. If consideration is favorable, a committee is formed to pursue the proposal.

2.The CoC communicates information regarding activities, community resources, needs assessment and other info via:

- HSPC and MTF monthly meetings;
- Street outreach, shelter and peer-to-peer workers connect with the unsheltered;
- www.FallRiverHomeless.com provides two-way communication with providers and the public;
- Exit surveys for consumers and outcome forms for providers at Project Homeless Connect identify needs and gaps in services;
- The Regional Veterans Committee identifies homeless veterans using a By-Name Registry to address their needs case-by-case;
- Public Hearings held by FRCDA solicit public opinion regarding community needs including homelessness which is compiled by CDA and presented as the Annual Action Plan;
- Resources can be e-mailed in PDF form;
- Coordinated Entry is widely promoted, staff is available via phone/email/in-person.

3.HSPC members attend meetings and forums that address new/improved approaches to preventing/ending homelessness for CoC discussion. Forums include HUD Office Hours, NLIHC/NAEH webinars, Housing First series, Moving On planning, HOME-ARP development. Other resources include strengthening healthcare partnerships, leveraging health insurance for services, creative housing search and placement. When considering recommendations, the group discusses the possibilities of achieving desired outcomes, including the available paths and resources and likeliness of attainability given those means. If consideration is favorable, a committee is formed to pursue the proposal.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	
	NOFO Section VII.B.1.a.(4)	
	Describe in the field below how your CoC notified the public:	
1.	that your CoC will consider project applications from organizations that have not previously received CoC Program funding;	
2.	about how project applicants must submit their project applications—the process;	
3.	about how your CoC would determine which project applications it would submit to HUD for funding; and	
FY2022 CoC Application		Page 6 09/23/2022

4.	how your CoC effectively communicated with individuals with disabilities, including making information accessible in electronic formats.
----	--

(limit 2,500 characters)

1.The CoC publicly announces requests for proposals at community meetings, posting on the CoC website fallriverhomeless.com & e-mails to an array of community stakeholders and constituents regarding funding availability and info on local deadlines for Letters of Intent and applications. The notification states, "Any organization seeking new or renewal funding must actively participate in the application process and may schedule time with me at my office to obtain assistance to complete the application in e-snaps, if necessary. All Project applications will be due in e-snaps August 30, 2022. I've attached a description of opportunities that are available in the federal competition...(local approval pending; available to any 501(c)(3) organization operating in Fall River)." New agencies verbally inquired about the NOFO, but no new projects were submitted.

2.Agencies interested in CoC funding must submit a Letter of Intent. The request includes the deadline, expectations of applicants, and how to find more information and obtain assistance with the process. Applications must be submitted 30 days prior to the CoC Competition deadline. New projects are provided further guidance regarding the process. The specific HUD Guides are provided to all applicants. All applications are reviewed by the Collaborative Applicant.

3.Prior to meeting, the Review & Ranking Committee (impartial community members including consumers not employed by subrecipient agencies) is provided a binder with details of all projects (expenditures, subpop priorities and performance), a project rating tool with points for each measure, and all APRs and SysPMs. At the meeting, the CA explains the ranking and tiering process. Agencies present their projects to the Committee in detail. The Committee reviews, accepts/rejects, and ranks accepted projects based on all aforementioned and HUD and local priorities. The Comm submits the results in writing to the CA.

4.CoC Members include disability service providers such as DMH, Steppingstone, Southeast Center for Independent Living, Eliot Community Human Services, Corrigan Mental Health Center, HealthFirst, Opioid Task Force, SSTAR, several veterans groups, Southcoast and Steward Health who assist in communication with the disabled. www.FallRiverHomeless.com provides communication with providers and the public. FRCDA (CoC Lead) has TTY. Mass211 is a hotline for essential services. Information is emailable in PDF format. Remote meetings are in place.

1C. Coordination and Engagement

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

1C-2.	CoC Consultation with ESG Program Recipients.	
	NOFO Section VII.B.1.b.	

	Describe in the field below how your CoC:
1.	consulted with ESG Program recipients in planning and allocating ESG and ESG-CV funds;
2.	participated in evaluating and reporting performance of ESG Program recipients and subrecipients;
3.	provided Point-in-Time (PIT) count and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions within its geographic area; and
4.	provided information to Consolidated Plan Jurisdictions within your CoC's geographic area so it could be addressed in Consolidated Plan update.

(limit 2,500 characters)

1.The City of Fall River is the ESG/ESG-CV recipient. City admin staff met with CoC members to discuss the most pressing needs for ESG funding in the City and the potential allocation of funds to meet those needs. The discussion resulted in identifying the following priorities for ESG funds:

- Maximizing shelter operations;
- RRH was originally prioritized over HP, but the need shifted and with the concurrence of the CoC, ESG Recipient and ESG Subrecipients, funds were shifted from RRH to HP.

The CoC also consulted with the ESG/ESG-CV recipient to assess and allocate ESG-CV funds:

- PPE provisions, installment of fixtures and other sanitary measures have been put in place at shelters;
- A new seasonal shelter was stood up to handle the increase of homelessness in winter;

- HP activities outweighed RRH and funds were shifted accordingly;
- The CoC established and equipped a formal Street Outreach program.

Public Hearings are held twice annually and special Public Hearings were held for the ESG-CV funding. A CoC Committee developed ESG/ESG-CV Written Standards, including ESG fund allocation for eligible activities; setting performance standards for ESG-funded activities; and establishing policies and procedures for operation and administration.

2.ESG subrecipients enter data in HMIS on a timely basis, provide monthly statistics to CDA, provide updates for the annual ConPlan, and report in the HIC, PIT Count, System Performance Measures, ESG and AHAR/LSA annually, ESG-CV CAPERs quarterly, and the state's Rehousing Data Collective warehouse monthly. These reports are made available to the CoC and are used to appropriate funds accordingly.

3.Annually on the last Wednesday of January (February in 2022 with a waiver), the CoC Lead compiles bed/unit inventories from the Fall River emergency shelter programs for the HIC and the number of people using those beds for the PIT. The HIC is actual number of beds available. The PIT is derived from HMIS data collected on those using ES beds on that designated night. The CoC Lead is responsible to prepare the HIC and PIT Count reports and submit them to HUDHDX.info by the HUD deadline.

4.From the ESG and ESG-CV programs, the CoC Lead provides narratives, statistics, and CAPER reports (HMIS data reported in Sage) to CDA annually for the Consolidated Plan, Annual Action Plan, CAPER and the ESG-CV CAPER.

1C-3.	Ensuring Families are not Separated.	
	NOFO Section VII.B.1.c.	

Select yes or no in the chart below to indicate how your CoC ensures emergency shelter, transitional housing, and permanent housing (PSH and RRH) do not deny admission or separate family members regardless of each family member's self-reported sexual orientation and gender identity:

1.	Conducted mandatory training for all CoC- and ESG-funded service providers to ensure families are not separated.	No
2.	Conducted optional training for all CoC- and ESG-funded service providers to ensure families are not separated.	Yes
3.	Worked with ESG recipient(s) to adopt uniform anti-discrimination policies for all subrecipients.	Yes
4.	Worked with ESG recipient(s) to identify both CoC- and ESG-funded facilities within your CoC's geographic area that might be out of compliance and took steps to work directly with those facilities to bring them into compliance.	No
5.	Sought assistance from HUD by submitting AAQs or requesting technical assistance to resolve noncompliance of service providers.	Yes
6.	Other. (limit 150 characters)	
	Massachusetts is a "right to shelter" state for families with minor children; reunification is a priority	Yes

1C-4.	CoC Collaboration Related to Children and Youth—SEAs, LEAs, School Districts.	
	NOFO Section VII.B.1.d.	

Select yes or no in the chart below to indicate the entities your CoC collaborates with:

1.	Youth Education Provider	Yes
2.	State Education Agency (SEA)	No
3.	Local Education Agency (LEA)	Yes
4.	School Districts	Yes

1C-4a.	Formal Partnerships with Youth Education Providers, SEAs, LEAs, School Districts.	
	NOFO Section VII.B.1.d.	

Describe in the field below the formal partnerships your CoC has with at least one of the entities where you responded yes in question 1C-4.

(limit 2,500 characters)

The Fall River CoC and the Fall River Public School Department McKinney-Vento Homeless Liaison have a written Memorandum of Understanding. The MOU articulates the roles and responsibilities the CoC and the FRPS have in regards to children in homeless families and unaccompanied youth. The formal partnership ensures that the parties will strive to meet the purpose and goals of the MOU in regards to the needs of homeless children and families under the Education of Homeless Children and Youth Program. The McKinney-Vento Homeless Education Assistance Act works to ensure enrollment, attendance and the opportunity for homeless children/youth to succeed in school. Fall River takes advantage of state grants that are available to school districts with high numbers of homeless students for tutoring, academic support, mentoring, after school and summer programming for students, professional development, and engagement of homeless parents in their children's education. The FRPS Liaison's role is to ensure procedures and outreach activities are in place to identify homeless children and youths and that school staff members understand the homeless definition. The liaison informs homeless parents and unaccompanied youth of educational protections in the law by displaying posters in schools and other locations where homeless families and youth go. They help the children and youth enroll in school and receive services, including tutoring, school supplies, and free meals. The liaison informs parents/guardians or unaccompanied youth how to appeal enrollment decisions. The homeless liaison is on the CoC Board and provides data to the CoC on homeless/at-risk students. Each year the CoC participates in the statewide homeless youth count organized and administered by the Massachusetts Coalition for the Homeless.

1C-4b.	Informing Individuals and Families Experiencing Homelessness about Eligibility for Educational Services.	
	NOFO Section VII.B.1.d.	

Describe in the field below written policies and procedures your CoC adopted to inform individuals and families who become homeless of their eligibility for educational services.

(limit 2,500 characters)

Subtitle B of the McKinney-Vento Homeless Assistance Act ensures educational rights and protections for homeless students. In Massachusetts, all school districts must comply with the McKinney-Vento Act which requires the following: maintain students in school of origin; provide transportation to ensure access to school of origin; enroll homeless students immediately, even if required documentation is missing; require school districts to review and revise all local policies that may act as a barrier to retention and enrollment of homeless students; require a local homeless education liaison in all districts. Liaisons at the school department level ensure homeless students "enroll in, and have a full and fair opportunity to succeed in, the schools in their district." Homeless students are enrolled in school immediately to provide educational stability and avoid separation from school for any time while documents are located. Service providers contact Liaisons if they have children whose educational needs are not being met. Liaisons ensure that homeless parents and unaccompanied youth are informed of educational protections in the law by displaying posters in schools and other locations where homeless families and youth go. The FRPS homeless liaison is on the CoC Board/Mayor's Task Force to End Homelessness and provides data on homeless/at-risk students. The Fall River Public Schools' Homeless Education Assistance Program defined by the McKinney Vento Assistance Act ensures that each homeless child or youth has equal access to the same free, appropriate public education including public preschool. The CoC Board has adopted the policies and procedures of the FRPS HEAP services which provides the following services to eligible persons:

- Transportation to and from school, social service providers, medical and dental appointments, housing offices and other appropriate agencies;
- Mental health services including counseling and evaluation;
- Assistance in obtaining health insurance;
- Providing basic school and personal hygiene supplies;
- Tutoring after school;
- professional development for school staff, human service agencies and the community;
- Educational opportunities for parents.

1C-4c.	Written/Formal Agreements or Partnerships with Early Childhood Services Providers.	
	NOFO Section VII.B.1.d.	

Select yes or no in the chart below to indicate whether your CoC has written formal agreements or partnerships with the listed providers of early childhood services:

		MOU/MOA	Other Formal Agreement
1.	Birth to 3 years	No	No
2.	Child Care and Development Fund	No	No
3.	Early Childhood Providers	No	No
4.	Early Head Start	Yes	No
5.	Federal Home Visiting Program--(including Maternal, Infant and Early Childhood Home and Visiting or MIECHV)	No	Yes
6.	Head Start	Yes	No

1C-5.	Addressing Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors—Collaborating with Victim Service Providers.	
	NOFO Section VII.B.1.e.	

Describe in the field below how your CoC regularly collaborates with organizations who help provide housing and services to survivors of domestic violence, dating violence, sexual assault, and stalking to:

1.	update CoC-wide policies; and
2.	ensure all housing and services provided in the CoC are trauma-informed and can meet the needs of survivors.

(limit 2,500 characters)

1.The CoC collaborates with organizations who help provide housing and services to survivors of domestic violence, dating violence, sexual assault, and stalking to update CoC-wide policies. The programs in Fall River CoC include Our Sisters' Place of the Greater New Bedford Women's Center and Stanley Street Treatment and Recovery Women's Shelter, and the state organization is SafeLink. Policies are written regarding Coordinated Entry, safety and confidentiality, emergency transfer plan, rapid rehousing, fair housing/equal opportunity, intake, after-hour exception, strength-based and client-centric approaches.

2.The CoC initiates conversations at CoC meetings and during other working groups that intend to ensure that CoC housing and services are trauma-informed and meet the needs of survivors. Coordinated Entry System regularly updates the CE procedures and solicits feedback from Victim Service Providers in the process. CE and all providers are knowledgeable about serving victims of domestic violence, dating violence, sexual assault, and stalking survivors. CoC providers are educated about trauma-informed and victim-centered approaches, safety and planning protocols, and the organization SafeLink and its procedures.

1C-5a.	Annual Training on Safety and Best Practices to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section VII.B.1.e.	

Describe in the field below how your CoC coordinates to provide training for:

1.	project staff that addresses best practices (e.g., trauma-informed, victim-centered) on safety and planning protocols in serving survivors of domestic violence and indicate the frequency of the training in your response (e.g., monthly, semi-annually); and
2.	Coordinated Entry staff that addresses best practices (e.g., trauma informed care) on safety and planning protocols in serving survivors of domestic violence and indicate the frequency of the training in your response (e.g., monthly, semi-annually).

(limit 2,500 characters)

1.The CoC coordinates training for CoC agency staff regarding best practices when dealing with domestic violence, dating violence, sexual assault, and stalking survivors. Providers should know how to engage in a fact-finding process to focus on the person's safety and actions the housing provider needs to take. Providers are instructed on trauma-informed, victim-centered approaches and safety planning. Trauma-informed means approaching the victim with the assumption that they have a history of having experienced trauma, and victim-centered means placing the crime victim's priorities, needs and interests at the center of the work with the victim. Both approaches should ensure that the victim is safe and has rights and a voice in their provision of housing and services. Providers learn Safety Planning to be able to inform victims of how to stay safe during an argument, when preparing to leave, or when at work and in public; how to obtain an order of protection, when using a computer; how to prepare a support network. VSPs provide comprehensive training to incoming staff pre-service. Refreshers are provided upon request. CoC training is provided annually. In January 2020 MassHousing published The Violence Against Women Act, Massachusetts State Law and Housing handbook.

2.Coordinated Entry leaders provide training on trauma-informed care on safety and planning protocols to ensure that domestic violence, dating violence, sexual assault, and stalking survivors receive referrals to VSP agencies so that victims receive the specialized care they need. Providers are instructed on trauma-informed, victim-centered approaches and safety planning should know how to engage in a fact-finding process to focus on the person's safety and the proper referral. Trauma-informed means approaching the victim with the assumption that they have a history of having experienced trauma, and victim-centered means placing the crime victim's priorities, needs and interests at the center of the work with the victim. Both approaches should ensure that the victim is safe and has rights and a voice in their provision of housing and services. Providers learn Safety Planning to be able to inform victims of how to stay safe during an argument, when preparing to leave, or when at work and in public; how to obtain an order of protection, when using a computer; how to prepare a support network. CE training is provided annually.

1C-5b.	Using De-identified Aggregate Data to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section VII.B.1.e.	
	Describe in the field below:	
	1. the de-identified aggregate data source(s) your CoC uses for data on survivors of domestic violence, dating violence, sexual assault, and stalking; and	
	2. how your CoC uses the de-identified aggregate data described in element 1 of this question to evaluate how to best meet the specialized needs related to domestic violence and homelessness.	

(limit 2,500 characters)

1.The Victim Service Provider domestic violence shelter uses a comparable HMIS database called EmpowerDB to collect de-identified aggregate data on its clients. Over the past year, the VSP that uses EmpowerDB requested assistance from the CoC/HMIS Lead to assess its current HMIS and compare it to other vendors' products. After several conversations between the provider and other vendors and the provider and the CoC/HMIS Lead, the VSP elected to remain with EmpowerDB as the vendor assured the provider that their system would comply with HUD Data Standards updates.

2.The de-identified aggregate data is compiled by the Victim Service Provider, and the VSP uploads it to Sage as ESG or ESG-CV CAPER, and can then be viewed without Personally Identifiable Information. The aggregated data is evaluated along with HMIS data from CaseWorthy and data provided from other providers who are not included in the CoC/ESG reporting system as well as Coordinated Entry and DV hotlines. This evaluation informs the conversations among providers in the CoC regarding the specialized needs of victims/survivors of domestic violence, dating violence, sexual assault, and stalking who are homeless or at-risk of homelessness. The data is used to assist the CoC to assess specialized needs such as suitable location placement and appropriate program type, i.e., whether the individual or family needs rapid rehousing, emergency shelter, permanent housing with or without services; mental health counseling for PTSD, depression, anxiety, low-esteem, addiction; behavioral health counseling; financial education; parenting education; communication skills; and coping skills.

1C-5c.	Communicating Emergency Transfer Plan to Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section VII.B.1.e.	
	Describe in the field below how your CoC communicates to all individuals and families seeking or receiving CoC Program assistance:	
1.	the emergency transfer plan policies and procedures; and	
2.	the process for individuals and families to request an emergency transfer.	

(limit 2,500 characters)

1. During CoC and CE trainings, CoC providers are advised to communicate the Emergency Transfer Plan to all at-risk/homeless persons seeking/receiving CoC Program assistance regardless of known domestic violence, dating violence, sexual assault and stalking survivor status. Providers inform those seeking assistance that anyone is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If there is not an available unit within the program for an internal transfer, then the victim shall have priority over all other applicants for assistance as long as they meet all other eligibility requirements. Alternatively, the program also has authority to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual.

2. The CoC communicates to CoC providers to inform at-risk/homeless persons seeking/receiving program regardless of known domestic violence, dating violence, sexual assault and stalking survivor status of the emergency transfer process. To request an emergency transfer, the tenant shall notify the housing provider and submit a written request for a transfer. The housing provider will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

- A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the housing provider's program; or
- A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

The request for the emergency transfer and any information submitted with the request must be kept confidential, unless the tenant provides written permission otherwise or in accordance with the law. The location of the new unit must be kept confidential from the person(s) that committed the act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. NBWC issues VAWA housing vouchers around the county to assist with relocation.

1C-5d.	Access to Housing for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section VII.B.1.e.	

Describe in the field below how your CoC ensures that survivors of domestic violence, dating violence, sexual assault, or stalking have access to all of the housing and services available within the CoC's geographic area.

(limit 2,500 characters)

CoC ensures that survivors of domestic violence, dating violence, sexual assault, or stalking have access to all of the housing and services available within the Fall River geographic area, not just assistance from VSPs. In the Coordinated Entry System screening for intake, questions are asked to ensure that the person requesting assistance is in a safe situation, but this does not exclude them from being offered services and housing/shelter offered to anyone else requesting assistance. The process to offer at-risk/homeless person assistance is systemic, consistent and client-centric in order to make accurate, streamlined referrals for households' needs regardless of domestic violence, dating violence, sexual assault, or stalking status.

1C-5e.	Including Safety, Planning, and Confidentiality Protocols in Coordinated Entry to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section VII.B.1.e.	

	Describe in the field below how your CoC's coordinated entry includes:
1.	safety protocols,
2.	planning protocols, and
3.	confidentiality protocols.

(limit 2,500 characters)

1.Coordinated Entry has Safety Protocols in place to address the needs of domestic violence, dating violence, sexual assault and stalking survivors. If homeless household is in imminent danger, fleeing, attempting to flee, under extreme life-threatening duress or is involved in a current domestic violence situation, once the CES staff makes a determination that it is a DV situation, safety planning and connection with appropriate resources including: police, SafeLink 24/7 Crisis Hotline and/or local domestic violence shelters is immediately provided. The standards, policies and procedures of CES cannot be used to screen people out of the coordinated entry process due to perceived barriers to housing services including domestic violence history. All persons have fair and equal access to the Coordinated Entry process. Victims/survivors are allowed after-hours emergency admission.

2.Coordinated Entry's Planning Protocols ensure that the intake of survivors of domestic violence, dating violence, sexual assault, or stalking are conducted with a strength-based, client-centric, respectful approach. CE staff are educated about trauma-informed and victim-centered approaches. The evaluation informs CE regarding the specialized needs of victims/survivors of domestic violence, dating violence, sexual assault, and stalking who are homeless or at-risk of homelessness, i.e., whether the individual or family needs rapid rehousing, emergency shelter, permanent housing with or without services; mental health counseling for PTSD, depression, anxiety, low-esteem, addiction; behavioral health counseling; financial education; parenting education; communication skills; and coping skills. CE staff follow protocol to make accurate, streamlined referrals to all CoC shelter, housing and service providers based on the households' needs.

3.Confidentiality Protocol is a top priority with all homeless households including domestic violence, dating violence, sexual assault and stalking survivors. If the household expresses they are in imminent danger, they are discreetly referred to police, SafeLink 24/7 Crisis Hotline and/or local victim service providers. The VSP DV shelter uses a comparable database rather than HMIS, and the data is de-identified and aggregated. The data is used to assist CE to assess specialized needs such as suitable location placement and appropriate program type. Client location of shelter or housing is undisclosed.

1C-6.	Addressing the Needs of Lesbian, Gay, Bisexual, Transgender and Queer+—Anti-Discrimination Policy and Training.	
	NOFO Section VII.B.1.f.	

1.	Did your CoC implement a written CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination?	Yes
2.	Did your CoC conduct annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule)?	Yes
3.	Did your CoC conduct annual CoC-wide training with providers on how to effectively implement Equal Access in Accordance With an Individual's Gender Identity in Community Planning and Development Programs (Gender Identity Final Rule)?	No

1C-6a.	Anti-Discrimination Policy—Updating Policies—Assisting Providers—Evaluating Compliance—Addressing Noncompliance.	
	NOFO Section VII.B.1.f.	

	Describe in the field below:
1.	whether your CoC updates its CoC-wide anti-discrimination policy, as necessary, based on stakeholder feedback;
2.	how your CoC assisted providers in developing project-level anti-discrimination policies that are consistent with the CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination;
3.	your CoC's process for evaluating compliance with your CoC's anti-discrimination policies; and
4.	your CoC's process for addressing noncompliance with your CoC's anti-discrimination policies.

(limit 2,500 characters)

1. The CoC has instituted a CoC-wide anti-discrimination policy as established by the Fair Housing Act, HUD's Equal Access Rule and Massachusetts housing laws. Federal and state laws prohibit discrimination in housing and community development programs and activities because of race, color, religion, sex (including gender identity and sexual orientation), national origin, familial status, and disability. The policy is reviewed annually and updated as necessary based on stakeholder feedback provided by CoC staff and program participants.
2. CoC-assisted providers' project-level anti-discrimination policies are aligned with the CoC-wide anti-discrimination policy ensuring that homeless LGBTQ+ individuals and families receive shelter, housing and supportive services free from discrimination and harassment. Project-level policies and procedures determine requirements regarding interactions between staff and participants including the use of inclusive language and creating an inclusive environment. Interactions between staff and residents include avoiding gendered greetings, using preferred names and pronouns, respecting their choices to access housing and services without requiring proof. Policy also addresses language on intake forms, signage and publications promoting programs.
3. The CoC grantee performs on-site monitoring annually including monitoring the CoC subrecipients for compliance with CoC policies and procedures. Included is evaluating compliance with the CoC's anti-discrimination policy. CDA staff ensure that the agency has an anti-discrimination policy in place aligned with the CoC-wide policy and that staff are trained under such policy. CDA staff also checks signage, intake forms and promotional material for inclusive language.
4. Non-compliance with the anti-discrimination policies and serious complaints of sexual discrimination and harassment are taken seriously. Non-compliant issues are provided to the agencies in a written report of concerns and findings, and the CoC grantee works with the project to institute proper practices.

1C-7.	Public Housing Agencies within Your CoC's Geographic Area—New Admissions—General/Limited Preference—Moving On Strategy.	
	NOFO Section VII.B.1.g.	

You must upload the PHA Homeless Preference\PHA Moving On Preference attachment(s) to the 4B. Attachments Screen.

Enter information in the chart below for the two largest PHAs highlighted in gray on the FY 2021 CoC-PHA Crosswalk Report or the two PHAs your CoC has a working relationship with—if there is only one PHA in your CoC's geographic area, provide information on the one:

1C-7a.	Written Policies on Homeless Admission Preferences with PHAs.	
	NOFO Section VII.B.1.g.	

Describe in the field below:

1.	steps your CoC has taken, with the two largest PHAs within your CoC's geographic area or the two PHAs your CoC has working relationships with, to adopt a homeless admission preference—if your CoC only has one PHA within its geographic area, you may respond for the one; or
2.	state that your CoC has not worked with the PHAs in its geographic area to adopt a homeless admission preference.

(limit 2,500 characters)

1. Since April 2021, FRCoC has been in discussions with FRHA to establish a homeless admission preference which became effective April 1, 2022. The policy is a part of the Fall River Housing Authority's HCV Administrative Plan which has been approved by HUD. FRHA's local preferences include a Moving On program and a Fall River Resident preference. The Moving On program is targeted to former chronically homeless participants in Fall River Permanent Supportive Housing programs. The Moving On applicant must have lived in a CoC-funded PSH project for at least 12 months and no longer requires the PSH program's services. The set aside for the Moving On program is no less than 20 Housing Choice Vouchers and will be given absolute preference over all other HCV applicants on the waiting list until the 20 vouchers have been allocated. FRHA has made other progress in removing barriers to fair housing access as it impacts the homeless population such as eliminating the rent-burdened status requirement from its Local Preference criteria on its HCVP waiting list: "Families residing in the City of Fall River, or have at least one adult member who works or has been hired to work in the City of Fall River and paying forty percent (40%) or more of their adjusted income for rent and utilities."

1D-2a.	Project Evaluation for Housing First Compliance.	
	NOFO Section VII.B.1.i.	

Describe in the field below:

1.	how your CoC evaluates every recipient—that checks Housing First on their Project Application—to determine if they are actually using a Housing First approach;
2.	the list of factors and performance indicators your CoC uses during its evaluation; and
3.	how your CoC regularly evaluates projects outside of the competition to ensure the projects are using a Housing First approach.

(limit 2,500 characters)

1.The Fall River CoC has incorporated the Housing First Model into its Coordinated Entry (CE) System for all programming. The CoC uses the HUD Housing First Assessment Tool, the U.S. Interagency Council on Homelessness's Housing First Checklist and the Housing First Implementation Resources provided by HUD to evaluate compliance with this Model. The Continuum's Written Standards indicate adoption of the Model and the criteria that must be followed for its implementation. The direct HUD CoC grant Recipient, the City of Fall River-Fall River Community Development Agency (FRCDA), performs annual on-site programmatic monitoring on every Subrecipient program each year for compliance with the Housing First Model. If it appears that an agency is not complying with the Model, FRCDA will work with the agency to implement practices that adhere to the Model. The CoC CE Operational Standards indicate that access into the local homeless system is streamlined and must be low-barrier. FRCDA continually shares Housing First resources with CoC Subrecipient agencies to keep providers well informed on the Model and its proven positive outcomes. Subrecipient Contract Agreements also indicate required compliance in this area.

2.Performance indicators reviewed during monitoring include the following assessment standards based on project-type: Access, Evaluation, Service, Housing and Leases, and Project-specific. Principles for evaluation include the following:

- Low barrier admission: people are not screened out of a program for having low/no-income, past criminal histories, past substance use, history of victimization, past poor tenancy/eviction records;
- Rapid and streamlined entry into housing;
- Tenants have full rights, responsibilities, and legal protections; and
- Housing is not contingent on compliance with services; supportive services are voluntary but can and should be used to persistently engage tenants and to ensure housing stability.

3.On-site monitoring is conducted outside of the local CoC competition rating and ranking process. Annual grant monitoring ensures that programs are operating in accordance with HUD requirement. FRCDA reviews the following in project files: CE screening tools/assessments, information provided to clients, lease agreement language, case notes/participation agreements. Written reports are provided to the agencies each year. The CoC Homeless Service Providers Coalition also meets regularly to review compliance throughout the year.

1D-3.	Street Outreach–Scope.	
	NOFO Section VII.B.1.j.	
	Describe in the field below:	
	1. your CoC's street outreach efforts, including the methods it uses to ensure all persons experiencing unsheltered homelessness are identified and engaged;	
	2. whether your CoC's Street Outreach covers 100 percent of the CoC's geographic area;	
	3. how often your CoC conducts street outreach; and	
	4. how your CoC tailored its street outreach to persons experiencing homelessness who are least likely to request assistance.	

(limit 2,500 characters)

1.FR CoC's Street Outreach efforts consist of a comprehensive approach which includes city government, Police Dept, Steppingstone, hospital and mental health provider staff. The Team's method is to identify and explore areas homeless live and frequent, address immediate needs and utilize best practice approaches such as motivational interviewing techniques to build trust and rapport with the homeless. The Outreach team includes two full time outreach workers (City and Steppingstone), formerly homeless and trained in best practice approaches. These workers, known to the unsheltered, provide necessities such as food/lunches, gift cards, clothing, hygiene items, sunscreen, first aid, transportation, tents, blankets, printed resources and provider referrals. Whereabouts of the homeless and the workers is dispersed by word of mouth. Once a connection is made, they feel secure seeking additional services.

2.Outreach staff covers 100% of the geographic area, visiting areas that people frequent most and where people are having the most difficulties. Frequented areas include encampments, food pantries/soup kitchens, veterans drop-in centers, harsh weather shelters, parking lots, parks/playgrounds, bicycle/walking paths, wooded areas, laundromats, fast food restaurants, public building lobbies/sitting areas; some visits are pre-arranged. If a neighborhood resident, business owner, patron, etc. provides information about where the homeless may be, a team is called to investigate. The teams also act on word-of-mouth from other street homeless.

3.Street Outreach is performed daily, including some nights and weekends. Outreach workers provide their cell phone numbers to the unsheltered. Events are organized to attract the unsheltered homeless in order to provide them with goods and resources and to engage them such as the PIT Count, Project Homeless Connect, homeless/housing assistance fairs, harsh weather shelters, weekend lunch drop-offs, organized encampment visits, engagement with panhandlers where they work.

4.FR's CoC tailored its outreach to those least likely to request assistance through including outreach team members who were once homeless and can relate to the difficulties the unsheltered homeless face and offering a compassionate approach. The foundation of outreach efforts begins by building trust and forming relationships with encountered individuals and families. The Team's outreach members offer an empathetic and comprehensive response.

1D-4.	Strategies to Prevent Criminalization of Homelessness.	
	NOFO Section VII.B.1.k.

1D-6a.	Information and Training on Mainstream Benefits and Other Assistance.
	NOFO Section VII.B.1.m

	Describe in the field below how your CoC:
1.	systemically provides up-to-date information on mainstream resources available for program participants (e.g., Food Stamps, SSI, TANF, substance abuse programs) within your CoC's geographic area;
2.	works with project staff to collaborate with healthcare organizations, including substance abuse treatment and mental health treatment, to assist program participants with receiving healthcare services; and
3.	works with projects to promote SSI/SSDI Outreach, Access, and Recovery (SOAR) certification of program staff.

(limit 2,500 characters)

1. Within 30 days of program entry, providers assist participants to obtain mainstream benefits. Community partners and on-line applications facilitate the application process. SNAP, WIC, cash assistance and health insurance applications can be accessed on-line. Educational materials, in-person trainings, transportation to medical appointments, and assistance with insurance enrollment are provided, as is follow up. Presentations by any agency serving the homeless are welcome at meetings of the CoC members and the CoC Board. Agencies provide calendars of events, newsletters, and mass emailings of events and networking opportunities. Other agencies forward notices to the CoC Lead who disseminates it to a large listserv.

2. The CoC is rich with 7 major healthcare organizations including primary care, dental, substance use and mental health treatment services. The city has several outpatient clinics and an urgent care clinic. Program participants are assisted with health insurance applications and encouraged to seek a PCP. Some healthcare facilities offer transportation; providers offer transportation or vouchers. Some providers offer on-site mental health and substance use services. Many providers offer on-site recovery groups as well as online and telephone support. Many program participants choose peer coaching and skill-building workshops. Health and wellness activities are offered. Program participants are offered assistance to put together an Individual Service Plan that includes healthcare and recovery goals. Services pamphlets are available at www.FallRiverHomeless.com, various agencies, City Hall, soup kitchens, food pantries. Various agencies meet with guests of the overflow and seasonal shelters to provide resources and referrals prior to closing as the winter season winds down. Program participants are encouraged to attend events such as Candlelight Vigil for Hunger and Homelessness Awareness Week, Project Homeless Connect, World AIDS Day, Overdose Awareness Day, Recovery Health and Wellness Day.

3. SOAR trainings are expected to be completed by all staff of CoC projects. The CoC Lead brought in Project Associate from the SAMHSA SOAR TA Center who performed an electronic community assessment. The results were varied among the CoC agencies, and a planning meeting will be held in late 2022 for more significant SOAR implementation.

1D-7.	Increasing Capacity for Non-Congregate Sheltering.	
	NOFO Section VII.B.1.n.	

Describe in the field below how your CoC is increasing its capacity to provide non-congregate sheltering.

(limit 2,500 characters)

Providing non-congregate shelter has proven somewhat difficult. Fall River CoC is a small city with one recently renovated hotel ideally located for business people in the Industrial Park right off Route 24S from Boston. The Fall River Industrial Park Association has imposed restrictions on hotel use and it cannot be used for emergency shelter. If a homeless person/household presents for shelter and may not be well, ESG funds are used to pay for stays at hotels in neighboring towns. Catholic Social Services has 40 emergency shelter voucher subsidies and Justice Resource Institute has 9 emergency shelter voucher subsidies to rent apartments in the private market in the CoC. Fall River Housing Authority did not receive Emergency Housing Vouchers, but EHV's from neighboring cities have been in use in our CoC. The First Step Inn congregate emergency shelter has plenty of room to continue to enforce infectious disease protocols long-term as does the First Step Inn (overflow shelter) and the Timao Center (seasonal shelter).

ID-8.	Partnerships with Public Health Agencies—Collaborating to Respond to and Prevent Spread of Infectious Diseases.	
NOFO Section VII.B.1.o.		
Describe in the field below how your CoC effectively collaborates with state and local public health agencies to:		
1.	develop CoC-wide policies and procedures to respond to infectious disease outbreaks; and	
2.	prevent infectious disease outbreaks among people experiencing homelessness.	

(limit 2,500 characters)

1.The COVID pandemic provided an opportunity to examine the City's emergency response readiness. Without prior experience of a pandemic, municipal leaders followed protocol set by state and federal authorities. Massachusetts Department of Public Health dictated protocols for social distancing, testing, vaccination sites and sanitary practices. In collaboration with the City Health Department, the CoC adopted the state and federal safety protocols as policies and procedures to respond to infectious disease outbreaks. The Homeless Service Providers Coalition and the Mayor's Task Force to End Homelessness both have members from the City Department of Health and Human Services, local hospitals and healthcare centers.

2.The Director of Health and Human Services is on the CoC Board and Mayor's Task Force to End Homelessness. She provides updates at monthly meetings and provided daily e-newsletters on protocol and COVID stats during the height of the pandemic. ESG-CV funding assisted congregate emergency shelters with deep cleaning, provided PPE for staff and guests, and the shelter's bunk beds were replaced with regular beds. As necessary, guests are tested upon entry and social distancing and masks are required. All program staff and the sheltered and unsheltered homeless are educated and encouraged to receive the vaccine and to practice social distancing. Healthcare professionals visited shelters to provide vaccines. Street outreach and healthcare professionals formed teams that visited encampments and met the homeless where they were to provide COVID-tests, vaccines, other healthcare, PPE supplies and everyday necessities during the height of the pandemic. Shelters and transport vehicles were outfitted with plexiglass dividers funded by ESG-CV monies.

ID-8a.	Collaboration With Public Health Agencies on Infectious Diseases.	
	NOFO Section VII.B.1.o.	
	Describe in the field below how your CoC effectively equipped providers to prevent or limit infectious disease outbreaks among program participants by:	
	1. sharing information related to public health measures and homelessness, and	
	2. facilitating communication between public health agencies and homeless service providers to ensure street outreach providers and shelter and housing providers are equipped to prevent or limit infectious disease outbreaks among program participants.	

(limit 2,500 characters)

1.The Director of Health and Human Services is on the CoC Board and Mayor's Task Force to End Homelessness. She provides updates at monthly meetings and provided daily e-newsletters on protocol and COVID stats during the height of the pandemic. Congressman Bill Keating's office disseminates emails informing the public of upcoming COVID and Monkeypox workshops and symposiums. Massachusetts Behavioral Health Partnership convenes a quarterly behavioral and medical health cluster where healthcare providers share informative presentations regarding health issues including infectious disease and the effects on low-income and homeless persons. The clusters are open to housing and service providers. CoC members participate in HUD's Office Hours where infectious disease experts present statistics and alerts regarding public health. The CoC Lead shares notices of the aforementioned to service providers to prevent/limit infectious disease outbreaks among program participants.

As state protocols to prevent/limit infectious disease outbreaks among program participants were updated, that information was communicated to shelter, service and housing providers to protect program participants' health and well-being. Street outreach staff teamed up with healthcare professionals to educate the unsheltered homeless and provide them with necessary PPE, healthcare, tests, vaccinations and daily living needs. Transportation to test sites was available at the height of the pandemic.

1D-9.	Centralized or Coordinated Entry System-Assessment Process.	
	NOFO Section VII.B.1.p.	
	Describe in the field below how your CoC's coordinated entry system:	

1.	covers 100 percent of your CoC's geographic area;
2.	uses a standardized assessment process; and
3.	is updated regularly using feedback received from participating projects and households that participated in coordinated entry.

(limit 2,500 characters)

1.The Fall River Coordinated Entry System covers 100% of the Fall River CoC geography, which is the City of Fall River, and is operated by Catholic Social Services, a non-profit agency. In operation since 2015, the CE System has a separate, centralized phone number, a separate email (FRCE@cssdioc.org), a web page on CSS's website and is featured prominently on fallriverhomeless.com. FRCE has a separate, centralized phone line and receives e-mails at frce@cssdioc.org and through www.FallRiverHomeless.com.

2.A SPDAT is conducted on those who are seeking housing, which is used to identify those with longest histories of homelessness as well as those with barriers to accessing housing. CE is tasked with making precise assessments in order to provide the most accurate and efficient referrals and placements that suit the needs of the homeless in order to prevent returns to homelessness. In order to serve those with the greatest needs in a timely manner, access to services is provided with a barrier-free/low-barrier approach. Because emergency shelter is a very urgent need, it is not necessary to go through the CE system for referrals to emergency shelter beds. The CE staff researches all available programs to find the most appropriate financial resources in a timely manner to get or keep people housed. Programs are combined if necessary to cover arrears and pay future subsidies for folks to sustain the housing and avoid returns to homelessness.

3.The CoC works with the Coordinated Entry System operating agency (Catholic Social Services) to regularly update the CE process. In order to identify issues in CE, CSS solicits feedback from those looking for assistance as well as providers making and accepting referrals. The CoC also requests feedback from the providers to ensure that referrals are streamlined and appropriate and monitors PSH vacancies to ensure that programs are receiving and accepting the referrals. It appears the SPDAT assessment is not appropriate for everyone seeking assistance and the CoC is currently exploring other assessment tools.

1D-9a.	Program Participant-Centered Approach to Centralized or Coordinated Entry.	
	NOFO Section VII.B.1.p.	

	Describe in the field below how your CoC's coordinated entry system:
1.	reaches people who are least likely to apply for homeless assistance in the absence of special outreach;
2.	prioritizes people most in need of assistance;
3.	ensures people most in need of assistance receive permanent housing in a timely manner, consistent with their preferences; and
4.	takes steps to reduce burdens on people using coordinated entry.

1. Street outreach teams engage with unsheltered folks at encampments or other areas the hardest-to-serve unsheltered population frequents. Outreach teams develop a rapport with street homeless and provide referrals to CE. CE staff contact housing court and FRHA staff to educate those at-risk about available resources to rapidly rehouse or keep people housed. Bilingual CE staff is available by phone, email (FRCE@cssdioc.org) and walk-in. CE is advertised on www.fallriverhomeless.org and is available in Spanish and Portuguese. CE staff provide information and assistance at events such as PIT Count, Project Homeless Connect, housing assistance fairs and bad weather shelters.

1D-10.	Promoting Racial Equity in Homelessness—Conducting Assessment.	
	NOFO Section VII.B.1.q.	

1.	Has your CoC conducted a racial disparities assessment in the last 3 years?	Yes
2.	Enter the date your CoC conducted its latest assessment for racial disparities.	11/17/2021

1D-10a.	Process for Analyzing Racial Disparities—Identifying Racial Disparities in Provision or Outcomes of Homeless Assistance.	
	NOFO Section VII.B.1.q.	

	Describe in the field below:
1.	your CoC's process for analyzing whether any racial disparities are present in the provision or outcomes of homeless assistance; and
2.	what racial disparities your CoC identified in the provision or outcomes of homeless assistance.

(limit 2,500 characters)

1.The Racial Equity Committee of the CoC uses the CoC Racial Equity Analysis Tool, race and ethnicity data from HMIS and anecdotal information from the Coordinated Entry System to analyze whether racial disparities are present in the provision or outcomes of homeless assistance. The CoC has committed to racial equity in all of its homeless programs.

2.Although this question refers specifically to CoC program-funded assistance, the Racial Equity Committee found that in the Fall River CoC, families of color, particularly Black and Hispanic, experience a higher rate of sheltered homelessness, and homeless families in general spend more time in shelter than homeless individuals do. Lack of safe, affordable, sanitary housing presents an issue with moving families, including those of color, out of emergency shelter and into permanent housing. Further analysis is needed at this point to determine whether the length of time in homeless shelters is a result of only lack of affordable housing, or whether there is a glitch in the Coordinated Entry System or a bigger issue of racial inequity when applying for housing under private landlords renting scattered-site PSH or private market rental units. (The Analysis of Impediments to Fair Housing Choice did not indicate racial inequities in the private market.)

1D-10b.	Strategies to Address Racial Disparities.

Select yes or no in the chart below to indicate the strategies your CoC is using to address any racial disparities.

1.	The CoC's board and decisionmaking bodies are representative of the population served in the CoC.	Yes
2.	The CoC has identified steps it will take to help the CoC board and decisionmaking bodies better reflect the population served in the CoC.	Yes
3.	The CoC is expanding outreach in geographic areas with higher concentrations of underrepresented groups.	Yes
4.	The CoC has communication, such as flyers, websites, or other materials, inclusive of underrepresented groups.	Yes
5.	The CoC is training staff working in the homeless services sector to better understand racism and the intersection of racism and homelessness.	Yes
6.	The CoC is establishing professional development opportunities to identify and invest in emerging leaders of different races and ethnicities in the homelessness sector.	No
7.	The CoC has staff, committees, or other resources charged with analyzing and addressing racial disparities related to homelessness.	Yes
8.	The CoC is educating organizations, stakeholders, boards of directors for local and national nonprofit organizations working on homelessness on the topic of creating greater racial and ethnic diversity.	Yes
9.	The CoC reviewed coordinated entry processes to understand their impact on people of different races and ethnicities experiencing homelessness.	Yes
10.	The CoC is collecting data to better understand the pattern of program use for people of different races and ethnicities in its homeless services system.	Yes
11.	The CoC is conducting additional research to understand the scope and needs of different races or ethnicities experiencing homelessness.	Yes

1D-10c.	Actions Taken to Address Known Disparities.	
	NOFO Section VII.B.1.q.	

Describe in the field below the steps your CoC and homeless providers have taken to address disparities identified in the provision or outcomes of homeless assistance.

(limit 2,500 characters)

The CoC is making improvements and investments needed to address known racial disparities. The CoC and homeless providers continue to diversify their board and staff at all levels to reflect the population experiencing homelessness. The Racial Equity Committee uses the CoC Racial Equity Analysis Tool, race and ethnicity data from HMIS and anecdotal information from Coordinated Entry to analyze whether racial disparities are present in the provision or outcomes of homeless assistance.

Black and Hispanic homeless families are over-represented in our emergency shelters. Further analysis is needed at this point to determine whether the length of time in homeless shelters is a result of only lack of affordable housing, or whether there is a glitch in the Coordinated Entry System or a bigger issue of racial inequity when applying for housing under private landlords renting scattered-site PSH or private market rental units. The CoC is in the process of implementing a racial equity assessment at entry to determine how people of color are affected by Coordinated Entry.

The CoC and homeless providers continue to partner with other service providers to provide job opportunities to reduce poverty. Rental housing discrimination continues to be a problem and directly affects people of color to access affordable housing in good neighborhoods. The CoC and homeless providers continue to work with non-profit legal aid organizations and progressive landlords in reducing housing discrimination. The CoC is working with our local jails to help those exiting find safe, affordable housing.

The Mayor of the City of Fall River has recently appointed a Diversity Working Group to address race within core elements: Community Involvement, Healthcare, Policing, Education, Employment. Although the group's focus is not currently racial disparities specifically among the homeless population, it certainly provides cross-over opportunities to address social issues among the homeless, particularly those of color. The FRCoC intends to invite members of the Diversity Working Group to participate on its Racial Equity Committee to implement improvements in racial equity and the provision of fair housing for all people of various color and ethnicity.

The CoC has committed to racial equity in all of its homeless programs and regularly reviews current policies and implements new policies that affect and improve racial equity in its homeless programs.

1D-10d.	Tracking Progress on Preventing or Eliminating Disparities.	
	NOFO Section VII.B.1.q.	

Describe in the field below the measures your CoC has in place to track progress on preventing or eliminating disparities in the provision or outcomes of homeless assistance.

(limit 2,500 characters)

The Racial Equity Committee uses the CoC Racial Equity Analysis Tool, race and ethnicity data from HMIS and “Stella P” on the HUD Homelessness Data Exchange 2.0 platform. Stella P provides visuals of how homeless households move through the homeless system and highlights outcome disparities. Stella P uses three performance measures:

- Length of time homeless;
- Exits to permanent housing; and
- Returns to homelessness after exits to permanent housing.

Stella P provides information and insight regarding the analysis of performance trends and equity in our homeless system response allowing our CoC to track progress on preventing or eliminating disparities in the provision or outcomes of homeless assistance.

To guide its work, the CoC adopted the use of a Racial Equity Toolkit, a process and set of questions designed to guide, inform, and assess how policies, programs, and budgetary decisions burden and/or benefit people of color experiencing homelessness. The Toolkit process is briefly outlined below. The use of the Toolkit promotes racial equity by:

- Listening to the voices of those most impacted—people with lived experience of homelessness, as well as those directly serving them—to understand how policies, programs, and services within the homeless service delivery system and other intersecting systems benefit or burden people of color experiencing homelessness;
- Raising awareness of racial justice issues for those providing services and community members;
- Working across governmental systems, with other institutions, and with community members to align strategies to eliminate racial disparities impacting people of color experiencing homelessness; and
- Evaluating progress over time and demonstrating a commitment to share results with community members.

1D-11.	Involving Individuals with Lived Experience of Homelessness in Service Delivery and Decisionmaking—CoC’s Outreach Efforts.	
	NOFO Section VII.B.1.r.	
	Describe in the field below your CoC’s outreach efforts (e.g., social media announcements, targeted outreach) to engage those with lived experience of homelessness in leadership roles and decision making processes.	

(limit 2,500 characters)

The CoC's outreach efforts to engage those with lived experience of homelessness in leadership roles and decision-making processes has proven effective but has some room for improvement. The CoC Board has about 7 participants (6%) on the Homeless Service Providers Coalition and/or the Mayor's Task Force to End Homelessness who have experienced homelessness, most of whom are either in a CoC program or have experienced homelessness in the last 7 years, and many who have experienced living in an unsheltered situation at some point in their homelessness.

Local programs convene advisory boards that include people with lived experience, one agency having an advisory board comprised of all people with lived experience. The client advisors work with the administrations to achieve client-centricity and better outcomes. CoC programs also hold tenant/participant meetings to garner opinions and suggestions to bring back to the CoC to inform policy-making. When feasible, CoC programs tend to hire formerly homeless persons because of their experiences and points of view.

Another approach to giving people with lived experience a voice is by inviting them to events to speak such as: Project Homeless Connect, candlelight vigils, World AIDS Day, Overdose Awareness Day, Recovery Health and Wellness Day, etc.

People with lived experience are made aware of the opportunities available to them through announcements at meetings, published community event listings, postings on Facebook and fliers that are disseminated and posted throughout the community by providers and street outreach workers.

Improvement in the involvement of people with lived experience would be having a funding resource to commit to a greater investment by being able to pay people living wages for their time and to entice a higher level of involvement.

1D-11a.	Active CoC Participation of Individuals with Lived Experience of Homelessness.	
	NOFO Section VII.B.1.r.	

Enter in the chart below the number of people with lived experience who currently participate in your CoC under the five categories listed:

	Level of Active Participation	Number of People with Lived Experience Within the Last 7 Years or Current Program Participant	Number of People with Lived Experience Coming from Unsheltered Situations
1.	Included and provide input that is incorporated in the local planning process.	11	3
2.	Review and recommend revisions to local policies addressing homelessness related to coordinated entry, services, and housing.	50	50
3.	Participate on CoC committees, subcommittees, or workgroups.	11	3
4.	Included in the decisionmaking processes related to addressing homelessness.	11	3
5.	Included in the development or revision of your CoC's local competition rating factors.	1	0

1D-11b.	Professional Development and Employment Opportunities for Individuals with Lived Experience of Homelessness.	
	NOFO Section VII.B.1.r.	

Describe in the field below how your CoC or CoC membership organizations provide professional development and employment opportunities to individuals with lived experience of homelessness.

(limit 2,500 characters)

Currently the CoC has no planning grant or any other funding source to employ people with lived experience to participate in leadership roles and decision-making processes. However, many of the CoC membership organizations provide opportunities for professional development and employment to our homeless and program participants:

- Secure Jobs program at SER-Jobs assists adults in families in homeless programs to obtain employment.
- HealthFirst, a major healthcare provider, provides training/job opportunities to formerly homeless clients.
- Blount Fine Foods has a corporate office, processing plant, and store/restaurant in/near FRCoC. They have entry-level opportunities and will hire those in recovery.
- Amazon Fulfillment Center offers around 1,000 varying level positions at competitive hourly rates, 401(k), medical, dental, vision.
- Monroe Staffing and Able Associates – Although temporary positions aren't long-term, they provide skill development, work history, links with potential long-term employers.
- MassHire Career Center provides job referral, development, and placement assistance.
- YouthBuild assists at-risk young adults, 16-24, neither in work nor school, by providing education and job opportunities.
- Mass Rehab Commission helps individuals with disabilities live and work independently.
- Ticket to Work program of the Social Security Administration helps SSI/SSDI beneficiaries, 18-64, progress toward financial independence.
- Many local organizations that address substance abuse disorders provide training and employment for positions at their organizations such as outreach workers, recovery coaches, shelter staff, program staff, one-on-one peer coaches, etc.
- MassHire Fall River Career Center offers individualized assessment and testing, vocational counseling, skills training information/referrals, training on computers/printers/copiers/fax machines, computer lab, re-employment options for laid off workers, resume writing skills, rehabilitation counseling/technical assistance, etc.

1D-11c.	Routinely Gathering Feedback and Addressing Challenges of Individuals with Lived Experience of Homelessness.	
	NOFO Section VII.B.1.r.	

Describe in the field below how your CoC:

1.	how your CoC routinely gathered feedback from people experiencing homelessness and people who have received assistance through the CoC or ESG program on their experience receiving assistance; and
2.	the steps your CoC has taken to address challenges raised by people with lived experience of homelessness

(limit 2,500 characters)

1.CoC routinely gathered feedback from people experiencing homelessness and people who have received assistance through the CoC or ESG program on their experience receiving assistance in various ways:

- The CoC Board has about 11 participants (9%) on the Homeless Service Providers Coalition and/or the Mayor's Task Force to End Homelessness who have experienced homelessness, most of whom are either in a CoC program or have experienced homelessness in the last 7 years, and many who have experienced living in an unsheltered situation at some point in their homelessness.
- Local CoC programs convene advisory boards that include people with lived experience.
- CoC programs hold tenant/participant meetings to garner opinions and suggestions to bring back to the CoC to inform policy-making.
- CoC programs hire formerly homeless persons who bring their own experiences and points of view.
- Biannual Public Hearings for ESG funding held by FRCDA to communicate to the public and solicit public opinion regarding community needs including homelessness during the Annual Plan/Consolidated Plan process.
- Exit surveys for consumers and outcome forms for providers at the annual Project Homeless Connect which assist in identifying predominant subpopulations in need and gaps in services.
- Anecdotal information from the Coordinated Entry System.

2.Challenges to engage people with lived experience in the CoC process include:

- The need to recognize that everyone's time is valuable. Improvement in this area would be having a funding resource to commit to a greater investment by being able to pay people living wages for their time and to entice a higher level of involvement.
- Ensuring that CoC and ESG program assistance is presented as a client-centric, strength-based, respectful approach.
- Ensuring CoC and ESG programming is relevant and useful to the current population and its needs.

1D-12.	Increasing Affordable Housing Supply.	
	NOFO Section VII.B.1.t.	
	Describe in the field below at least 2 steps your CoC has taken in the past 12 months that engage city, county, or state governments that represent your CoC's geographic area regarding the following:	
1.	reforming zoning and land use policies to permit more housing development; and	
2.	reducing regulatory barriers to housing development.	

(limit 2,500 characters)

1.The CoC has played a role in the prioritization of increasing the affordable housing supply. The CoC meets with city officials to discuss housing needs of the homeless. In the development of the Analysis of Impediments to Fair Housing Choice (AI), the City in partnership with the CoC analyzed zoning, land use policies and housing regulatory barriers. While the AI identifies several impediments, none are directly related to barriers to increasing the affordable housing supply related to zoning and land use policies permitting housing development. The CoC partnered with the City and the Community Development Agency in designing the HOME-ARP program. Based on the PIT count, the partnership identified gaps in the current housing inventory and the service delivery system. A goal of producing 15 affordable housing units with HOME-ARP funding was established. The CoC partnered with the Fall River Housing Authority to create a Moving On program. The program is targeted to former chronically homeless participants in a Fall River PSH program. The set aside for Moving On is 20 Housing Choice Vouchers and will be given absolute preference over all other HCV applicants on the waiting list.

1E-2.	Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question and the response in Question 1E-2a along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section VII.B.2.a., 2.b., 2.c., and 2.d.	

You must upload the Local Competition Scoring Tool attachment to the 4B. Attachments Screen.

Select yes or no in the chart below to indicate how your CoC ranked and selected project applications during your local competition:

1.	Established total points available for each project application type.	Yes
2.	At least 33 percent of the total points were based on objective criteria for the project application (e.g., cost effectiveness, timely draws, utilization rate, match, leverage), performance data, type of population served (e.g., DV, youth, Veterans, chronic homelessness), or type of housing proposed (e.g., PSH, RRH).	Yes
3.	At least 20 percent of the total points were based on system performance criteria for the project application (e.g., exits to permanent housing destinations, retention of permanent housing, length of time homeless, returns to homelessness).	Yes
4.	Provided points for projects that addressed specific severe barriers to housing and services.	Yes
5.	Used data from comparable databases to score projects submitted by victim service providers.	No

1E-2a.	Scored Project Forms for One Project from Your CoC's Local Competition. We use the response to this question and Question 1E-2. along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section VII.B.2.a., 2.b., 2.c., and 2.d.	

You must upload the Scored Forms for One Project attachment to the 4B. Attachments Screen.
Complete the chart below to provide details of your CoC's local competition:

1.	What were the maximum number of points available for the renewal project form(s)?	80
2.	How many renewal projects did your CoC submit?	7
3.	What renewal project type did most applicants use?	PH-PSH

1E-2b.	Addressing Severe Barriers in the Local Project Review and Ranking Process.	
	NOFO Section VII.B.2.d.	

Describe in the field below:

1.	how your CoC collected and analyzed data regarding each project that has successfully housed program participants in permanent housing;
2.	how your CoC analyzed data regarding how long it takes to house people in permanent housing;
3.	how your CoC considered the specific severity of needs and vulnerabilities experienced by program participants preventing rapid placement in permanent housing or the ability to maintain permanent housing when your CoC ranked and selected projects; and
4.	considerations your CoC gave to projects that provide housing and services to the hardest to serve populations that could result in lower performance levels but are projects your CoC needs in its geographic area.

(limit 2,500 characters)

1. In order to determine that each project successfully housed program participants in permanent housing, the CoC collected and analyzed data from its HMIS. The projects were assessed and scored by the Review & Ranking Committee based on program goals. The particular goals the Committee examined included Housing Stability, Returns to Homelessness and New/Increased Income. System Performance Measures are worth 50 points maximum.

2. The CoC uses data from question 22E from the Annual Performance Report to determine how long it takes for a person to be rehoused in PSH. The R&R Committee didn't use Length of Time Homeless as a component in scoring applications as it is not necessarily a reflection on the project itself. Without documentation of how the participants came to a particular project, there is no demonstration of how that person navigated the CoC prior. Length of Time Homeless is more a component of the systemwide performance and how the CoC as a whole operates.

3. The R&R Committee didn't use Length of Time Homeless as a component in scoring applications as it is not necessarily a reflection on the project itself. Without documentation of how the participants came to a particular project, there is no demonstration of how that person navigated the CoC prior. Length of Time Homeless is more a component of the systemwide performance and how the CoC as a whole operates. Only one project did not meet the goal of maintaining permanent housing, and that project ranked second to last on the CoC Priority Listing based on meeting most of its Low Barrier/Housing First goals and financial expenditures expectations. The project serves chronically homeless men with substance use disorder, many with co-occurring mental health disorder.

4. Measures of evidence that projects are assisting the hardest to serve populations include the percentage of participants that have no income, have more than one disability and are coming from places not meant for human habitation at entry. Low Barrier/Housing First performance measures are worth 10 points each measure or 30 points maximum. The project that scored lowest for Low Barrier/Housing First was ranked last on the CoC Priority Listing. That project was not reallocated because it is the only project that provides PSH for Youths in the CoC and the surrounding region. It also changed from serving all males to serving all genders in the current program year to boost utilization rates.

1E-3.	Promoting Racial Equity in the Local Competition Review and Ranking Process.	
	NOFO Section VII.B.2.e.	
	Describe in the field below:	
	1. how your CoC obtained input and included persons of different races, particularly those over-represented in the local homelessness population;	
	2. how the input from persons of different races, particularly those over-represented in the local homelessness population, affected how your CoC determined the rating factors used to review project applications;	
	3. how your CoC included persons of different races, particularly those over-represented in the local homelessness population, in the review, selection, and ranking process; and	
	4. how your CoC rated and ranked projects based on the degree to which their project has identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	

(limit 2,500 characters)

- 1.The CoC obtained input and included persons of different races, particularly those over-represented in the local homelessness population, namely Black and Hispanic. There were 7 members of the Review & Ranking Committee and 10 representatives from agencies submitting renewal projects in the FY22 CoC competition who were responsible for the review and ranking process. 24% of those persons are people of color, specifically Black, Hispanic and Indigenous.
- 2.The CoC obtained input and included persons of different races, particularly those over-represented in the local homelessness population, namely Black and Hispanic. All were presented with the scoring tool as provided by HUD and the scoring and assessment tool used locally to decide what changes and updates should be made. Review & Ranking Committee members and project representatives all had the opportunity to provide input. Of that group, 24% were persons of color, specifically Black, Hispanic and Indigenous. The CoC Lead used that input to update the rating factors for the scoring tool for the FY22 CoC competition.
- 3.The CoC obtained input and included persons of different races, particularly those over-represented in the local homelessness population, namely Black and Hispanic. Of the committee that participated in the review, selection and ranking process of the projects, 14% were persons of color, specifically Black, Hispanic and Indigenous.
- 4.The Committee that reviewed and ranked the projects, 14% of which was Black, did not identify any barriers to participation faced by persons of different races and ethnicities. Examination of the projects relative to those barriers persists as we continue to assess racial disparity and inequity in our community.

1E-4.	Reallocation–Reviewing Performance of Existing Projects.	
	NOFO Section VII.B.2.f.	
	Describe in the field below:	
1.	your CoC’s reallocation process, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed;	
2.	whether your CoC identified any projects through this process during your local competition this year;	
3.	whether your CoC reallocated any low performing or less needed projects during its local competition this year; and	
4.	why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.	

(limit 2,500 characters)

1.The Reallocation Assessment Process is the result of CoC planning and the CoC's strategy to end homelessness. Local policy governing project ranking, reallocation, and tiering involves evaluating renewal projects regarding:

- Compliance with HUD requirements;
- Preserving funds for high performing projects; and
- Shifting investments from low performing projects to new projects to advance the goal of reducing homelessness.

The Review & Ranking Committee used a Project Rating Tool to develop a summary Score Sheet of each project. The Score Sheet evaluated the projects based on:

- Project description;
- Funds expended;
- Performance Measures; and
- Whether the project is Low Barrier/Housing First.

Based on the above, a Summary Review narrative was provided to sum up project performance.

2.Through the Reallocation Assessment Process, one project was identified as under-performing based on outcome of funds expended and its Low Barrier score.

3.The low-performing project's funds were not reallocated during this year's local competition because it is a much-needed project, but it was ranked last as a result of the Review and Ranking Process.

4.The CoC did not choose to reallocate the low-performing project's funds during this year's local competition because the project serves Youth and is the only program of its type in the CoC and its surrounding region. The project was ranked last as a result of the Review and Ranking Process. The program changed from serving all male Youths to serving Youth of all genders in the current program year to boost utilization rates.

1E-4a.	Reallocation Between FY 2017 and FY 2022.	
	NOFO Section VII.B.2.f.	

	Did your CoC cumulatively reallocate at least 20 percent of its ARD between FY 2017 and FY 2022?	No

	NOFO Section VII.B.2.g.	
	You must upload the Notification of Projects Rejected-Reduced attachment to the 4B. Attachments Screen.	

1.	Did your CoC reject or reduce any project application(s)?	No
2.	Did your CoC inform applicants why their projects were rejected or reduced?	No
3.	If you selected Yes for element 1 of this question, enter the date your CoC notified applicants that their project applications were being rejected or reduced, in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. 2A-4.	Comparable Database for DV Providers–CoC and HMIS Lead Supporting Data Collection and Data Submission by Victim Service Providers.	
	NOFO Section VII.B.3.b.	

	In the field below:	
1.	describe actions your CoC and HMIS Lead have taken to ensure DV housing and service providers in your CoC collect data in databases that meet HUD's comparable database requirements; and	
2.	state whether your CoC is compliant with the 2022 HMIS Data Standards.	

(limit 2,500 characters)

1.The CoC/HMIS Lead communicates with the DV shelter provider often. The DV provider is present at Homeless Service Providers Coalition and Mayor's Task Force to End Homelessness monthly meetings, and the HMIS Lead advised him to join the national HMIS Lead/System Admin group. The Victim Service Provider domestic violence shelter uses a comparable HMIS database called EmpowerDB to collect de-identified aggregate data on its clients. Over the past year, the VSP that uses EmpowerDB requested assistance from the CoC/HMIS Lead to assess its current HMIS and compare it to other vendors' products. After several conversations between the provider and other vendors and the provider and the CoC/HMIS Lead, the VSP elected to remain with EmpowerDB as the vendor assured the provider that their system would comply with HUD Data Standards updates.

2.The CoC uses CaseWorthy as the HMIS vendor and The Victim Service Provider domestic violence shelter uses a comparable HMIS database called EmpowerDB to collect de-identified aggregate data on clients. CaseWorthy and EmpowerDB are both in compliance with 2022 HMIS Data Standards and are able to meet all reporting requirements.

2A-5.	Bed Coverage Rate—Using HIC, HMIS Data—CoC Merger Bonus Points.	
	NOFO Section VII.B.3.c. and VII.B.7.	

Enter 2022 HIC and HMIS data in the chart below by project type:

Project Type	Total Beds 2022 HIC	Total Beds in HIC Dedicated for DV	Total Beds in HMIS	HMIS Bed Coverage Rate
1. Emergency Shelter (ES) beds	248	5	243	100.00%
2. Safe Haven (SH) beds	0	0	0	
3. Transitional Housing (TH) beds	24	0	0	0.00%
4. Rapid Re-Housing (RRH) beds	94	0	13	13.83%
5. Permanent Supportive Housing	191	0	172	90.05%
6. Other Permanent Housing (OPH)	0	0	0	

2A-5a.	Partial Credit for Bed Coverage Rates at or Below 84.99 for Any Project Type in Question 2A-5.	
	NOFO Section VII.B.3.c.	

For each project type with a bed coverage rate that is at or below 84.99 percent in question 2A-5, describe:

1.	steps your CoC will take over the next 12 months to increase the bed coverage rate to at least 85 percent for that project type; and
2.	how your CoC will implement the steps described to increase bed coverage to at least 85 percent.

(limit 2,500 characters)

1. Transitional Housing Beds: The CoC/HMIS Lead has had discussions with the Fall River Housing Authority to include their Local Housing Authority Transitional Housing Program in HMIS. FRHA has agreed to participate in data entry and wants to enter their transitional housing program's participants into CaseWorthy.

Rapid Re-Housing Beds: The CoC Lead added HomeBase RRH beds to its inventory in order to have an accurate count of RRH beds in the CoC's Housing Inventory Chart and Point-in-Time Count.

2. Transitional Housing Beds: Over the next 4 months, the HMIS Lead will ensure that the FRHA LHATHP program staff will receive training in order to be able to enter accurate data into CaseWorthy.

Rapid Re-Housing Beds: Over the next 6 months, the CoC/HMIS Lead will determine who the responsible agency for recording data on the HomeBase households and will communicate the importance of having accurate recorded data in a common Homeless Management Information System for local decision-making and policy-making. If they are entering data into another HMIS, arrangements will be made to upload from their system to the Fall River CoC HMIS. If uploading data to CaseWorthy is not an option, the HMIS Lead will approach the agency about double data entry into CaseWorthy as well as their own HMIS.

2A-6.	Longitudinal System Analysis (LSA) Submission in HDX 2.0.	
	NOFO Section VII.B.3.d.	

Did your CoC submit LSA data to HUD in HDX 2.0 by February 15, 2022, 8 p.m. EST?	Yes

2B. Continuum of Care (CoC) Point-in-Time (PIT) Count

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2022 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2022 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2B-1.	PIT Count Date.	
	NOFO Section VII.B.4.b	

	Enter the date your CoC conducted its 2022 PIT count.	02/23/2022
--	---	------------

2B-2.	PIT Count Data—HDX Submission Date.	
	NOFO Section VII.B.4.b	

	Enter the date your CoC submitted its 2022 PIT count data in HDX.	04/27/2022
--	---	------------

2B-3.	PIT Count—Effectively Counting Youth.	
	NOFO Section VII.B.4.b.	

	Describe in the field below how during the planning process for the 2022 PIT count your CoC:
1.	engaged stakeholders that serve homeless youth;
2.	involved homeless youth in the actual count; and
3.	worked with stakeholders to select locations where homeless youth are most likely to be identified.

(limit 2,500 characters)

1. During the annual 2022 PIT Count, street teams utilized those familiar with our unsheltered youth on the streets with knowledge of, experience with and insight into youth habits and hangouts including those who work in street outreach programs, healthcare, emergency shelter, peer-to-peer counseling, but the Fall River Public School Department was noticeably absent from the process. From April 4-May 6, 2022, the Massachusetts Coalition for the Homeless conducted a count focused on homeless youth. Led by Catholic Social Services, the regional Unaccompanied Homeless Youth Commission office and operator of the only permanent supportive housing project serving youth in the CoC, engaged local educational institutions, social media, drop-in centers, meal programs, food pantries, shelters and other places where young people congregate to promote the Youth Count.

2. The staff of Francis House (CSS's PSH for youth) worked with youth programs funded by the Executive Office of Health and Human Services in planning and administering the count. The project relied on outreach staff and other community organizations who specialize in serving youth experiencing homelessness to inform about the count. To promote the activities of the outreach team and Youth Count outcomes, youth were offered care kits such as tissues, hand wipes, hand sanitizer, water bottles, etc. Additionally, youth experiencing homelessness and housing instability that completed the 2022 Youth Count Survey received a \$20 cash stipend (via Venmo or CashApp).

3. This process involved intentional engagement with the Youth Advisory Board (YAB) Committee to gain a better understanding on where to locate unaccompanied homeless youth and young adults such as encampments, parks, playgrounds, basketball courts, schools, soup kitchens, and food pantries. YAB members provided coordination assistance for the Youth Count. This included providing input to engaging youth in completing surveys. Members utilized their lived experience in planning and conducting the unsheltered count of young people.

2B-4.	PIT Count—Methodology Change—CoC Merger Bonus Points.	
	NOFO Section VII.B.5.a and VII.B.7.c.	
	In the field below:	
	1. describe any changes your CoC made to your sheltered PIT count implementation, including methodology or data quality changes between 2021 and 2022, if applicable;	
	2. describe any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2021 and 2022, if applicable; and	
	3. describe how the changes affected your CoC's PIT count results; or	
	4. state "Not Applicable" if there were no changes or if you did not conduct an unsheltered PIT count in 2022.	

(limit 2,500 characters)

1. There were no changes to the sheltered PIT Count implementation between 2021 and 2022 other than we received a waiver to conduct the Point-in-Time Count on February 23, 2022 due to a resurgence in COVID-19.
2. With a waiver from HUD, the Fall River CoC conducted an unsheltered PIT Count in February 2022, having been postponed due to a surge of COVID-19 in January. Since 2020, the Fall River CoC has been using a mobile application called Counting Us developed by Simtech Solutions, Inc. The app allows street outreach to conduct paperless interviews and observations of the unsheltered homeless on the streets of our CoC using cell phones and tablets. The PIT Count was taken over the course of seven days from 2/22/2022 – 2/28/2022. The street outreach teams have become larger and more organized and have been able to expand their efforts by incentivizing the homeless to complete surveys in exchange for the provision of goods such as gift cards, clothing, hygiene items and other necessities.
3. The changes in how the unsheltered homeless PIT Count was conducted by increasing the number of street outreach team members resulted in an increase in the number of street homeless persons counted. The outreach workers know most of the unsheltered and had seven days to find them and account for them in the Counting Us app.
4. (See above changes in the unsheltered PIT count.)

2C. System Performance

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2022 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2022 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2C-1.	Reduction in the Number of First Time Homeless--Risk Factors Your CoC Uses.	
	NOFO Section VII.B.5.b.	
	In the field below:	
1.	describe how your CoC determined the risk factors to identify persons experiencing homelessness for the first time;	
2.	describe your CoC's strategies to address individuals and families at risk of becoming homeless; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the number of individuals and families experiencing homelessness for the first time	

(limit 2,500 characters)

1.The CoC identifies the following factors to be indicative of becoming homeless for the first time through the triage and assessment intake process when the individual/family seeks assistance through the Coordinated Entry System: sudden loss of income, untreated chronic illness, substance abuse, disabling condition, domestic violence, rising cost of living. At CE intake, the SPDAT is completed to evaluate for referrals and placements based on vulnerability, past history of homelessness, length of time homeless, etc.

2.Coordinated Entry staff devises creative strategies for diversion and prevention such as having them stay where they stayed the previous night or assisting them to go back to their community of support. Catholic Social Services runs a prevention program to provide crisis intervention and financial assistance to avoid eviction. RAFT provides short-term, limited financial assistance to help eligible families (with a least one child under the age of 21) avoid homelessness by retaining current housing or securing new housing. Tenancy Preservation Program helps disabled tenants facing eviction due to disability-related behavior by developing a plan to maintain tenancy and monitoring the case as long as needed. Community Counseling of Bristol County offers short-term community support to provide intensive case management to Medicaid clients considered at-risk of homelessness. Peer-to-peer recovery service agencies offer support in group or independent settings to avoid behavior and actions that might make a person homeless.

3.Coordinated Entry staff devises creative strategies for diversion and prevention such as having them stay where they stayed the previous night or assisting them to go back to their hometown. Catholic Social Services receives ESG funds for Homelessness Prevention from the City of Fall River and the state of Massachusetts. NeighborWorks Housing Solutions for Southeastern Massachusetts is the regional provider that operates the Residential Assistance for Families in Transition (RAFT). Tenancy Preservation Program, Community Counseling of Bristol County, River to Recovery and Peer-to-Peer all offer crisis intervention to those at-risk of homelessness.

2C-2.	Length of Time Homeless—CoC's Strategy to Reduce.	
	NOFO Section VII.B.5.c.	
	In the field below:	
	1. describe your CoC's strategy to reduce the length of time individuals and persons in families remain homeless;	
	2. describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and	
	3. provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the length of time individuals and families remain homeless.	

(limit 2,500 characters)

1.To reduce length of time homeless, FRCoC implemented Coordinated Entry in 2015. An assessment of the household is done and the SPDAT is completed. CE staff then assesses the results to determine who receives services first. To be efficient and streamlined, CE uses a centralized waitlist and has real-time bed availability. The household is assessed for eligibility/suitability use of RRH funds. Providers assist program participants with mainstream benefit applications and follow-up and job training/referral in order to obtain and sustain housing.

The CoC Board continues to work on the updated action steps to end homelessness:

- Identify issues around discharge planning – who the offenders are, how to decrease occurrences how to enforce Massachusetts discharge planning laws.
- Create volunteer/job opportunities – locate sponsors and a pool of funds to incentivize homeless to volunteer/work, reestablish sense of worth of those who have been out of the workforce for extensive lengths of time, provide them with work experience and a work history.
- Develop approaches to facilitate everyday tasks of the homeless – mobile showers and laundry facilities, receipt of mail, obtaining birth certificates and identification, obtain appropriate attire for job interviews.
- Assist and support the FR Housing Authority to realize a Moving On Strategy to rotate PSH units and open them up for additional clients by providing housing vouchers to 20 eligible PSH participants once vouchers are available again.

2.The SPDAT and the System Performance Measures are used to identify and prioritize those with longest histories of homelessness as well as observations by our Street Outreach workers.

3.The Coordinated Entry System, operated by Catholic Social Services (SPDAT), and CoC Lead (SysPMs).

2C-3.	Exits to Permanent Housing Destinations/Retention of Permanent Housing–CoC's Strategy	
	NOFO Section VII.B.5.d.	
	In the field below:	
	1. describe your CoC's strategy to increase the rate that individuals and persons in families residing in emergency shelter, safe havens, transitional housing, and rapid rehousing exit to permanent housing destinations;	
	2. describe your CoC's strategy to increase the rate that individuals and persons in families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations; and	
	3. provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to increase the rate that individuals and families exit to or retain permanent housing.	

(limit 2,500 characters)

- 1.Strategies to increase the rate at which those in ES, SH, TH & RRH exit to permanent housing destinations include:
 - Effective 4/1/2022, FR Housing Authority established a Limited Homeless Preference by eliminating the rent-burdened preference requirement from its HCVP waiting list: “Families residing or working in Fall River and paying 40% or more of their adjusted income for rent and utilities.” Homeless households are paying at most 30% of their income for rent, therefore never met the criteria of rent-burdened.
 - The CoC assisted and supported FRHA to establish a Moving On program by providing 20 vouchers specifically set-aside for former chronically homeless participants in Fall River Permanent Supportive Housing programs who no longer need supportive services. The program will begin when HCVs are available again.
 - Create volunteer/job opportunities – develop a program to incentivize homeless to volunteer/work, reestablish sense of worth for those unemployed at length, provide them with work experience and work history.
 - Utilize ESG Rapid Re-Housing funds to move individuals and families from shelter to PSH and other permanent housing.
 - Continue to convince private landlords of the benefits of renting to PSH program participants.
 - Provide support services to assist program participants in obtaining and increasing income.
- 2.Strategies to increase the rate at which those in PSH projects, other than RRH, retain PSH or exit to permanent housing destinations include:
 - The CoC assisted and supported FRHA to establish a Moving On program by providing 20 vouchers specifically set-aside for former chronically homeless participants in Fall River Permanent Supportive Housing programs who no longer need supportive services. The program will begin when HCVs are available again.
 - Create volunteer/job opportunities – develop a program to incentivize homeless to volunteer/work, reestablish sense of worth for those unemployed at length, provide them with work experience and work history.
 - Engage the McKinney-Vento School Liaison to identify students in families who need assistance to retain housing.
 - Continue to convince private landlords of the benefits of renting to PSH program participants.
 - Provide support services to assist program participants in obtaining and increasing income.
- 3.CoC Board, Fall River Housing Authority, Coordinated Entry staff, PSH program staff.

2C-4.	Returns to Homelessness—CoC’s Strategy to Reduce Rate.	
	NOFO Section VII.B.5.e.	
	In the field below:	
1.	describe your CoC’s strategy to identify individuals and families who return to homelessness;	
2.	describe your CoC’s strategy to reduce the rate of additional returns to homelessness; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the rate individuals and persons in families return to homelessness.	

(limit 2,500 characters)

1.The indications of Returns to Homelessness run deeper than just the problems of the individual or family who has experienced homelessness. Although mental health and addiction issues are a strong indicator that one may not be able to retain housing, there are issues beyond the control of the homeless that affect housing stability:

- The Cliff Effect refers to the notion that when low-income working families start to earn more, their public benefits are greatly reduced and/or eliminated and they cannot make ends meet without the support.

- The lack of safe, decent, sanitary, affordable housing causes low-income families in desperate need of housing to tolerate lesser living conditions because that is all they can afford. Also, the chance that these rental properties may be condemned is highly probable and out of the renter's control.

- The out-of-control housing market and soaring rental prices are out of reach to the very low income and unaffordable even to the working class.

- The lack of vouchers to make housing more affordable puts more safe, decent, sanitary, affordable housing out of reach of low-income individuals and families. These factors are identified through eviction rates, housing market forecasts, anecdotal evidence from those unstably housed and housing navigators.

2.The CoC's strategy to reduce Returns to Homelessness:

- Utilize ESG Prevention funds to assist individuals and families retain their housing when in crisis.

- Assist and support FRHA to apply for available housing vouchers for homeless/at-risk in the HUD Mainstream Voucher Program. Utilize the vouchers to create a Moving On Strategy. Supportive service agencies will provide case management to the residents who obtain vouchers.

- Engage the McKinney-Vento School Liaison to identify students in families who may be unstable or in crisis.

- Create volunteer/job opportunities/training – develop a program to incentivize homeless to volunteer/work or attend job training, reestablish sense of worth for those unemployed at length, provide them with work with living wages.

- Research HUD-assisted private housing, and create a campaign to encourage private landlords to adopt a homeless preference.

3.CoC Board

2C-5.	Increasing Employment Cash Income–CoC's Strategy.	
	NOFO Section VII.B.5.f.	

	In the field below:
1.	describe your CoC's strategy to access employment cash sources;
2.	describe how your CoC works with mainstream employment organizations to help individuals and families experiencing homelessness increase their cash income; and
3.	provide the organization name or position title that is responsible for overseeing your CoC's strategy to increase income from employment.

(limit 2,500 characters)

1.To increase employment income, the CoC must meet needs to:

- provide opportunities for job training or education (community college, trade schools);
- assist in seeking better job openings in their field;
- assist with resume-building; and
- assist with interviews skills and clothing/materials.

For those who have been out of work for an extended period, or have low job skills/education levels, on-the-job support and communication with employers is key to assist employees with problem-solving and conflict-resolution. In all cases, employment stability and advancement must be promoted. The CoC Board now includes a director of a temporary employment agency as well as organizations willing to provide job/training opportunities to the homeless and formerly homeless population.

2.CoC agencies have policies that employable clients complete employment profiles and obtain job training, and they refer program participants to:

- Secure Jobs program at SER-Jobs assists adults in families in homeless programs to obtain employment.
- HealthFirst, a major healthcare provider, provides training/job opportunities to formerly homeless clients.
- Blount Fine Foods has a corporate office, processing plant, and store/restaurant in/near FRCoC. They have entry-level opportunities and will hire those in recovery.
- Amazon Fulfillment Center offers around 1,000 varying level positions at competitive hourly rates, 401(k), medical, dental, vision.
- Monroe Staffing and Able Associates. Although temporary positions aren't long-term, they provide skill development, work history, links with potential long-term employers.
- MassHire Career Center provides job referral, development, and placement assistance.
- YouthBuild assists at-risk young adults, 16-24, neither in work nor school, by providing education and job opportunities.
- Mass Rehab Commission helps individuals with disabilities live and work independently.
- Ticket to Work program helps SSI/SSDI beneficiaries, 18-64, progress toward financial independence.
- Job fairs provided by temp agencies, restaurant chains, supermarkets, healthcare providers, manufacturing companies, transportation companies, etc.

3. CoC Board

2C-5a.	Increasing Non-employment Cash Income—CoC's Strategy	
	NOFO Section VII.B.5.f.	
	In the field below:	
	1. describe your CoC's strategy to access non-employment cash income; and	
	2. provide the organization name or position title that is responsible for overseeing your CoC's strategy to increase non-employment cash income.	

(limit 2,500 characters)

1.The CoC's strategy to increase non-employment cash income is to have case managers assist clients applying for mainstream unearned income benefits, such as Supplemental Security Income, Social Security Disability Income, health insurance, food assistance (SNAP, WIC, locating food pantries and soup kitchens), Emergency Aid to the Elderly, Disabled and Children. The case manager must also provide assistance with obtaining necessary documents and all other follow-up to obtain maximum mainstream benefits. Case managers are SOAR-trained to increase access to SSI/SSDI for eligible homeless or at-risk adults who have mental illness, medical impairment, and/or co-occurring substance use disorder. Having a SOAR-trained case manager reduces the chance that the client will be rejected when applying for SSI/SSDI. SAMHSA SOAR training consultants provide follow through with additional education and certification to increase the number of SOAR-trained providers and to increase their ability to better navigate the application process.

Program staff can complete applications for insurance, SNAP benefits, and EAEDC benefits at www.virtualgateway.com via www.mass.gov.

Insurance can be applied for at any hospital, major healthcare facility (clinic), and through for profit and non-profit insurance companies (Neighborhood Health Plan, Inc., Boston Medical HealthNet Plan, Fallon Community Health Plan). MassHire Career Center assists with applying for unemployment benefits.

2.CoC and ESG agency staff are responsible to assist their clients to access applications to apply for non-employment cash income. CoC Lead is responsible for introducing the SOAR training consultants to the CoC programs.

3C-2.	Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section VII.C.	

You must upload the Project List for Other Federal Statutes attachment to the 4B. Attachments Screen.

If you answered yes to question 3C-1, describe in the field below:

1.	how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; and
2.	how your CoC will meet requirements described in Section 427(b)(1)(F) of the Act.

4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1.	You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2.	You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3.	We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4.	Attachments must match the questions they are associated with.
5.	Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.
6.	If you cannot read the attachment, it is likely we cannot read it either. . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time). . We must be able to read everything you want us to consider in any attachment.
7.	After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.

Introduction

ABOUT THE REFERENCES CITED IN THE MODEL ADMINISTRATIVE PLAN

AUTHORITIES FOR POLICIES IN THE MODEL ADMINISTRATIVE PLAN

The authority for PHA policies is derived from many sources. Primary among these sources are federal statutes, federal regulations, and guidance issued by HUD. State law also directs PHA policy. State law must be followed where such law exists and does not conflict with federal regulations. Industry practice may also be used to develop policy as long as it does not conflict with federal requirements or prohibitions.

HUD

HUD provides the primary source of PHA policy through federal regulations, HUD notices, and handbooks. Compliance with federal regulations, current HUD notices, and current HUD handbooks is mandatory.

HUD also provides guidance to PHAs through other means such as HUD-published guidebooks, expired HUD notices, and expired handbooks. Basing PHA policy on HUD guidance is optional, as long as PHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, PHA reliance on HUD guidance provides the PHA with a “safe harbor.”

Material posted on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations in various aspects of the program.

State Law

Where there is no mandatory federal guidance, PHAs must comply with state law, if it exists. Where state law is more restrictive than federal law, but does not conflict with it, the PHA should follow the state law.

Industry Practice

Where no law or HUD authority exists on a particular subject, industry practice may support PHA policy. Industry practice refers to a way of doing things or a policy that has been adopted by a majority of PHAs.

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The PHA receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. The PHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW

This part explains the origin of the PHA's creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the Fall River Housing Authority for the jurisdiction of City of Fall River. Although the City of Fall River constitutes the FRHA's principal area of jurisdiction, the FRHA has jurisdiction to administer the HCV program throughout the Commonwealth of Massachusetts.

The officials of a PHA are known as commissioners or, collectively, as the board of commissioners. Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which the PHA conducts business, ensuring that policies are followed by PHA staff and ensuring that the PHA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of the PHA are taken through written resolutions, adopted by the board of commissioners, and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED), hired and appointed by the board of commissioners. The executive director is directly responsible for carrying out the policies established by the board and is delegated the responsibility for hiring, training, and supervising the PHA staff in order to manage the day-to-day operations of the PHA. The executive director is responsible for ensuring compliance with federal and state laws and directives for the programs managed. In addition, the executive director's duties include budgeting and financial planning for the agency.

1-I.C. PHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

FRHA Policy

The PHA's mission is to provide safe, decent, and sanitary housing conditions for very low-income families and to manage resources efficiently. The PHA is to promote personal, economic, and social upward mobility to provide families the opportunity to make the transition from subsidized to non-subsidized housing.

1-I.D. THE PHA'S PROGRAMS

The following programs are included under this administrative plan:

FRHA Policy

The PHA's administrative plan is applicable to the operation of the Housing Choice Voucher program.

1-I.E. THE PHA'S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to HCV program participants, owners, and to the community. The PHA's standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in performance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low-income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational, and other human services needs.
- Promote fair housing and the equal opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA's mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of the PHA's support systems and a high level of commitment to our employees and their development.

The PHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the reader to better understand the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs

be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The PHA is afforded choices in the operation of the program which are included in the PHA's administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA's jurisdiction and may also be eligible to move under portability to other PHAs' jurisdictions.

When a family is determined to be eligible for the program and funding is available, the PHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the PHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The PHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

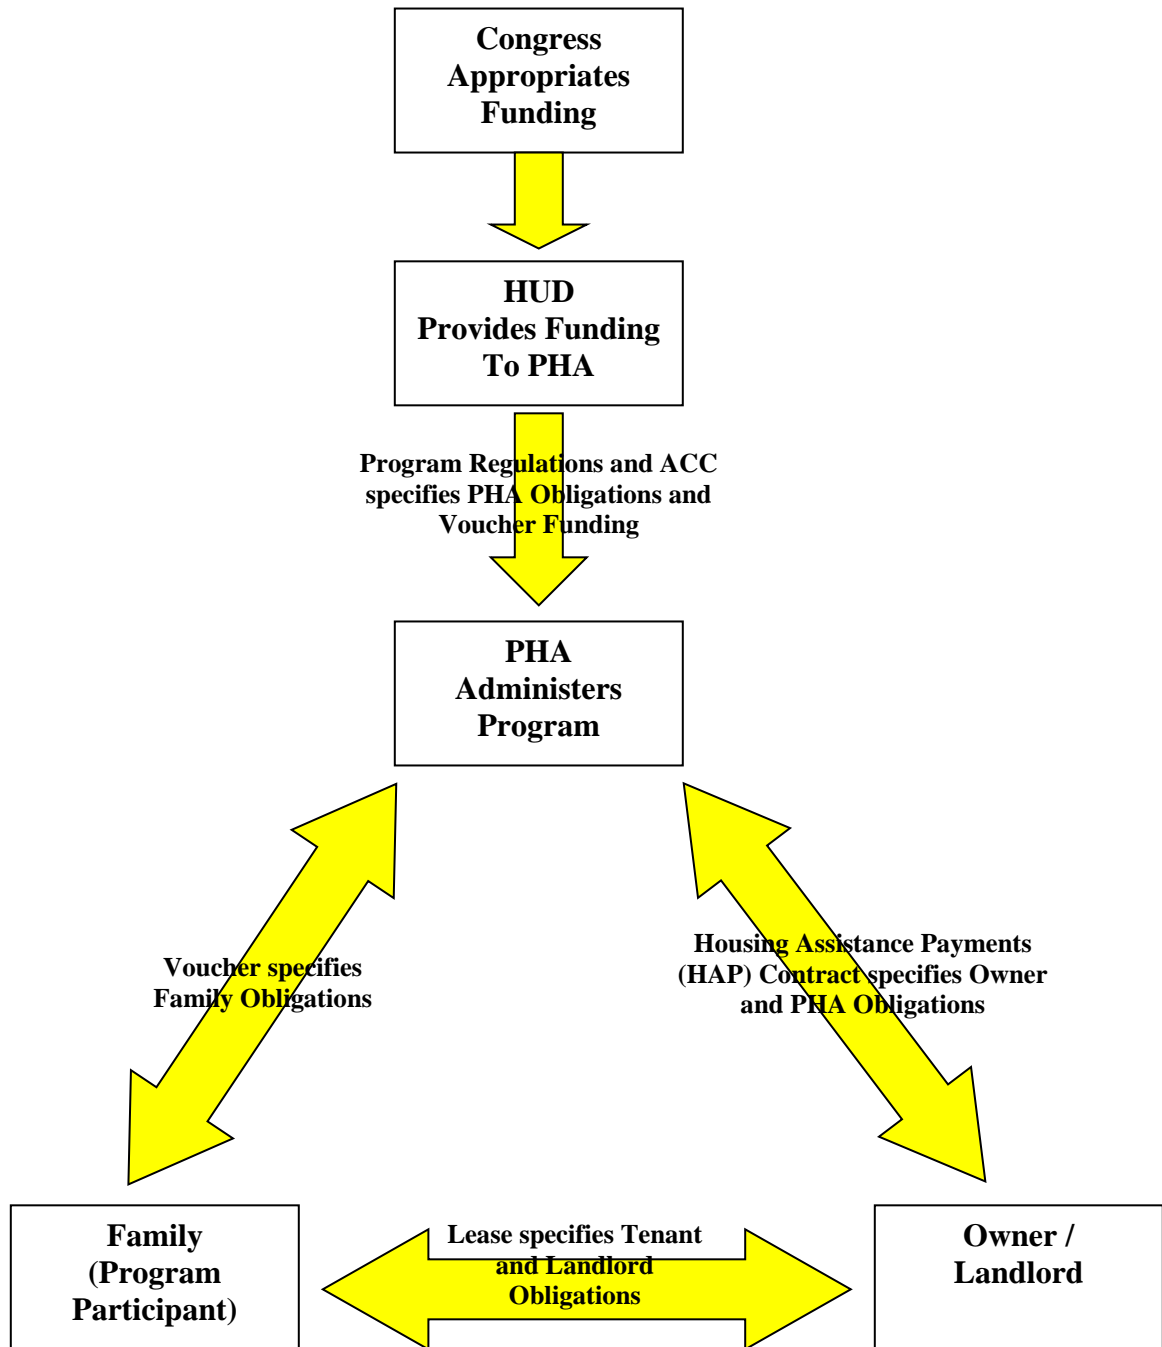

1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the PHA enters into a contractual relationship with HUD (Consolidated Annual Contributions Contract). The PHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the PHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

The HCV Relationships:

What Does HUD Do?

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices, and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

What Does the PHA Do?

The PHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies to administer the program;
- Review applications from interested applicants to determine whether they are eligible for the program;
- Maintain a waiting list and select families for admission;
- Issue vouchers to eligible families and provide information on how to lease a unit;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Recertify families for continued eligibility under the program;
- Ensure that owners and families comply with their contractual obligations;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the PHA's administrative plan, and other applicable federal, state, and local laws.

What Does the Owner Do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine suitability as renters.
 - The PHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
 - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful

enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.

- Comply with the terms of the Housing Assistance Payments contract executed with the PHA;
- Comply with all applicable fair housing laws and do not discriminate against anyone;
- Maintain the housing unit in accordance with Housing Quality Standards (HQS) and make necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

What Does the Family Do?

The family has the following responsibilities:

- Provide the PHA with complete and accurate information as determined by the PHA to be necessary for administration of the program;
- Make their best and most timely efforts to locate qualified and suitable housing;
- Attend all appointments scheduled by the PHA;
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify the PHA and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify the PHA of any changes in family composition;
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

1-II.D. APPLICABLE REGULATIONS

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 100: The Fair Housing Act
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR Part 983: Project-Based Vouchers
- 24 CFR Part 985: The Section 8 Management Assessment Program (SEMAP)

PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's agency plan. This administrative plan is a supporting document to the PHA agency plan, and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the PHA's local policies for operation of the housing programs in accordance with federal laws and regulations. All issues related to the HCV program not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of PHA staff shall be in compliance with the PHA's personnel policy and HUD regulations as well as all federal, state, and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

The HUD regulations at 24 CFR 982.54 define the policies that must be included in the administrative plan. They are as follow:

- Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapter 4);
- Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions of the voucher term. If the PHA decides to allow extensions of the voucher term, the PHA administrative plan must describe how the PHA determines whether to grant extensions, and how the PHA determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);

- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12);
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards, including policies on administering decreases in the payment standard during the HAP contract term (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

Mandatory vs. Discretionary Policy

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to adopt local policies and procedures that are consistent with mandatory policies in areas where HUD gives the PHA discretion. The PHA's administrative plan is the foundation of those policies and procedures. HUD's directions require PHAs to make policy choices that provide sufficient guidance to staff and ensure consistency to program applicants and participants.

Creating policies based upon HUD guidance is not mandatory, but provides a PHA with a “safe harbor.” HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD’s safe harbor, but PHAs should carefully think through those decisions.

1-III.C. ORGANIZATION OF THE PLAN

The plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN

The PHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

FRHA Policy

The PHA will review and update the plan as needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the PHA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of the PHA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012 and further clarified in Notice PIH 2014-20
- Violence Against Women Reauthorization Act of 2013 (VAWA)

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

FRHA Policy

It is the policy of the Fall River Housing Authority (FRHA) to fully comply with all Federal, State and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964 and the implementing regulations at 24 CFR §1;
- Title VIII of the Civil Rights Act of 1968 (as amended by the Fair Housing Amendment Act of 1988);
- Executive Order 11063 on Equal Opportunity in Housing and the implementing regulations at 24 CFR § 107;
- Section 504 of the Rehabilitation Act of 1973 and the implementing regulations at 24 CFR §8;

- Age Discrimination Act of 1975 and the implementing regulations at 24 CFR § 146; and at 24 CFR § 100,108,110, and 12; and
- Title II of the Americans with Disabilities Act and the implementing regulations at 28 CFR §35 and MGL Ch. 151B.

When more than one civil rights law applies to a situation, the laws will be read and applied together. Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as PHA policies, can prohibit discrimination based on other factors.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

The PHA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12].

FRHA Policy

The PHA does not identify any additional protected classes.

The PHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a

protected class

- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

Providing Information to Families and Owners

The PHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the PHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

Discrimination Complaints

If an applicant or participant believes that any family member has been discriminated against by the PHA or an owner, the family should advise the PHA. The PHA should make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action. In addition, the PHA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

Upon receipt of a housing discrimination complaint, the PHA is required to:

- Provide written notice of the complaint to those alleged and inform the complainant that such notice was made
- Investigate the allegations and provide the complainant and those alleged with findings and either a proposed corrective action or an explanation of why corrective action is not warranted
- Keep records of all complaints, investigations, notices, and corrective actions [Notice PIH 2014-20]

FRHA Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify the PHA either orally or in writing.

Within 10 business days of receiving the complaint, the PHA will provide a written notice to those alleged to have violated the rule. The PHA will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated the rule, as well as information on how to complete and submit a housing discrimination complaint form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

The PHA will attempt to remedy discrimination complaints made against the PHA and will conduct an investigation into all allegations of discrimination.

Within 10 business days following the conclusion of the PHA's investigation, the PHA will provide the complainant and those alleged to have violated the rule with findings and either a proposed corrective action plan or an explanation of why corrective action is not warranted.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA's programs and services. This responsibility begins with the first contact by an interested family and continues through every aspect of the program.

FRHA Policy

Fall River Housing Authority is covered by Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, Titles II and III, the Fair Housing Act and Massachusetts Chapter 151B as well as other state and local fair housing acts which require reasonable accommodation to persons with disabilities as defined in those laws.

FRHA shall notify HCVP Applicants, Voucher Holders and Participants of their right to request a Reasonable Accommodation at the time of application for assistance, program admission, and termination.

In addition to the name and contact information of the FRHA staff person responsible for processing RA requests, the following statement will appear on all HVCP application forms, program briefing materials, reexamination documents, and notices of adverse action: *"If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority."*

Important public notices and other housing information will be posted at FRHA office locations in a manner that is readily seen by all persons with disabilities. Such notices will also be available in other formats for persons who cannot read them.

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

Types of Reasonable Accommodations

When needed, the PHA will modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the PHA range) if the PHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit

- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff.

FRHA Policy

The Fall River Housing Authority will make a reasonable accommodation for people with disabilities when an accommodation is necessary to ensure equal access to FRHA, its amenities, services, and programs. Herein the term “reasonable accommodation” (RA) is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV Program.

While this policy applies when HCV Participants ask FRHA to alter its policies, rules, and practices as a reasonable accommodation, it does not apply to Participants’ requests for physical changes to their units or changes to their landlords’ policies, rules, and practices.

Determining “reasonableness”

Accommodations shall be considered “reasonable” up to the point of

- Structural infeasibility,
- Undue financial and/or administrative burden, or
- Requiring a fundamental alteration to the housing program.

When a requested accommodation falls outside the scope of “reasonableness”, FRHA shall engage in an interactive dialogue with the Applicant/Participant to explore and discuss reasonable alternatives.

Defining “fundamental alteration”

A “fundamental alteration” is a modification that would cause the agency to act outside of its primary purpose as a provider of subsidized housing. For example, requests for childcare, nursing services, or other services not directly related to rental assistance would require fundamental alterations of the HCV Program and would therefore not be reasonable. Likewise, any request that would require FRHA to operate contrary to the requirements placed upon it by law or regulation would also be considered a fundamental alteration.

Necessary “Nexus”

There must be an identifiable relationship (or “nexus”) between a family member’s disability and a requested accommodation showing that the accommodation may be necessary to provide the family member with an equal opportunity to use and enjoy FRHA housing or programs.

In other words, a requested accommodation needs to help lessen or eliminate difficulties to program participation or enjoyment caused by the disability. If no such relationship between family member’s disability and the requested accommodation can be identified, FRHA will deny the accommodation.

2-II.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA's programs and services.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable connection, or nexus, between the requested accommodation and the individual's disability.

FRHA Policy

A family does not need to mention any law, policy, or use any specific words, such as "reasonable accommodation" to request an RA. However, the family must make the request in a manner that a reasonable person would understand to be a request for an exception, change, or adjustment to a rule, policy, practice, or service because of a disability.

Who can request a Reasonable Accommodation?

The family member with disabilities does not need to personally make the RA request; the request can be made by a family member or someone else acting on his/her behalf. FRHA may request proof that a third party has the family member's consent and/or legal authority to assist in such matters.

Using FRHA's Forms

FRHA shall make forms available for RA requests. While not required, these forms may make the RA process faster and simpler for both the family and FRHA. They include the "Request for Reasonable Accommodation", "Consent to Release Information", and "Providers Verification of Need" form.

HCVP Applicants and Participants may obtain copies of these forms at the Leased Housing Department offices located at Cardinal Medeiros Tower (Level C), 1197 Robeson Street, Fall River. FRHA will assist families who require assistance in reading, filling out, submitting, or understanding FRHA's RA forms and, if necessary, shall accept requests in alternate formats to accommodate a requestor's disability. Verbal requests are also accepted, though may sometimes be insufficient in gathering necessary details, so written requests are preferred.

Documentation Requirements

- The following types of requests will not require documentation for approval:
- Simple routine requests, such as assistance with reading or completing forms,
- Requests where the disability and need are obvious or known to FRHA, such as sign language interpreters, alternate format requests, etc.,

When the disability, accommodation, or the nexus between them is not obvious or known, FRHA will request third-party verification from the attending medical or service provider prior to making a determination.

2-II.D. VERIFICATION OF DISABILITY

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to the PHA's programs and services.

If a person's disability is obvious or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA will not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.
- In the event that the PHA does receive confidential information about a person's specific diagnosis, treatment, or the nature or severity of the disability, the PHA will dispose of it. In place of the information, the PHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].

FRHA Policy

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for purposes of a reasonable accommodation follows the definition in Section 504, the ADA, the federal Fair Housing Act, Massachusetts Chapter 151b and any other applicable statutes: "a person with a physical or mental impairment that substantially limits one or more activities of daily living,

has a history of such an impairment or is regarded as having such an impairment”

Documentation must come from a reliable source with sufficient professional and personal knowledge of the applicant to answer the applicable questions. It is the family’s responsibility to secure such documentation. FRHA strongly recommends that families use the “Provider Verification of Need” form to avoid delays. FRHA has the right to request sufficient documentation to make a decision but does not have a right to ask about a person’s diagnosis, medical history or treatment.

Confidentiality. Information requested shall be limited only to what is needed to make a Reasonable Accommodation determination. All medical documentation related to RA requests shall be handled with the utmost sensitivity and confidentiality. To protect the individual’s right to privacy, petitioners are advised to place medically sensitive documents in a sealed envelope and send them to the direct and exclusive attention of the Reasonable Accommodation Coordinator.

2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [JOINT STATEMENT OF THE DEPARTMENTS OF HUD AND JUSTICE: REASONABLE ACCOMMODATIONS UNDER THE FAIR HOUSING ACT, NOTICE PIH 2010-26].

The PHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA’s HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of the PHA’s program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

FRHA Policy

Processing Requests. Reasonable Accommodation requests for the HCV Program will be reviewed and processed by the FRHA Compliance Officer, who has been designated to serve as Reasonable Accommodation (RA) Coordinator for the Leased Housing Department.

Upon receipt of all completed forms, verifications, and information necessary and relevant to make a determination, the RA Coordinator will review and consider all available facts prior to rendering a decision that conforms with purpose and scope of this policy and all

applicable federal and state regulations and statutes.

Engaging in Interactive Dialogue. When a request extends beyond the agency's scope of what is considered "reasonable" (see: Section 2.II.B of this policy), the RA Coordinator shall engage in an interactive dialogue with the petitioner to discuss alternative options that would adequately accommodate their disability-related need. Interactive dialogue may take the form of a telephone conversation, e-mail exchange, in-person meeting, video conference or other accessible format conducive to holding such discussions. The RA Coordinator shall make every effort to arrange such discussions as soon as possible and at a mutually agreed-upon time for all parties.

The petitioner may invite an advocate, service provider, or anyone they think would be beneficial to participate in the discussion. LEP persons may request a language interpreter prior to the discussion and FRHA will provide one free of charge.

Notification of Decision. In cases where the disability and need are obvious and known, the RA Coordinator shall notify the petitioner in writing of the outcome of his/her request within 15 business days of receiving the request.

In cases where the disability and need are not obvious or known, the RA Coordinator shall notify the petitioner in writing of the outcome of his/her request within 15 business days of receiving all verifications needed to render a decision.

Notifications of Denial any requested accommodation request shall:

1. Include FRHA's reason(s) for denying the request;
2. Inform the petitioner of his/her right to request an Informal Review; and
3. The procedure and deadline for exercising that right.

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the PHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the PHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

FRHA Policy

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the PHA's responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the PHA will include a current list of available accessible units known to the PHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of the PHA's informal review process and their right to request an informal review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family's assistance is terminated, the notice of termination must inform them of the PHA's informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, the PHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the PHA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation.

PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the Federal Register.

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.

2-III.B. ORAL INTERPRETATION

The PHA will offer competent interpretation services free of charge, upon request, to the LEP person.

FRHA Policy

The PHA will utilize a language line for telephone interpreter services. When exercising the option to conduct remote briefings, informal reviews, or hearings, however, the PHA will coordinate with a remote interpretation service which, when available, uses video conferencing technology rather than voice-only interpretation.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the PHA. The PHA, at its discretion, may choose to use the language services even when LEP persons desire to use an interpreter of their choosing. The interpreter may be a family member or friend. If the interpreter chosen by the family is a minor, the PHA will not rely as on the minor to serve as the interpreter.

The PHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible and possible, according to its language assistance plan (LAP), the PHA will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents.

2-III.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

FRHA Policy

In order to comply with written-translation obligations, the PHA will take the following steps:

The PHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the PHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

2-III.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, the PHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the PHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the PHA’s Housing Choice Voucher program and services.

FRHA Policy

If it is determined that the PHA serves very few LEP persons, and the PHA has very limited resources, the PHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If the PHA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the PHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

Chapter 3

ELIGIBILITY

INTRODUCTION

The PHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

The applicant family **must**:

- Qualify as a family as defined by HUD and the PHA.
- Have income at or below HUD-specified income limits.
- Qualify on the basis of citizenship or the eligible immigrant status of family members.
- Provide social security number information for household members as required.
- Consent to the PHA's collection and use of family information as provided for in PHA-provided consent forms.

The PHA **must**:

- Determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause the PHA to deny assistance.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c); FR Notice 02/03/12; Notice PIH 2014-20]

The terms *family* and *household* have different meanings in the HCV program.

Family

To be eligible for assistance, an applicant must qualify as a family. *Family* as defined by HUD includes, but is not limited to the following, regardless actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, disabled person, near-elderly person, or any other single person; or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. The PHA has the discretion to determine if any other group of persons qualifies as a family.

Gender Identity means actual or perceived gender characteristics.

Sexual orientation means homosexuality, heterosexuality, or bisexuality.

FRHA Policy

The FRHA definition of “*family*” is consistent with 24 CFR 5.403 and includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

- A single person who may be an elderly person, displaced person, disabled person, near elderly person or any other single person.
- A household of two or more persons related by blood, marriage, adoption or affinity intending to share residency whose income and resources are available to meet the family’s needs which includes but is not limited to:
 - A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family)
 - An elderly family
 - A near-elderly family
 - A disabled family

- A displaced family
- A remaining member of a tenant family.

Household

Household is a broader term that includes additional people who, with the PHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

FRHA Policy

Separate from the FRHA definition of family, "household" includes the family and potentially other people as well. Live-in aides, foster children and foster adults all qualify as household members, but are not considered family members.

3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY

Family Breakup [24 CFR 982.315; Notice PIH 2017-08]

Except under the following conditions, the PHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault, and stalking, see section 16-IX.D of this plan.)

In accordance with Notice PIH 2017-08, for HUD–Veterans Affairs Supportive Housing (HUD–VASH) vouchers, when the veteran is the perpetrator of domestic violence, dating violence, sexual assault, or stalking, the victim must continue to be assisted. Upon termination of the perpetrator's HUD–VASH voucher, the victim should be given a regular HCV if one is available, and the perpetrator's HUD–VASH voucher should be used to serve another eligible family. If a regular HCV is not available, the victim will continue to use the HUD–VASH voucher, which must be issued to another eligible family upon the voucher's turnover.

If a court determines the disposition of property between members of the assisted family, the PHA is bound by the court's determination of which family members continue to receive assistance.

FRHA Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

In the absence of a judicial decision or an agreement among the original family members, the PHA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, the PHA will take into consideration the following factors: (1) the interest of any minor children, including

custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault, or stalking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; and (5) the recommendations of social service professionals.

Remaining Member of a Tenant Family [24 CFR 5.403]

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

FRHA Policy

FRHA defines “*Remaining Member of a Tenant Family*” as a family member who has been an authorized occupant of the unit for at least 12 consecutive months prior to becoming the only family member still residing in the unit.

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

Head of household means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

FRHA Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

Spouse means the marriage partner of the head of household.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

Minors who are emancipated under state law may be designated as a cohead.

Other adult means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

3-I.F. DEPENDENT [24 CFR 5.603]

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a dependent allowance as described in Chapter 6.

FRHA Policy

FRHA defines “Dependent” as a family member (except foster children and foster adults) other than the Head of Household, Co-Head of Household, Spouse, or Emancipated Minor who is under 18 years of age, or is a Disabled Person, or is a Full-time student.

Joint Custody of Dependents

FRHA Policy

Joint Custody of Dependents. Dependents that are subject to a joint custody agreement must reside in the household at least 50% of the time to be considered members of the household for the purposes of occupancy standards and dependent allowances. “50% of the time” is defined as 183 days of the year, which do not have to run consecutively.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents.

In the absence of a formal custody arrangement, FRHA will make the determination based on available documents (i.e., public assistance, social security, income tax return, etc.) showing which family has claimed the child for income tax purposes.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent allowance, and (2) the earned income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403, FR Notice 02/03/12]

Elderly Persons

An *elderly person* is a person who is at least 62 years of age.

Near-Elderly Persons

A *near-elderly person* is a person who is 50-61 years of age.

Elderly Family

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because elderly families qualify for the elderly family allowance as described in Chapter 6.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

Persons with Disabilities

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

Disabled Family

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for the disabled family allowance as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, this does not prevent the PHA from denying assistance for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter, or from terminating assistance in accordance with the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has expressed or implied authority to so consent.

FRHA Policy

A guest can remain in the assisted unit no longer than a total of 14 cumulative calendar days during any 12-month period.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 50 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure.). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term *foster child* is not specifically defined by the regulations.

Foster children and foster adults who are living with an applicant or who have been approved by the PHA to live with a participant family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

FRHA Policy

A *foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent

FRHA Policy

Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy may be considered on a case-by-case basis.

Absent Students

FRHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

FRHA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. The child will be counted as a family member as long as the plan for reunification does not exceed 180 consecutive days. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

FRHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

FRHA Policy

The PHA will request verification of the family member's permanent absence from a responsible medical professional. If the responsible medical professional cannot provide a determination, the person will be considered temporarily absent. If the family certifies that the family member is confined on a permanent basis, they may present, and the PHA will consider any additional documentation or evidence.

Return of Permanently Absent Family Members

FRHA Policy

The family must request PHA approval for the return of any adult family members that the PHA previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

3-I.M. LIVE-IN AIDE

A *live-in aide* is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The income of a live-in aide is not counted in the calculation of annual income for the family [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining

a live-in aide. Because live-in aides are not *family* members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family.

FRHA Policy

A family's request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services

The PHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person does not pass a criminal background (CORI) check.
- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person commits drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The PHA will notify the family of its decision in writing within 15 business days of receiving a request for a live-in aide, including all required documentation related to the request. The Live-in aid is not entitled to the voucher as a remaining household member.

PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the *Federal Register*. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

FRHA Policy

Families meeting FRHA income qualifications are those whose Annual Income at the time of Admission, does not exceed the income limits for occupancy established by HUD. These income limits do not apply to families who are Continuously Assisted.

FRHA posts Income Limits separately in FRHA offices and on its web site fallriverha.org.

Using Income Limits for Eligibility [24 CFR 982.201]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. In order to be income eligible, an applicant family must be one of the following:

A very low-income family

A low-income family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

FRHA Policy

Continuously Assisted families are not subject to the targeting requirements described in this section and need not be at 50% of Area Median Income or below to be eligible, provided their income is low enough to qualify for some level of subsidy assistance.

FRHA considers a family to be “Continuously Assisted under the 1937 Housing Act” if the Family is already receiving assistance under any 1937 Housing Act program when the Family is admitted to the HCV program.

A brief interruption between assistance under one of these programs and Admission to the HCV program shall not be considered a break in the continuity of assistance as long as:

- The Family was qualified to enter the subsequent program at the time participation in the prior program was terminated; and
- The interruption of assistance was not caused by the Family's willful violation of program regulations; or
- The termination of assistance under the earlier program was not due to the Family's violation of program regulations.

Using Income Limits for Targeting [24 CFR 982.201]

At least 75 percent of the families admitted to the PHA's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.

FRHA Policy

The FRHA will conduct *income targeting* as required by applicable law to ensure that 75% of all Section 8 tenant-based program waiting list Admissions go to Extremely Low-Income Families (those with incomes at or below 30% of the area median income). Income targeting requirements do not apply to Special Admissions (see Chapter 4.II.B).

FRHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

HUD permits the PHA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with the PHA plan and the consolidated plans for local governments within the PHA's jurisdiction.

FRHA Policy

The PHA has not established any additional categories of eligible low-income families.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a passport.

FRHA Policy

Family members who declare citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

Eligible Noncitizens

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children

who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to the PHA in accordance with program requirements [24 CFR 5.512(a)].

FRHA Policy

The PHA will not provide assistance to a family before the verification of the eligibility of at least one family member.

When a PHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within ten (10) business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an Informal Review with FRHA.

The Informal Review may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the Informal Review process.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, the PHA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

FRHA Policy

The PHA will verify the citizenship status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

Note: These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

FRHA Policy

Families must for each participant, except those age 62 or older as of January 31, 2010, whose initial determination was begun before January 31, 2010, disclose and provide verification of Social Security Numbers (SSN) for all family members prior to admission, if they have been issued a number by the Social Security Administration. This includes foster children, foster adults and live-in aides. This requirement also applies to persons joining the family after admission to the program.

- *Penalties.* Pursuant to 24 CFR 5.216 and 5.218, and Notice PIH 2012-10, FRHA must deny admission or terminate the family's assistance, or both, if the family submits falsified SSN documentation. The Head of Household may not remove a household member from the family composition to avoid these penalties. Prorated assistance is not permitted in this situation.
- *Exemptions.* Individuals who do not contend eligible immigration status ("non-contending" family members in a mixed family paying prorated rent) are exempt from the Social Security Number requirement.
- *Youth.* A child's SSN must be disclosed within 90 days of the child's addition to the household. An additional 90 days will be granted if FRHA determines that failure to comply was outside the control of the resident or was due to unforeseen circumstances.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230; HCV GB, p. 5-13]

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy

Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

3-ILE. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, the PHA will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

Dependent Child

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

Independent Student

FRHA Policy

The PHA will consider a student "*independent*" from his or her parents and the parents' income will not be considered when determining the student's eligibility if the following four criteria are all met:

- The individual is of legal contract age under state law.

- The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education's definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

- The individual is at least 24 years old by December 31 of the award year for which aid is sought
- The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older
- The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence
- The individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes
- The individual is a graduate or professional student
- The individual is married
- The individual has one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)
- The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:
 - A local educational agency homeless liaison
 - The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director
 - A financial aid administrator
- The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances
- The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.
- The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If the PHA determines that an individual meets the definition of a *vulnerable youth* such a determination is all that is necessary to determine that the person is an *independent student* for the purposes of using only the student's income for determining eligibility for assistance.

The PHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

Institution of Higher Education

The PHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

Parents

FRHA Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

Person with Disabilities

The PHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

Veteran

FRHA Policy

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Vulnerable Youth

FRHA Policy

A *vulnerable youth* is an individual who meets the U.S. Department of Education's definition of *independent student* in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:

- The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older
- The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence
- The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:
 - A local educational agency homeless liaison
 - The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director
 - A financial aid administrator

Determining Student Eligibility

If a student is applying for assistance on his/her own, apart from his/her parents, the PHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the PHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

FRHA Policy

For any student who is subject to the 5.612 restrictions, the PHA will:

- Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program
- Determine whether the student is independent from his/her parents in accordance with the definition of independent student in this section
- Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If the PHA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, the PHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

Determining Parental Income Eligibility

FRHA Policy

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, the PHA will determine the income eligibility of the student's parents as follows:

- If the student's parents are married and living together, the PHA will obtain a joint income declaration and certification of joint income from the parents.
- If the student's parent is widowed or single, the PHA will obtain an income declaration and certification of income from that parent.
- If the student's parents are divorced or separated, the PHA will obtain an income declaration and certification of income from each parent.
- If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, the PHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. The PHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, the PHA will use the income limits for the jurisdiction in which the parents live.

PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance. In this section we will discuss other situations and circumstances in which denial of assistance is mandatory for the PHA, and those in which denial of assistance is optional for the PHA.

While the regulations state that the PHA must prohibit admission for certain types of criminal activity and give the PHA the option to deny for other types of previous criminal history, more recent HUD rules and OGC guidance must also be taken into consideration when determining whether a particular individual's criminal history merits denial of admission.

When considering any denial of admission, PHAs may not use arrest records as the basis for the denial. Further, HUD does not require the adoption of "One Strike" policies and reminds PHAs of their obligation to safeguard the due process rights of applicants and tenants [Notice PIH 2015-19].

HUD's Office of General Counsel issued a memo on April 4, 2016, regarding the application of Fair Housing Act standards to the use of criminal records. This memo states that a PHA violates the Fair Housing Act when their policy or practice has an unjustified discriminatory effect, even when the PHA had no intention to discriminate. Where a policy or practice that restricts admission based on criminal history has a disparate impact on a particular race, national origin, or other protected class, that policy or practice is in violation of the Fair Housing Act if it is not necessary to serve a substantial, legitimate, nondiscriminatory interest of the PHA, or if that interest could be served by another practice that has a less discriminatory effect [OGC Memo 4/4/16].

PHAs who impose blanket prohibitions on any person with any conviction record, no matter when the conviction occurred, what the underlying conduct entailed, or what the convicted person has done since then will be unable to show that such policy or practice is necessary to achieve a substantial, legitimate, nondiscriminatory interest. Even a PHA with a more tailored policy or practice that excludes individuals with only certain types of convictions must still prove that its policy is necessary. To do this, the PHA must show that its policy accurately distinguishes between criminal conduct that indicates a demonstrable risk to resident safety and property and criminal conduct that does not.

Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list

- Denying or withdrawing a voucher

- Not approving a request for tenancy or refusing to enter into a HAP contract

- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)

Where a family lives prior to admission to the program

Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside the PHA's jurisdiction under portability. (See Chapter 10.)

Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock

Whether the family includes children

Whether a family decides to participate in a family self-sufficiency program

Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking if the applicant is otherwise qualified for assistance (See section 3-III.G.)

3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]

HUD requires the PHA to deny assistance in the following cases:

Any member of the household has been evicted from federally-assisted housing in the last three years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

FRHA Policy

FRHA will admit an otherwise-eligible family who was evicted from federally assisted housing within the past three years for drug-related criminal activity if it determines:

- That the evicted family member who engaged in the drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the FRHA, or
- That the person who committed the crime is no longer living in the household
- The PHA determines that any household member is currently engaged in the use of illegal drugs.

The PHA determines that any household member is currently engaged in the use of illegal drugs.

FRHA Policy

Currently engaged in is defined as any use of illegal drugs during the previous six months.

The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

FRHA Policy

In determining reasonable cause, the PHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. A record or records of arrest will not be used as the sole basis of determining reasonable cause. The PHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing

Any household member is subject to a lifetime registration requirement under a state sex offender registration program

3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, the PHA to deny assistance for the reasons discussed in this section.

Criminal Activity [24 CFR 982.553]

HUD permits, but does not require, the PHA to deny assistance if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

FRHA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, the family **may** be denied assistance.

- *Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].
- *Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].
- Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

- Criminal activity that may threaten the health or safety of property owners, management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).

- *Immediate vicinity* means within a three-block radius of the premises.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes the PHA to deny assistance based on the family's previous behavior in assisted housing.

Per the alternative requirements listed in the *Federal Register* notice dated December 29, 2014, PHAs are no longer permitted to deny assistance to a family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program [FR Notice 12/29/14].

FRHA Policy

The PHA **will** deny assistance to an applicant family if:

- The family does not provide information that the PHA or HUD determines is necessary in the administration of the program.
- The family does not provide complete and true information to the PHA. Any family member has been evicted from federally assisted housing in the last three years.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt or is current with a re-payment plan with the other PHA prior to being selected from the waiting list.
- If the family has not reimbursed or is not current with a re-payment plan for amounts the PHA paid to an owner under a HAP contract or other amounts owed by the family under the lease.
- The family has breached the terms of a repayment agreement entered into with the PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.
- A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.
 - *Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

- *Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

3-III.D. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

Additionally, PHAs must ask whether the applicant, or any member of the applicant's household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the PHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

FRHA Policy

A criminal background checks are conducted on every adult household member - including live-in aides - who applies for the HCV Program. (Criminal history screening for applicants of State-Assisted Voucher Programs is limited by statute to the Massachusetts Criminal Offense Records Information (iCORI).

FRHA contracts the services of National Credit Reporting (NCR) to conduct Criminal Background Checks on housing applicants. NCR has the unique advantage of being an FBI-approved Channeler and, as such, is able to submit applicant fingerprints to the FBI for processing in accordance with provisions of the National Housing Act of 1937, as amended.

Process for Obtaining FBI Reports

1. The inquiry process begins with adult applicants signing a Fingerprint/Criminal Conviction History Report Release Form.
2. During an applicant's Initial Interview, Tenant Selection staff will scan the fingerprints of all adult household members using FBI-approved fingerprint scanning equipment. The LiveScan® Technologies flat fingerprint scanner electronically captures applicant fingerprints and ensures image quality.
3. The files containing each applicant's fingerprints are then encrypted by LiveScan® Technologies software and submitted directly to NCR via a secure Internet connection.
4. NCR then forwards the request to the FBI in accordance with provisions of the National Housing Act of 1937, as amended.
5. Within 24 hours of submission, FRHA will receive an automated response that will list any criminal record matching the subject's fingerprints or a notification no matches were found.
6. Records may only be accessed by FRHA staff who are designated as Authorized Recipients and who must meet all technical security requirements on the www.myfbireport.com website to view the results.
7. To ensure criminal records are maintained confidentially, not misused or disseminated, and destroyed once the purpose for the record has been accomplished.

Scope of FBI Reports

The FBI Criminal Reports provide information from 3,200 court jurisdictions and over 1,000 law enforcement agencies with one single request. This reduces the amount of time and money spent obtaining such information through multiple search methods. Because the FBI Criminal Report is based upon fingerprint matching, it is more accurate than the Nationwide Criminal Report, which only uses name and birthdate match. Each FBI Reports includes:

- Nationwide Criminal Report (arrest and conviction records for all fifty states)
- County Criminal Report (for all localities in which the applicant has reported residence)
- Nationwide Sex Offender Report
- Terrorist Database

Screening for Suitability as a Tenant [24 CFR 982.307]

The PHA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. The PHA has the authority to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

FRHA Policy

The PHA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. The PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the PHA to provide prospective owners with the family's current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits the PHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

The PHA may not disclose to the owner any confidential information provided to the PHA by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

FRHA Policy

The PHA will not provide any additional information to the owner, such as tenancy history or criminal history, etc.

3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE

Evidence [24 CFR 982.553(c)]

FRHA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)]

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandatory (see Section 3-III.B).

FRHA Policy

The PHA shall institute protocols to assure that its procedures and standards for the review of criminal records in applicant screening are consistently applied. The PHA will consider the following facts and circumstances prior to making its decision:

- The seriousness of the case, especially with respect to how it would affect other residents' safety or property

- The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault, or stalking
- The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future
- Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property. The best evidence of a person's involvement in criminal activity is an official record of the person's conviction in a court of law.
- The PHA will adhere to the following guidelines when reviewing criminal records for applicant screening purposes

CRIMINAL LOOKBACK PERIODS BY CONVICTION TYPE

Disturbing the peace while armed.....	5 years
Use or possession of illegal drug	5 years

If an applicant's criminal record indicates a prior conviction for at least one (1) of the following crimes and the date of conviction falls within the corresponding look-back period for the disqualifying offense, the PHA will deny assistance. Convictions for such crimes prior to the beginning of the look-back period will not serve as grounds for denial of assistance.

While a record of arrest(s) will not be used as the basis for denial, an arrest may, however, trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

- Any statements made by witnesses or the applicant not included in the police report;
- Whether criminal charges were filed;
- Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal; and
- Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity.
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully:
- The PHA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member's Name from the Application

Should the PHA's screening process reveal that an applicant's household includes an individual subject to state lifetime registered sex offender registration, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, the PHA may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 982.552(c)(2)(ii)].

FRHA Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon PHA request.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the PHA will determine whether the behavior is related to the stated disability. If so, upon the family's request, the PHA will determine whether admitting the family as a reasonable accommodation is appropriate. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

3-III.F. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, the PHA will notify the family in writing and schedule a tenant briefing, as discussed in Chapter 5.

If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

FRHA Policy

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

FRHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible the PHA will notify the family in writing of the proposed denial

and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10-day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault or stalking are contained in Section 3-III.G.

3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

The Violence against Women Act of 2013 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD-5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

FRHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the PHA's policies.

While the PHA is not required to identify whether adverse factors that resulted in the applicant's denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform the PHA that their status as a victim is directly related to the grounds for the denial. The PHA will request that the applicant provide enough information to the PHA to allow the PHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The PHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan as well as including a copy of the form HUD-5382. The PHA will request in writing that an applicant wishing to claim protection under VAWA notify the PHA within 14 business days.

Documentation

Victim Documentation [24 CFR 5.2007]

FRHA Policy

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault or stalking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

Perpetrator Documentation

FRHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

- A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit
- Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

(A) General

The term “developmental disability” means a severe, chronic disability of an individual that:

- (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) is manifested before the individual attains age 22;
- (iii) is likely to continue indefinitely;
- (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and
- (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

Individual with Handicaps [24 CFR 8.3]

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
- (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

<p style="text-align: center;">EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION [20 U.S.C. 1001 and 1002]</p>

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

Institution of Higher Education shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

Definition of “Institution of Higher Education” From 20 U.S.C. 1001

- (a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that
 - (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
 - (2) Is legally authorized within such State to provide a program of education beyond secondary education;
 - (3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
 - (4) Is a public or other nonprofit institution; and
 - (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.
- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
 - (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
 - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

Definition of “Institution of Higher Education” From 20 U.S.C. 1002

- (a) Definition of institution of higher education for purposes of student assistance programs
- (1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—
- (A) A proprietary institution of higher education (as defined in subsection (b) of this section);
- (B) A postsecondary vocational institution (as defined in subsection (c) of this section); and
- (C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.
- (2) Institutions outside the United States
- (A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—
- (i) In the case of a graduate medical school located outside the United States—
- (I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and
- (bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or
- (II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

- (ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.
- (B) Advisory panel
 - (i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—
 - (I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and
 - (II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.
 - (ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.
- (C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.
- (D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.
- (3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—
 - (A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;
 - (B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

- (C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or
 - (D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.
- (4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—
- (A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or
 - (B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.
- (5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.
- (6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

- (1) Principal criteria. For the purpose of this section, the term “proprietary institution of higher education” means a school that—
 - (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
 - (B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;
 - (C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;
 - (D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;
 - (E) Has been in existence for at least 2 years; and
 - (F) Has at least 10 percent of the school’s revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.
- (2) Additional institutions. The term “proprietary institution of higher education” also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

- (1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—
 - (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
 - (B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and
 - (C) Has been in existence for at least 2 years.
- (2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the PHA policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

FRHA Policy

Centralized Application and Waiting List

Fall River Housing Authority (FRHA) has elected to utilize the Centralized Application and Waiting List process. The U.S. Department of Housing and Urban Development has encouraged the use of a Centralized Waiting List by Public Housing Authorities (PHAs). In the Commonwealth of Massachusetts, the Centralized Waiting List (CWL) is administered by the Massachusetts Chapter of the National Association of Housing and Redevelopment Officials (MassNAHRO) and its subcontractor AffordableHousing.com (formerly GoSection8.com).

The Centralized Section 8 Housing Choice Voucher (HCV) Waiting List affords FRHA and its clients the following benefits:

- Ease of application process for applicants who may apply at the office of any PHA participating (hereafter "Participating PHA") in the Centralized Waiting List option or online at www.affordablehousing.com.
- Elimination of the procedural hardship on families and administrative burden to the PHA of closing and opening of the Section 8 HCV Waiting List. The Centralized Section 8 HCV Waiting List is maintained as an open waiting list.
- Increase of housing opportunities for families who now have the option of placement at a number of locations throughout the Commonwealth through the submission of a single Preliminary Application.

Opening and Closing the Waitlist

The Centralized Waiting List was opened in January of 2013 and at that time notice of the opening of the Waiting List was published in a local newspaper of general circulation as well as within minority media.

The list has remained open since that date. As individual PHAs join the Centralized Waiting List the individual PHA gives notice by publication in a local newspaper of general circulation and also by minority media and/or other suitable means.

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be

accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

FRHA Policy

Preliminary Application

A single, standardized Preliminary Application for Section 8 HCV Assistance is available at each Participating PHA and online at AffordableHousing.com. A master list of all Participating PHAs is maintained at the office of MassNAHRO, at each Participating PHA and online at www.AffordableHousing.com. Only one (1) Preliminary Application is accepted for each Family¹.

The Preliminary Application captures information about the Family that is required to administer the Section 8 HCV Program and admissions process, such as:

- Applicant name
- City or town where Head of Household and Spouse or Co-Head live and work
- Telephone number
- Head of Household's social security number
- Family Composition (to determine number of bedrooms a Family qualifies for)
- Whether the Family has any Elderly or Disabled members
- Total family income
- Racial and ethnic designation of each family member.

Information regarding preferences adopted by Participating PHAs is also elicited on this Preliminary Application.

MassNAHRO reserves the right to modify the Preliminary Application to change or include other information required or useful to administer the Section 8 HCV Program.

Acceptance of Applications

Paper Application. Preliminary Application forms are available in person between the hours of 9:00 am and 4:00 pm, Monday- Friday at the Leased Housing Department offices on Level C of Cardinal Medeiros Tower located at 1197 Robeson Street, Fall River. Upon request, blank Preliminary Applications may also be mailed or faxed to a Family by a Participating PHA for completion by the Family.

FRHA will only accept paper Preliminary Application forms by mail or hand delivery. FRHA will not accept applications by fax or email.

Upon receipt of a completed paper Preliminary Application, FRHA staff shall mark it with date and the time of submission and provide the Family with a standard receipt evidencing submission of the Preliminary Application.

¹ There is an exception when an application has been rejected by a participating PHA for a reason which may not make the Family ineligible at another participating PHA. The Family may then reapply to the PHA where the application was rejected to be placed on the Waiting List for that participating PHA according to a new date and time. The original application will remain in the system for all other PHAs where the Family could potentially be eligible.

FRHA staff will then enter the information from the Preliminary Application into the Centralized Waiting List.

Online Application. Preliminary Applications may also be submitted online anytime at www.AffordableHousing.com at which time an online receipt is generated.

At time of application, Families are notified that PHAs may have open waiting lists for other subsidized housing programs (i.e., public housing, project-based voucher, or moderate rehabilitation programs, etc.) and if the other program includes units suitable for the applicant, the Family should contact the PHA directly for placement on its respective waiting list(s). Information regarding the availability of many of these program(s) is on the website.

Upon completion of a Preliminary Application, if there is an open waitlist for any other program administered by a Participating PHA for which an applicant family may be eligible and which is operated through AffordableHousing.com, the family will receive automatic notification on the website and by email and may elect to apply instantly online. In this instance there is no need to fill out an additional Preliminary Application.

Updating the Applications

A family may update its Preliminary Application (i.e., change of address) for Section 8 HCV Assistance online at www.AffordableHousing.com or at the office of any Participating PHA regardless of where the original Preliminary Application was submitted.

To update the Preliminary Application through a PHA, a written request must be submitted to the PHA by the family.

In the event of a family break up into two otherwise eligible families, only one family will retain the original Preliminary Application. The second family may submit a new Preliminary Application for assistance which will have a new date and time.

In the absence of a judicial determination with regard to who should retain the original application, the family will generally determine who retains the original Preliminary Application. The PHA will allow the Head of Household to report who remains on the original Preliminary Application to reflect this family decision. However, if MassNAHRO or the PHA is informed that the matter is in dispute they shall make the decision as to who will retain the original Preliminary Application taking into consideration the following factors: (1) The interest of minor children including custody arrangements. (2) The interest of ill, elderly, or disabled family members. (3) The interest of a victim of an occurrence of domestic violence, dating violence, sexual assault, or stalking². (4) The relevant recommendations of social service professionals involved with the family. (5) The Head of Household who is listed on the original application.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could

include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

FRHA Policy

Accessible Facilities and Programs

Facilities and programs used by FRHA applicants and assisted Families shall be made accessible. All FRHA offices, hearing rooms, community rooms and other public spaces will be available for use by residents with disabilities. If these facilities are not already accessible (and located on accessible routes), they will be made accessible so long as this does not impose an undue financial and administrative burden on the authority.

Forms of Communication other than Plain Language Paperwork

At the point of initial contact FRHA staff shall ask all applicants whether they require some form of communication other than plain language paperwork. Some alternatives might include sign language interpretation, having materials explained orally by staff, either in person or by phone, large type materials, having someone (friend, relative or advocate) accompany the applicant to receive, interpret and explain housing materials, etc. FRHA will pay for sign language interpreters for the hearing impaired.

Reasonable Accommodations

Federal disability civil rights laws make it unlawful to refuse to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford persons with disabilities an equal opportunity to use and enjoy a dwelling.

FRHA has implemented a Reasonable Accommodations Policy that is consistent with Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act, Titles II and III; the Fair Housing Act; and Massachusetts Chapter 151B. (See Chapter 2 for a discussion on FRHA Reasonable Accommodations policy).

4-I.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the PHA may need to conduct special outreach

to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

FRHA Policy

The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

Marketing & Outreach

Ongoing marketing of the Section 8 HCV Program to those least likely to apply is a combined effort between the Participating PHAs, MassNAHRO and AffordableHousing.com. Specifically, publication of the initial participation in the Centralized Waiting List is the responsibility of the PHA.

AffordableHousing.com maintains an up-to-date website which includes the following information:

- A description of the Centralized Waiting List and how it operates,
- A list of Participating PHAs,
- Instructions as to how to apply,
- Program eligibility information,
- Online Preliminary Application and printable paper Preliminary Application (available in multiple languages),
- Manner in which to perform a status check and modify a Preliminary Application; and
- Responses to frequently asked questions.

AffordableHousing.com also conducts outreach to advocates and community service agencies and provides free orientations on the online application process. In addition, AffordableHousing.com provides informational postcards as to the application process and where to obtain additional information as well as toll-free live telephone support.

FRHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

PART II: SELECTION FOR HCV ASSISTANCE

4-II.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-II.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding. Examples include:

- (1) A family displaced because of demolition or disposition of a public housing project;
- (2) A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
- (3) For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990 (41 U.S.C. 4101et seq.):
 - (i) A non-purchasing family residing in a project subject to a homeownership program (under 24 CFR 248.173); or
 - (ii) A family displaced because of mortgage prepayment or voluntary termination of a mortgage insurance contract (as provided in 24 CFR 248.165);
- (4) A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
- (5) A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

FRHA Policy

The PHA administers the following types of special admissions:

Enhanced Vouchers

The PHA uses enhanced vouchers to preserve housing units that might otherwise be lost due to housing conversion actions such as mortgage prepayments, project-based opt-outs, HUD enforcement actions, and HUD property disposition. Enhanced vouchers are also known as “sticky” vouchers because the enhanced assistance only applies if the voucher holder stays in the conversion project. If the family moves outside the development, the voucher reverts to a regular voucher and the regular program rules and payment standards apply. Some aspects of the enhanced voucher program are highlighted below. All other conditions are governed by the regular Section 8 Housing Choice Voucher (HCV) program rules and regulations.

- a. **Selection:** In a housing conversion action, HUD provides vouchers with a specific family in mind. The PHA must first use these vouchers to assist those families affected by the conversion, regardless of their presence or position on the regular Section 8 Housing Choice Voucher Centralized waiting list.
- b. **Eligibility:** Only families residing in the project at the time of conversion are eligible for enhanced voucher assistance. For eligibility purposes, time of conversion is the effective date of prepayment or voluntary termination of mortgage insurance.

Eligibility requirements. In preservation-eligible projects, in order to be eligible for enhanced voucher assistance, the resident family must be either:

- A low-income family (including a very low-income family);
- A moderate-income elderly or disabled family; or
- A moderate-income family residing in a low-vacancy area.

HUD determines whether the project where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low-vacancy area. A low-income family is a family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD. A moderate-income family is a family whose annual income is above 80 percent but does not exceed 95 percent of the area median income as determined by HUD. A resident family who does not fall into one of those categories on the effective date of the prepayment or voluntary termination is not eligible for enhanced voucher assistance.

- c. **Vouchers:** Voucher bedroom sizes are based on the PHA’s subsidy standards, regardless of the actual occupied unit. Changes in family composition and succession of family members in enhanced conversion projects will be governed by the same rules that apply to the regular housing choice voucher program.
- d. **Mobility:** Since enhanced vouchers are tenant-based assistance, voucher holders may move as soon as they receive a voucher. Families may move to another unit in the project, outside the project, or outside the PHA’s jurisdiction under portability. If a family moves from the conversion project, the normal payment standard for the jurisdiction applies to the voucher.

- e. **Lease Up:** The PHA may not approve any temporary or short-term leases between the family and the owner. The initial lease term must be for at least one year unless The PHA has determined that a shorter term would improve housing opportunities for the tenant and such shorter term is the prevailing local market practice.
- f. **Payment Standard:** For eligible families that remain in the conversion project, the enhanced voucher payment standard equals the approved gross rent of the occupied unit (subject to rent reasonableness determinations). The normal PHA payment standard does not apply.
- g. **Housing Assistance Payment (HAP):** All Housing Assistance Payments (HAP) contracts for leases at the conversion project may not begin before the effective date of the rent increase (60 days after the conversion date). If a family is income-eligible at the time of conversion but is in a “zero HAP” situation because the total tenant payment is greater than or equal to gross rent, then The PHA must keep a record of family eligibility and will inform the family orally and in writing at the briefing session that should their income decrease or the family’s rent increase within three years of the conversion date, it is the family’s responsibility to contact the PHA if there is a change.
- h. **Tenant Share—Enhanced Minimum Rent:** Families with enhanced assistance remaining in the conversion project must pay at least the rent they were paying at the time of conversion, even if it exceeds 40% of the family’s adjusted monthly income. Families previously receiving project-based or tenant-based assistance must pay at least their past total tenant payment. The enhanced minimum rent only applies if the family remains in the conversion project. The method for calculating the minimum rent changes if the family’s income subsequently decreases to a significant extent (15% or more) from the family’s gross income on the effective date of the eligibility event. In this instance, the family share will be recalculated so the family pays 30% of monthly adjusted income or the percentage of monthly adjusted income actually paid at the time of conversion, whichever is greater. This percentage of income will remain as the family’s enhanced voucher minimum rent regardless of subsequent changes in income.
- i. **Right to Remain:** According to federal law, “a family that receives an enhanced voucher has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family’s right to remain, the family may exercise any judicial remedy that is available under State and/or local law.”
- j. **Over-Housed Families:** A family is “over-housed” if the size of the actual unit occupied exceeds the bedroom size listed on the family’s voucher. Over-housed families (at the time of conversion or at any time afterwards) must move to an appropriate size unit in the conversion project if one is available. Once the PHA determines the family is over-housed, the PHA must inform the family and the owner of the project that the family is in an over-sized unit. The owner must then identify all appropriate size units that are available in the project. The over-housed family must

move to an appropriate size unit in the project if one is available in order to receive enhanced voucher assistance. The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, and one exists and is available for occupancy, the PHA will calculate the family's housing assistance payment for the over-sized unit based on the normally applicable voucher subsidy formula using the applicable payment standard established by the PHA for its voucher program (see 24 CFR §982.402(c) and (d)). The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

If appropriate size unit does not physically exist at the project, but a bedroom size unit is available that is smaller than the family's current unit, the family must move to the smaller bedroom size unit within 30 days. If an appropriate size unit is not currently available for the family in the project, the PHA executes a voucher HAP contract on behalf of the family for the over-sized unit. The enhanced voucher housing subsidy calculation is based on the gross rent for the over-sized unit.

The PHA will maintain a record of enhanced voucher families living in over-sized units and monitor the availability of appropriate size units at the project. The owner must immediately inform the PHA and the family when an appropriate size unit becomes available in the project.

When the PHA is informed that an appropriate size unit is available, the PHA must immediately notify the over-housed family of the availability of the unit and the family must move to the appropriate size unit in 30 days to continue to receive enhanced voucher assistance.

An over-housed family may make a written request to the PHA for an exception to move within the timeframe, because such a move would create an extreme hardship. The request must be received by the PHA within 10 business days of the date of the PHA's notification to move.

If the number of appropriate size units is less than the number of units necessary to accommodate all over-housed families, the PHA will select families living in over-sized units for the longest period to move to appropriately sized units first. Consideration will be given for families with elderly or disabled family members. (PIH Notice 2016-02)

- k. **Rent Increases:** Rent increases are governed by the terms of the lease and any applicable state or local laws. In addition, the owner is not permitted to increase the rent for at least 60 days from the conversion date. If the rent is increased for an enhanced voucher family, the PHA will increase the payment standard to equal the new gross rent.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify

within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

FRHA Policy

The PHA administers the following types of targeted funding:

HUD Veterans Affairs Supportive Housing (HUD-VASH)

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines Housing Choice Voucher rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA). VA provides these services for participating Veterans at VA medical centers (VAMCs) and community-based outreach clinics.

In general, HUD-VASH vouchers are administered in accordance with the HCV tenant-based rental assistance regulations set forth at 24 CFR part 982. However, this section describes the waivers or alternative requirements that are exceptions to the normal HCV requirements.

- a. **Family Eligibility and Selection:** HUD- VASH eligible families are homeless veterans and their families. VAHUD-VASH case managers will refer HUD-VASH eligible families to the PHA for the issuance of vouchers. The PHA must accept such referrals. The PHA does not have the authority to maintain a waiting list or apply local preferences for HUD-VASH vouchers.

VA HUD–VASH case managers will screen all families in accordance with VA screening criteria. The PHA relinquishes its authority to determine the eligibility of families in accordance with regular HCV program rules and PHA policies.

The PHA does not have the authority to screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR §§982.552 and 982.553. However, the one exception to this is that the PHA is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. If the individual that is subject the lifetime registration requirement under a state sex offender program is not the homeless veteran, the family may be served if the family agrees to remove the sex offender from its family composition.

When adding a family member after the HUD–VASH family has been admitted to the program, the rules of 24 C.F.R. § 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular screening criteria in doing so.

In regard to verifying Social Security numbers (SSNs) for homeless veterans and their family members, an original document issued by a federal or state government agency, which contains the name of the individual and the SSN of the individual along with other identifying information of the individual, is acceptable in accordance with 24 C.F.R. § 5.216(g). In the case of the homeless veteran, the PHA shall accept the Certificate of Release or Discharge from Active Duty (DD–214) or the VA-verified Application for Health Benefits (10–10EZ) as verification of SSN and shall not require the veteran to provide a SSN card. These documents shall also be

accepted for proof-of-age purposes in lieu of birth certificates or other PHA-required documentation.

- b. **Termination of Assistance:** A HUD–VASH participant family shall not be terminated after admission, for a circumstance or activity that occurred before admission and was known to the PHA but could not be considered at the time of admission due to the HUD–VASH Operating Requirements. The PHA can terminate the family’s assistance only for program violations that occur after the family’s admission to the voucher program.
- c. **Income Eligibility:** The PHA determines income eligibility for HUD–VASH families in accordance with 24 CFR § 982.201. However, income-targeting requirements do not apply.
- d. **Initial Term of the Voucher:** HUD-VASH vouchers have an initial search term of at least 120 days.
- e. **Initial Lease Term:** To provide a greater range of housing opportunities for HUD–VASH voucher holders, initial leases may be less than 12 months; therefore, both section 8(o)(7)(A) of the 1937 Act (42 U.S.C. 1437f(o)(7)(A)) and 24 CFR 982.309(a)(2)(ii) are waived.
- f. **Ineligible Housing:** HUD–VASH families will be permitted to live on the grounds of a VA facility in units developed to house homeless veterans. Therefore, 24 CFR 982.352(a)(5) and 982.53(a)(2) which prohibits units on the physical grounds of a medical, mental, or similar public or private institution, is waived for that purpose only.
- g. **Mobility and Portability of HUD-VASH Vouchers:** An eligible family that is issued a HUD–VASH voucher must receive case management services provided by the partnering VAMC or Community-Based Outpatient Clinics (“CBOC”). Therefore, special mobility and portability procedures must be established. HUD–VASH participant families may reside only in those jurisdictional areas that are accessible to case management services as determined by VA HUD–VASH case managers at the partnering VAMC or CBOC. If the family no longer requires case management, there are no portability restrictions and normal portability rules apply.
- h. **Case Management Requirements:** As a condition of receiving HCV rental assistance, a HUD–VASH-eligible family must receive the case management services as required from the VAMC or CBOC. Therefore, a HUD–VASH participant family’s HCV assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or CBOC. However, a VAMC or CBOC determination that the participant family no longer requires case management is not grounds for termination of assistance. In such a case, at its option, the PHA may offer the family continued HCV assistance through one of its regular vouchers, to free up the HUD–VASH voucher for another eligible family referred by the VAMC or CBOC. If the PHA has no voucher to offer, the family will retain its HUD–VASH voucher until such time as the PHA has an available voucher for the family.

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-II.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

FRHA Policy

Local Preferences

FRHA has adopted a system of preferences that reflect the values, needs and priorities of both the Authority and the local community. Applicants will be sorted on the waiting list in accordance with any approved Preference. The ranking categories utilized by FRHA for Housing Choice Voucher Program new admissions are outlined below.

a. Category #1: “Moving On” Program

In partnership with the City of Fall River Continuum of Care (CoC), FRHA will set aside a one-time allocation of no less than twenty (20) Housing Choice Vouchers to pilot its “Moving On” initiative.

These vouchers will be made available through the adoption of a Limited Preference for applicants (formerly chronically homeless) who currently occupy Permanent Supportive Housing (PSH) and have been identified by the Fall River CoC as ready to “move on” from transitional housing after achieving stability in PSH. Qualifying applicants will be given absolute preference over all other HCV applicants on the waiting list until the target number of allocated vouchers (20) has been reached.

Once all set-aside vouchers under this preference have been issued and leased, no additional Moving On vouchers shall be issued until a participant admitted under this preference ends participation in HCV, thereby freeing up a Moving On voucher for the next PSH graduate on the waiting list.

To continually maintain the full complement of leased vouchers (20) under this set-aside, FRHA will continue to accept referrals from PSH providers so that any Moving On voucher that is returned to FRHA can be re-issued to the next eligible HCV applicant selected under this Limited Preference.

Eligibility for “Moving On” Preference is subject to the following criteria, to be verified upon selection:

- The applicant has been a tenant in a CoC-funded PSH program for at least twelve (12) months; and
- The applicant no longer requires the PSH program’s services or has completed the program’s services (as determined by the provider and CoC); and

As a result, must relocate from such housing.

Verification Requirements: FRHA will accept referrals from providers of Permanent Supportive Housing (PSH) programs that receive assistance through the Fall River CoC. When referring clients for selection under this Preference, PSH providers will follow the established CoC protocol to identify individuals and families that are good candidates for a successful transition from PSH to a Housing Choice Voucher.

b. Category #2: Fall River Resident

FRHA has adopted a Local Preference that gives priority to individuals and families living and/or working in the City of Fall River over their non-resident counterparts.

Eligibility for Residency Preference must be verified at the time of screening, prior to admission.

- Applicant families who currently reside in the City of Fall River, or
- Applicant families who have at least one (1) adult member who works (or has been hired to work) in the City of Fall River.

FRHA does not require a minimum term of Fall River residency to qualify for Residency Preference. A family that can provide proper verification as outlined in the following section shall qualify as a resident, provided they do not live somewhere else.

Verification Requirements. Proof that applicant is a current resident of the City of Fall River as verified by at least one of the following documents:

- Utility Bill: Gas, electric, telephone, cable, or heating oil bill, less than 60 days old, containing applicant’s name and residential address.
- Cell Phone, Credit Card, Doctor or Hospital Bill: Must be less than 60 days old.
- Pay Stub: Pre-printed with employer’s name and address and applicant’s name and residential address. This must be less than 60 days old.
- Bank Statement or Transaction-related Document: less than 60 days old, on a form generated by the issuing bank. This must display the bank’s name and mail address, and the applicant’s name and residential address. Must also have been received through mail by applicant.
- ATM/Debit Card or Credit Card Statement: With name and residential address, less than 60 days old.
- Car Insurance Policy or Bill: Must be less than 60 days old.

- Car Loan Payment Book: Must be current and display residential address.
- First-Class Mail from any Federal or State Agency: Must display residential address and no older than three (3) months.
- Household or Motor Insurance Certificate: No older than six (6) months.
- School Transcript: Must be an original with name and residential address and must be less than six (6) months old.
- School Letter: Original letter issued and signed by the principal, headmaster, or official keeper of records of Fall River school (including a college or university) that is on school letterhead and states that the applicant currently is an enrolled student and includes the applicant's name and residence.
- Voter Registration: Signed and certified by city/town clerk.
- Annual Pension or Retirement Statement: For the current year.
- Homeowners or Renters Insurance Policy: Must be current with applicant's residential address for current year.
- Official letter from Shelter/Homeless Services provider: Must be on original agency letterhead certifying applicant's date of placement and current temporary residency in a Fall River shelter.

c. Category #3: Standard (No Preference)

All other families on the waiting list will be considered Standard Applicants. Standard Applicants will be selected only after all applicants with Residency Preference have been selected.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

FRHA Policy

FRHA will only select "Standard Applicants" after all applicants with "Residency Preference" have been selected. However, to the extent that an applicant is not Extremely Low Income (ELI), FRHA may elect to select ELI families ahead of other eligible families on an as-needed basis to ensure the annual income targeting requirement is met.

Order of Selection

The PHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

FRHA Policy

Selection from the Waiting List

FRHA will maintain a single waiting list for its HCVP tenant-based assistance program. Except for special admissions [24 CFR 982.203 (2018)], HCV participants will be selected from the Centralized Section 8 HCV Waiting List. The selection criteria set forth in this chapter shall govern the manner in which FRHA selects individuals and families from the Centralized Section 8 HCV Waiting List.

The local preference system described earlier in this chapter will determine the order in which families are ranked on the Centralized Waiting List for applicant selection purposes. The generated waiting list will organize all active, income-eligible applicants in ranking order from highest to lowest by:

- Local Preference, and then
- Date and time of application

Further, when HUD awards a Housing Authority program funding for a specified category of families on the Waiting List [24 CFR 982.204 (e) (2018)], the PHA must select applicant families in the specified category. This is further described in Chapter 4.II-B of the Administrative Plan, HUD award and/or Notice of Funding Availability for said funding.

Methodology

FRHA will select applicants for screening as often as is needed to maximize program utilization goals. FRHA will determine how many applicants should be selected and contacted for interviews based on two factors:

- the actual and anticipated available vouchers and
- the number of screened, eligible applicants currently awaiting a voucher

FRHA will measure and monitor voucher turnover activity on a monthly basis to ensure program admissions are in keeping with the rate of attrition. To that end, FRHA may establish and maintain a pool of screened, eligible applicants for whom voucher issuance is pending.

When availability of a voucher is anticipated or known, FRHA will issue a voucher to the highest-ranking Family on its active list of screened, eligible applicants.

Removal of an Application from the Waiting List

An Applicant may appeal the FRHA's decision to remove their application from a waiting list by requesting an Informal Review. A request for such an appeal must be

made in writing and must be received by the FRHA within twenty (20) calendar days of the date of the notice removing the Applicant from the waiting list. FRHA will hold the files of Applicants removed from any waiting list for three (3) years.

Withdrawal of an Application

The circumstances that result in the withdrawal of an Applicant's name from the waiting list include:

- The Applicant requests in writing that his/her name be removed; OR
- FRHA has made reasonable efforts to contact the Applicant to determine continued interest or to schedule an interview but has been unsuccessful in reaching the Applicant. ["A reasonable effort to contact the Applicant" shall include, but not be limited to, properly addressed correspondence mailed (or sent by other methods designated by an Applicant who is a Disabled Person) to the latest address provided by the Applicant in writing that is returned by the U.S. Postal Service]; OR
- If an Applicant fails to keep an appointment and fails to notify the FRHA, within ten (10) days after the date of the appointment, of his/her inability to keep an appointment, or the Applicant fails to supply documentation to the FRHA in accordance with section 4.II.E of this policy; OR
- Being Denied Assistance (see Chapter 3.III Denial Of Assistance)
- When an Applicant becomes housed, the FRHA will withdraw the Applicant from the waiting list.

4-II.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family [24 CFR 982.554(a)].

FRHA Policy

FRHA will notify the family by first class mail when it is selected from the waiting list for an interview. The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview with the Leased Housing Department, including any procedures for rescheduling the interview;
- Who is required to attend the interview; and
- All documents that must be provided at or subsequent to the interview, including information about what constitutes acceptable documentation

The letter will also inform the applicant that failure to appear for the appointment will result in withdrawal of their application from the waiting list. Interviews may be conducted in person, by telephone, video call or other means acceptable to the FRHA.

4-II.E. THE APPLICATION INTERVIEW

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination through a face-to-face interview with a PHA representative [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

FRHA Policy

Families selected from the waiting list are required to participate in an eligibility interview.

The head of household and the spouse/cohead will be strongly encouraged to attend the Applicant Interview together or participate by video call. However, either the head of household or the spouse/cohead may attend the interview on behalf of the family.

An advocate, interpreter, or other assistant may assist the family with the application and the interview process. Interviews will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA's LEP plan.

At the Applicant Interview, FRHA staff will ensure that the family has completed the full package, presented all required documents, and signed all certifications and required forms. Verification of information pertaining to adult members of the household will not begin until signed release forms are returned to the PHA. The head of household or spouse/cohead must provide acceptable documentation of legal identity (Chapter 7 provides a discussion of proper documentation of legal identity).

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, and must complete required forms, provide required signatures, and submit required documentation. If any materials are missing, FRHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within ten (10) business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request one ten (10) day extension for good cause.

Applicant failure to meet the submission deadline for supplying documents, including any extensions, will result in the family's removal from the waiting list.

Missed Appointments

Responsibility of the Applicant. If the family is unable to participate in a scheduled

interview, the family should contact FRHA in advance of the interview to schedule a new appointment.

If a family fails to keep an appointment and/or fails to notify FRHA of their inability to appear prior to the appointment, their application will be withdrawn from the waiting list. A statement to this effect will appear on all notices to applicants regarding scheduled interviews and/or missing documents required at pre-admission.

Mitigating Circumstances. The Authority will consider Mitigating Circumstances (i.e., health problems, inclement weather, family emergency, or lack of transportation) in evaluating whether the Application should be withdrawn as described above. Applicants will be afforded a maximum of three (3) missed appointments with approved mitigating circumstances. Consideration of Mitigating Circumstances does not relieve the Applicant of their responsibility to notify the FRHA.

4-II.F. COMPLETING THE APPLICATION PROCESS

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

FRHA Policy

If the PHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an Informal Review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. The PHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it. If the PHA determines that the family is eligible to receive assistance, the PHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.

Ineligibility for Assistance due to FRHA Policy (Removal from CWL for a Particular PHA Only)

If the family could be eligible under another participating PHA's policies, the family's name will not be removed by the FRHA from the Centralized Section 8 HCV Waiting List. However, the family will not again be selected by FRHA unless a new Preliminary Application has been submitted to the FRHA.

Certain items which are considered mandatory denial categories still result within a removal from the particular PHA only because there is some component of PHA Policy associated with such denial (i.e. the family does not qualify on the basis of citizenship or the eligible immigrant status of family members as required in 24 CFR Part 5 Subpart E, Restrictions on Assistance to Noncitizens insofar as PHAs may elect to require documentation to verify Citizenship or when the family does not meet the Social Security

Number disclosure and documentation requirements as set forth in 24 CFR 5.216 insofar as for pending disclosure and documentation of social security numbers, the HA may allow the family to retain its place on the Waiting List for differing times based upon PHA policy.)

Mandatory Ineligibility for Assistance (Removal from CWL for All PHAs)

If the family is removed from the Waiting List because it is deemed ineligible for reason which is mandatory the name shall be removed from the Waiting List for all PHAs. Mandatory grounds for all PHAs are as follows:

- The family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].
- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing as set forth in 24 CFR 982.553 (a) (1) (ii) (C) (i).
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program as set forth in 982.553 (a) (2) (i).

Mandatory Ineligibility for Assistance due to Income Limits (Removal from CWL Dependent on Location for Income Limit Determination)

When the family income limit exceeds that required for participation in the HCV program pursuant to 24 CFR 982.201 they shall be denied participation in the HCV program. If the family is denied participation in the HCV Program because it is over the applicable income limits for the program, the family's name will be removed from the Centralized Section 8 HCV Waiting List for the Housing Authority making the determination and all other PHA's in the area with income limits at or below the level of the PHA making the determination. The family's name shall remain on the list for other participating PHAs in areas with income limits above that of the PHA making the denial. If the family later reapplies it shall be provided with a new (later) Preliminary Application date for the PHAs from which the family's name was previously removed due to the over income denial.

PHA's which have adopted specific policies to admit a low-income family that meets additional eligibility criteria specified in the PHA Administrative Plan which could impact their particular PHA income limits will notify AffordableHousing.com to make certain a different level should not be on file for the particular PHA in relation to denials under this section.

No Response to PHA (Removal from CWL for a Particular PHA only)

If the family does not respond to a letter sent by a participating Housing Authority to attend an eligibility determination appointment or to otherwise respond to the Housing Authority, the Housing Authority who requested said response may remove the family's name from the Centralized Section 8 HCV Waiting List for their particular PHA only. The manner for said removal and any applicable appeal procedure shall be governed by the Administrative Plan for the Housing Authority making said removal.

The family's name will not be removed by the Fall River Housing Authority from the entire Centralized Section 8 HCV Waiting List. However, the family will not again be

selected by the Fall River Housing Authority unless a new Preliminary Application has been submitted to the Fall River Housing Authority.

Waiting List Updates; Purging of Waiting List

While the family is on the waiting list, within 10 business days of the occurrence of a change, the family must inform the PHA of changes in contact information (including current residence, mailing address and phone number) household composition, preferences and total household income.

The changes must be submitted in writing to a participating PHA or online via the AffordableHousing.com application portal within 10 business days of said change.

In order to make certain the Waiting List remains up to date AffordableHousing.com will send e mail reminders for families to keep their mailing addresses up to date. Families may also elect to receive optional text reminders.

MassNAHRO will, on a biennial basis, send a letter to each applicant on the Centralized Section 8 HCV Waiting List. This letter will be sent to the address on the Section 8 HCV Preliminary Application or on any written change of status request that was completed and sent to a participating Housing Authority. Applicants will be requested to respond to the mailing, either online at AffordableHousing.com or by mailing back the response card, within a time parameter set forth in the letter and the letter shall indicate that failure to respond will result in the removal of his/her name from the Centralized Section 8 HCV Waiting List. In the event that the applicant does not respond within the applicable time parameter, his/her name shall be removed from the Centralized Section 8 HCV Waiting List.

Applicants removed by MassNAHRO due to no response to the update mailing may appeal to MassNAHRO during the posted reinstatement period. After the reinstatement period MassNAHRO will consider appeals which are requested as a reasonable accommodation for a person with a disability.

Jurisdiction Regarding Certain Decisions

When a family expresses a problem with a decision made by a Housing Authority involved in the Centralized Section 8 HCV Waiting List, that family shall be referred to the Housing Authority who made the determination in question. This includes when a family is removed from the Centralized Waiting List for failure to reply to the PHA.

When a family expresses a problem with a decision made by MassNAHRO, that family shall be instructed to send a written request for reinstatement along with supporting documentation to MassNAHRO's Centralized Waiting List Administrator at: Massachusetts Centralized Waiting List, PO Box 308, Dedham, MA 02027

Non-Discrimination and Program Accessibility

Preliminary Applications will be accepted without regard to race, color, sex, religion, familial status, age, disability, national origin, marital status, gender identity, sexual orientation, receipt of public assistance or housing subsidies, ancestry, military or veteran status, or genetic information.

PHA's will provide reasonable accommodations as required under the law to assist

individuals with disabilities. Upon request, this may include provision of appropriate auxiliary aids and services necessary to ensure effective communication e.g., Braille, audio, large type, assistive listening devices, and sign language interpreters. Reasonable accommodations may also include a change in policy or procedure to make the program accessible. Such requests will be considered and made as required according to applicable law. Applicants are advised of their right to request a reasonable accommodation both on the website and the hard copy of the Preliminary Application.

Persons with hearing and/or speech impairments may access the AffordableHousing.com telephone number via text telephone (TTY) using Massachusetts Relay at 711 for English and (866) 930-9252 for Spanish.

PHAs, MassNAHRO and AffordableHousing.com will take reasonable steps to ensure meaningful access by persons with limited English proficiency (LEP). Such steps will include translation of common written materials into those languages frequently spoken by Applicants. Further on an as needed basis AffordableHousing.com or the participating PHA (depending upon the point of contact) may arrange for telephonic or in person interpretation. The online Preliminary Applications queries the “preferred language” and once selected the computerized Preliminary Applications process is in that language. There are multiple languages on the site which are those most commonly encountered in Massachusetts with regard to LEP individuals. AffordableHousing.com has bilingual staff that speak English, Spanish, French and Haitian Creole. Further, telephonic interpretation is available in any other needed languages.

Chapter 5

BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know in order to lease a unit under the program. Once the family is fully informed of the program's requirements, the PHA issues the family a voucher. The voucher includes the unit size for which the family qualifies based on the PHA's subsidy standards, as well as the issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

PART I: BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

HUD regulations require the PHA to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains the PHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

5-I.B. BRIEFING [24 CFR 982.301]

Notification of Briefing

Prior to issuance of a voucher, the PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed in individual face-to-face meetings, through group briefing sessions, or via remote briefing sessions.

FRHA Policy

Families will be notified of their eligibility for assistance at the time they are invited to a briefing. The notice will be sent by first class mail and will also be sent by email if the family has provided a valid email address to the PHA.

The notice will advise the family of the type of briefing, who is required to be present at the briefing, and the date and time of the briefing. The notice will also inform the family of any additional requirements for in-person or remote briefings as addressed in relevant policy elsewhere in this section.

If the notice is returned by the post office with no forwarding address, the applicant will be denied and their name will not be placed back on the waiting list. If the notice is returned by the post office with a forwarding address, the notice will be resent to the address indicated.

In-Person Briefings

At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973) and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

FRHA Policy

In-person briefings will generally be conducted in group meetings. At the family's written request, the PHA may provide an individual briefing.

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, the PHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Attendance

FRHA Policy

Applicants who fail to attend a scheduled in-person briefing will be scheduled for another briefing automatically. The PHA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without prior PHA approval, will be denied assistance (see Chapter 3).

Remote Briefings [Notice PIH 2020-32]

Remote briefings may be conducted over the phone, via video conferencing, or through other virtual platforms.

FRHA Policy

The PHA has the sole discretion to require that briefings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster. If the PHA schedules a remote briefing, the PHA will conduct a face-to-face briefing upon request of the applicant as a reasonable accommodation for a person with a disability if safety and health concerns can be reasonably addressed.

In addition, the PHA will conduct a briefing remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have childcare or transportation that would enable them to attend the briefing, or if the applicant believes an in-person briefing would create an undue health risk. The PHA will consider other reasonable requests for a remote briefing on a case-by-case basis.

Accessibility Requirements for Persons with Disabilities and LEP Individuals

As with in-person briefings, the platform for conducting remote briefings must be accessible and the briefing conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual.

If no method of conducting a remote briefing is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual his or her inability to participate in the remote briefing, and the PHA should consider whether postponing the remote briefing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances.

Limited English Proficiency (LEP) requirements also apply to remote briefings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote briefings.

Conducting Remote Briefings

The PHA must ensure that the lack of technology or inability to use technology for remote briefings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA must ensure that the family has appropriate technological access in order to fully participate in the remote briefing.

FRHA Policy

At least 10 business days prior to scheduling the remote briefing, the PHA will provide written notification via first class mail and/or email to families participating in the briefing to advise of technological requirements and to request the family notify the PHA of any known barriers. If any family does not respond within five business days, or if the written notification is returned by the post office or the email is rejected, the PHA will contact the family by telephone to identify potential technological barriers and to determine which technology resources are accessible to the family. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person briefing or have a one-on-one briefing over the phone, as appropriate.

The PHA will conduct remote briefings via a video conferencing platform when available. If applicants are unable to adequately access the video conferencing platform, the briefing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in, the remote briefing will be postponed, and an in-person alternative or one-on-one briefing over the phone will be provided.

The PHA will provide login information and/or conferencing call-in information and an electronic copy of the briefing packet via email at least five business days before the briefing. The PHA will provide a paper copy of the briefing packet upon family request and may reschedule the briefing to allow adequate time for the family to receive the physical briefing packet.

The PHA will ensure that all electronic information stored or transmitted as part of the briefing meets the requirements for accessibility for persons with disabilities and persons with LEP, and is secure, including ensuring personally identifiable information (PII) is protected.

The PHA will ensure that families who participate in remote briefings have the opportunity to ask questions as part of the briefing.

If families lose connectivity during any remote briefing or otherwise feel they were unable to access information presented during the briefing, the family may request a one-on-one briefing over the phone or in person with the PHA.

Oral Briefing [24 CFR 982.301(a)]

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the PHA's jurisdiction;
- An explanation of how portability works. The PHA may not discourage the family from choosing to live anywhere in the PHA jurisdiction or outside the PHA jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order;
- The PHA must inform the family of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance;
- The advantages of areas that do not have a high concentration of low-income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

Briefing Packet [24 CFR 982.301(b)]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions, and the PHA's policies on any extensions of the term. If the PHA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how the PHA determines the payment standard for a family, how the PHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how the PHA determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process that may affect the family's assistance.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.
- A statement of the PHA policy on providing information about families to prospective owners.
- The PHA subsidy standards including when and how exceptions are made.

- Materials (e.g., brochures) on how to select a unit and any additional information on selecting a unit that HUD provides.
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- A list of landlords known to the PHA who may be willing to lease a unit to the family or other resources (e.g., newspapers, organizations, online search tools) known to the PHA that may assist the family in locating a unit. PHAs must ensure that the list of landlords or other resources covers areas outside of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the PHA.
- The family obligations under the program, including any obligations of a welfare-to-work family.
- The grounds on which the PHA may terminate assistance for a participant family because of family action or failure to act.
- PHA informal hearing procedures including when the PHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
- An explanation of the advantages of moving to an area that does not have a high concentration of low-income families.

If the PHA is located in a metropolitan area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction
- Information about the characteristics of these areas including job opportunities, schools, transportation, and other services
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs with names, addresses, and telephone numbers

Additional Items to Be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2017-12].

FRHA Policy

The PHA will provide the following additional materials in the briefing packet:

- The HUD pamphlet on lead-based paint entitled *Protect Your Family from Lead in Your Home*
- Information on how to fill out and file a housing discrimination complaint form

- The form HUD-5380 domestic violence certification form and the form HUD-5382 notice of occupancy rights, which contains information on VAWA protections for victims of domestic violence, dating violence, sexual assault, and stalking
- “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse
- “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12

5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family’s unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required By Family Obligations

FRHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify the PHA of a change, notifying the PHA of the request or change within 10 business days is considered prompt notice.

When a family is required to provide notice to the PHA, the notice must be in writing.

Family Obligations [24 CFR 982.551]

The family obligations of the voucher are listed as follows:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

FRHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

FRHA Policy

The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

FRHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the PHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

FRHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B). The family must not sublease the unit, assign the lease, or transfer the unit.

FRHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

FRHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the PHA subsidy standards.

FRHA Policy

- The following guidelines will be used determine a family's voucher size and assume that each bedroom will accommodate no more than two persons:

Voucher Size	Minimum Occupants	Maximum Occupants
1-bedroom	1	2
2-bedroom	2	4
3-bedroom	3	6
4-bedroom	4	8
5-bedroom	5	10

Families shall occupy units of the appropriate bedroom size. The following principles govern the size of unit for which a family will qualify:

- Persons of different generations, persons of the opposite sex (other than spouses), and unrelated adults may be allocated separate bedroom.
- Children of the same sex will share a bedroom unless there is a significant difference in age as determined by the FRHA.
- Children of the opposite sex, both under the age of four (4) will share a bedroom. (If an applicant has children of the opposite sex and one of those children is at least three and a half years old, FRHA will assign the appropriate unit size as if the child were already four)
- Adults and children will not be required to share a bedroom.
- Foster adults and/or foster children will not be required to share a bedroom with family members.
- Live-in aides shall be assigned a separate bedroom.
- A living room will not be counted as a bedroom, except in FRHA's studio/efficiency apartments or for the use of an overnight Personal Care Attendant (PCA).

5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member's disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

FRHA Policy

The PHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related request for accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment must be re-verified at annual reexamination.

The PHA will notify the family of its determination within 10 business days of receiving the family's request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on verification of information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

FRHA Policy

Vouchers will be issued to eligible applicants immediately following the mandatory briefing.

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

FRHA Policy

Prior to issuing any vouchers, the PHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

5-II.E. VOUCHER TERM AND EXTENSIONS

Voucher Term [24 CFR 982.303]

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

FRHA Policy

The initial voucher term will be 60 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an additional extension.

Extensions of Voucher Term [24 CFR 982.303(b)]

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that the PHA can approve. Discretionary policies related to extension and expiration of search time must be described in the PHA's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA's decision to approve or deny an extension. The PHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

FRHA Policy

The PHA will automatically approve one 60-day extension upon written request from the family.

The PHA will approve additional extensions only in the following circumstances:

- It is necessary as a reasonable accommodation for a person with disabilities.
- It is necessary due to reasons beyond the family's control, as determined by the PHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:
 - Serious illness or death in the family
 - Other family emergency

Obstacles due to employment

Whether the family has already submitted requests for tenancy approval that were not approved by the PHA

Whether family size or other special circumstances make it difficult to find a suitable unit

Any request for an additional extension must include the reason(s) an additional extension is necessary. The PHA may require the family to provide documentation to support the request or obtain verification from a qualified third party.

All requests for extensions to the voucher term must be made in writing and submitted to the PHA prior to the expiration date of the voucher (or extended term of the voucher).

The PHA will decide whether to approve or deny an extension request within 10 business days of the date the request is received, and will immediately provide the family written notice of its decision.

Suspensions of Voucher Term [24 CFR 982.303(c)]

The PHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied.

Expiration of Voucher Term

Once a family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, the PHA may require that the family reapply, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

FRHA Policy

If an applicant family's voucher term or extension expires before the PHA has approved a tenancy, the PHA will require the family to reapply for assistance.

Within 10 business days after the expiration of the voucher term or any extension, the PHA will notify the family in writing that the voucher term has expired and that the family must reapply in order to be placed on the waiting list.

Chapter 6

INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and the PHA's subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Summary of Income Included and Excluded by Person

Live-in aides	Income from all sources is excluded [24 CFR 5.609(c)(5)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(c)(2)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(c)(1)]. All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Employment income above \$480/year is excluded [24 CFR 5.609(c)(11)]. All other sources of income, except those specifically excluded by the regulations, are included.

Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

FRHA Policy

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

FRHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

FRHA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

FRHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

FRHA Policy

The PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

Joint Custody of Dependents

FRHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, school records or an IRS return showing which family has claimed the child for income tax purposes.

Caretakers for a Child

FRHA Policy

The approval of a caretaker is at the owner and PHA's discretion and subject to the owner and PHA's screening criteria. If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions.

- (1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the

caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases the PHA will extend the caretaker's status as an eligible visitor.

- (3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. ANTICIPATING ANNUAL INCOME

The PHA is required to count all income "anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date" [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal, or cyclic income) [24 CFR 5.609(d)]
- The PHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHAs are required to use HUD's Enterprise Income Verification (EIV) system in its entirety as a third-party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows PHAs to use tenant-provided documents (pay stubs) to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where the PHA does not determine it is necessary to obtain additional third-party data.

FRHA Policy

When EIV is obtained and the family does not dispute the EIV employer data, the PHA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, the PHA will make every effort to obtain current and consecutive pay stubs dated within the last 60 days.

The PHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

If EIV or other UIV data is not available,

If the family disputes the accuracy of the EIV employer data, and/or

If the PHA determines additional information is needed.

In such cases, the PHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the PHA annualized projected income.

When the PHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the PHA to show why the historic pattern does not represent the family's anticipated income.

Known Changes in Income

If the PHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

Example: An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows:
 $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks}).$

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the PHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the PHA's policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 60 days of the reexamination interview date.

Projecting Income

In HUD's EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

Wages and Related Compensation

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

FRHA Policy

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, the PHA will use the prior year amounts. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer. The file will be documented appropriately.

Some Types of Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

Types of Earned Income Not Counted in Annual Income

Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

FRHA Policy

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

Children's Earnings

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

Certain Earned Income of Full-Time Students

Earnings in excess of \$480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

Income of a Live-in Aide

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

Income Earned under Certain Federal Programs

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)

- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

Resident Service Stipend

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed \$200 per individual per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

State and Local Employment Training Programs

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

FRHA Policy

The PHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual's ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The PHA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member's welfare assistance and earnings reported on the family's most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements.

HUD-Funded Training Programs

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

FRHA Policy

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

Earned Income Tax Credit

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee's payroll check.

Earned Income Disallowance

The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16]

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

Eligibility

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.
- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].
- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly

maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least \$500.

Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "baseline income." The family member's baseline income is his or her income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that he or she is participating in the EID. **Calculation Method**

Initial 12-Month Exclusion

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

FRHA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

FRHA Policy

During the second 12-month exclusion period, the PHA will exclude 50 percent of any increase in income attributable to new employment or increased earnings.

Lifetime Limitation

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance.

6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]

Annual income includes "the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family" [24 CFR 5.609(b)(2)].

Business Expenses

Net income is “gross income less business expense” [HCV GB, p. 5-19].

FRHA Policy

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

Business Expansion

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

FRHA Policy

Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

FRHA Policy

Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

FRHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

FRHA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

6-I.G. ASSETS [24 CFR 5.609(b)(3); 24 CFR 5.603(b)]

Overview

There is no asset limitation for participation in the HCV program. However, HUD requires that the PHA include in annual income the anticipated "interest, dividends, and other net income of any kind from real or personal property" [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, the PHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of *net family assets*. This section begins with a discussion of general policies related to assets and then provides HUD rules and PHA policies related to each type of asset.

Optional policies for family self-certification of assets are found in Chapter 7.

General Policies

Income from Assets

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

FRHA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family's anticipated asset income.

Valuing Assets

The calculation of asset income sometimes requires the PHA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

FRHA Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]

When net family assets are \$5,000 or less, the PHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of \$5,000, the PHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by an average passbook savings rate as determined by the PHA.

- Note: The HUD field office no longer provides an interest rate for imputed asset income. The “safe harbor” is now for the PHA to establish a passbook rate within 0.75 percent of a national average.
- The PHA must review its passbook rate annually to ensure that it remains within 0.75 percent of the national average.

FRHA Policy

The PHA initially sets the imputed asset passbook rate at the national rate established by the Federal Deposit Insurance Corporation (FDIC).

The PHA will review the passbook rate annually. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

The effective date of changes to the passbook rate will be determined at the time of the review.

Determining Actual Anticipated Income from Assets

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for

which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

Withdrawal of Cash or Liquidation of Investments

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement investment plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement investment plan.

Jointly Owned Assets

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes "amounts derived (during the 12-month period) from assets to which any member of the family has access."

FRHA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the PHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the PHA will prorate the asset evenly among all owners.

Assets Disposed of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The *HCV Guidebook* permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

FRHA Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

FRHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

FRHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

FRHA Policy

In determining the value of a checking account, the PHA will use the average monthly balance for the last six months.

In determining the value of a savings account, the PHA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, the PHA will multiply the value of the account by the current rate of interest paid on the account.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

FRHA Policy

In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.

Equity in Real Property or Other Capital Investments

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

FRHA Policy

In determining the equity, the PHA will determine market value by examining recent sales of at least three properties in the surrounding or similar neighborhood that possess comparable factors that affect market value.

The PHA will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, the PHA will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income **except** for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b), Notice PIH 2012-3]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

The PHA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value minus the balance of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

FRHA Policy

For the purposes of calculating expenses to convert to cash for real property, the PHA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

FRHA Policy

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless the PHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

Trusts

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

Revocable Trusts

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

Nonrevocable Trusts

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

Retirement Accounts

Company Retirement/Pension Accounts

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, the PHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

IRA, Keogh, and Similar Retirement Savings Accounts

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

Personal Property

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

FRHA Policy

In determining the value of personal property held as an investment, the PHA will use the family's estimate of the value. The PHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

FRHA Policy

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

Life Insurance

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

6-I.H. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic

payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].

- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

Lump-Sum Payments for the Delayed Start of a Periodic Payment

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [24 CFR 5.609(c)(14)].

FRHA Policy

When a delayed-start payment is received and reported during the period in which the PHA is processing an annual reexamination, the PHA will adjust the family share and PHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the PHA.

Treatment of Overpayment Deductions from Social Security Benefits

The PHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2018-24].

Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2012-1].

FRHA Policy

The PHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].

- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].
- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)].
Note: EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.H.) [24 CFR 5.609(c)(14)].
- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [24 CFR 5.609(c)(14)].

6-I.I. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family's welfare income because the family commits fraud or fails to comply with the agency's economic self-sufficiency program or

work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

FRHA Policy

The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts

The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

FRHA Policy

Examples of regular contributions include: (1) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) “in-kind” contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the PHA. For contributions that may vary from month to month (e.g., utility payments), the PHA will include an average amount based upon past history.

6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9); Notice PIH 2015-21]

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9); FR 4/10/06; Notice PIH 2015-21]

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition and fees* are defined in the same manner in which the Department of Education defines *tuition and fees* [Notice PIH 2015-21].
 - This is the amount of tuition and required fees covering a full academic year most frequently charged to students.
 - The amount represents what a typical student would be charged and may not be the same for all students at an institution.
 - If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an academic year is used to estimate average tuition.

- Required fees include all fixed-sum charges that are required of a large proportion of all students. Examples include, but are not limited to, writing and science lab fees and fees specific to the student's major or program (i.e., nursing program).
- Expenses related to attending an institution of higher education must **not** be included as tuition. Examples include, but are not limited to, room and board, books, supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed-sum charges.

Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of \$480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17), FR Notice 5/20/14]. HUD publishes an updated list of these exclusions periodically. It includes:

- (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))
- (b) Benefits under Section 1780 of the School Lunch Act and Child Nutrition Act of 1966, including WIC
- (c) Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- (d) Payments received under the Alaska Native Claims Settlement Act (43 U.S.C. 1626(c))
- (e) Income derived from certain submarginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e)
- (f) Payments or allowances made under the Department of Health and Human Services' Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f))
- (g) Payments received under programs funded in whole or in part under the Workforce Investment Act of 1998 (29 U.S.C. 2931)
- (h) Deferred disability benefits from the Department of Veterans Affairs, whether received as a lump sum or in monthly prospective amounts
- (i) Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, 90 Stat. 2503-04)
- (j) Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b))
- (k) A lump sum or periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the United States District Court case entitled *Elouise Cobell et al. v. Ken Salazar et al.*, for a period of one year from the time of receipt of that payment as provided in the Claims Resolution Act of 2010
- (l) The first \$2,000 of per capita shares received from judgment funds awarded by the Indian Claims Commission or the U. S. Claims Court, the interests of individual Indians in trust or restricted lands, including the first \$2,000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408)
- (m) Benefits under the Indian Veterans Housing Opportunity Act of 2010 (only applies to Native American housing programs)
- (n) Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- (o) Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in *In Re Agent Orange* product liability litigation, M.D.L. No. 381 (E.D.N.Y.)
- (p) Payments received under 38 U.S.C. 1833(c) to children of Vietnam veterans born with spinal bifida, children of women Vietnam veterans born with certain birth defects, and children of certain Korean service veterans born with spinal bifida
- (q) Payments received under the Maine Indian Claims Settlement Act of 1980 (25 U.S.C. 1721)

- (r) The value of any childcare provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q)
- (s) Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j))
- (t) Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95-433)
- (u) Amounts of scholarships funded under Title IV of the Higher Education Act of 1965j, including awards under federal work-study programs or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu). For Section 8 programs, the exception found in § 237 of Public Law 109–249 applies and requires that the amount of financial assistance in excess of tuition and mandatory fees shall be considered income in accordance with the provisions codified at 24 CFR 5.609(b)(9), except for those persons with disabilities as defined by 42 U.S.C. 1437a(b)(3)(E) (Pub. L. 109–249) (See Section 6-I.L. for exceptions.)
- (v) Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- (w) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602)
- (x) Any amounts in an "individual development account" as provided by the Assets for Independence Act, as amended in 2002
- (y) Payments made from the proceeds of Indian tribal trust cases as described in Notice PIH 2013–30, "Exclusion from Income of Payments under Recent Tribal Trust Settlements" (25 U.S.C. 117b(a))
- (z) Major disaster and emergency assistance received under the Robert T. Stafford Disaster Relief and Emergency Assistance Act and comparable disaster assistance provided by states, local governments, and disaster assistance organizations
- (aa) Distributions from an ABLE account, and actual or imputed interest on the ABLE account balance

PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

- (1) \$480 for each dependent;
- (2) \$400 for any elderly family or disabled family;
- (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
 - (i) Unreimbursed medical expenses of any elderly family or disabled family;
 - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
- (4) Any reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

FRHA Policy

Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., childcare during school and nonschool periods and cyclical medical expenses), the PHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the PHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The PHA may require the family to provide documentation of payments made in the preceding year.

6-II.B. DEPENDENT DEDUCTION

An allowance of \$480 is deducted from annual income for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under

the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of \$400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of *Medical Expenses*

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

FRHA Policy

The most current IRS Publication 502, *Medical and Dental Expenses*, will be used as a reference to determine the costs that qualify as medical expenses.

Summary of Allowable Medical Expenses from IRS Publication 502	
Services of medical professionals	Psychiatric treatment
Surgery and medical procedures that are necessary, legal, noncosmetic	Ambulance services and some costs of transportation related to medical expenses
Services of medical facilities	The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth)
Hospitalization, long-term care, and in-home nursing services	Cost and continuing care of necessary service animals
Prescription medicines and insulin, but <u>not</u> nonprescription medicines even if recommended by a doctor	Medical insurance premiums or the cost of a health maintenance organization (HMO)
Improvements to housing directly related to medical needs (e.g., ramps for a wheelchair, handrails)	Substance abuse treatment programs
Note: This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.	

Families That Qualify for Both Medical and Disability Assistance Expenses

FRHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

FRHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, the PHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When the PHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes.

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: “Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work” [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

FRHA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

Eligible Attendant Care

The family determines the type of attendant care that is appropriate for the person with disabilities.

FRHA Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the PHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

FRHA Policy

The PHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the PHA will collect information from organizations that provide services and support to persons with disabilities. A

family may present, and the PHA will consider, the family's justification for costs that exceed typical costs in the area.

Families That Qualify for Both Medical and Disability Assistance Expenses

FRHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for childcare. In the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Clarifying the Meaning of *Child* for This Deduction

Childcare expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, childcare expenses for foster children that are living in the assisted family's household are included when determining the family's childcare expenses [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

FRHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a childcare deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, the PHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

FRHA Policy

If the childcare expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at

each reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the childcare expense being allowed by the PHA.

Furthering Education

FRHA Policy

If the childcare expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the childcare claimed.

Being Gainfully Employed

FRHA Policy

If the childcare expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that childcare is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for childcare – although the care must still be necessary and reasonable. However, when childcare enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person's earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, childcare expenses are limited to \$5,000.

The PHA must not limit the deduction to the least expensive type of childcare. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

FRHA Policy

When the childcare expense being claimed is to enable a family member to work, only one family member's income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable childcare expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the childcare expense deduction because there is an adult family member in the household that may be available to provide childcare [VG, p. 26].

Allowable Child Care Activities

FRHA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of childcare.

The costs of general housekeeping and personal services are not eligible. Likewise, childcare expenses paid to a family member who lives in the family's unit are not eligible; however, payments for childcare to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the childcare provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

FRHA Policy

Childcare expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For childcare that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, the PHA will use the schedule of child care costs from a qualified local entity that either subsidizes child care costs or licenses child care providers. Families may present, and the PHA will consider, justification for costs that exceed typical costs in the area.

PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by the PHA

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

[FRHA Policy](#)

Welfare rent does not apply in this locality.

Minimum Rent [24 CFR 5.630]

[FRHA Policy](#)

The minimum rent for this locality is \$50.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

PHA Subsidy [24 CFR 982.505(b)]

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

PHA Policy

The PHA will make utility reimbursements to the utility provider.

The PHA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is \$15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. The PHA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create a financial hardship.

PHA Policy

The PHA will issue all utility reimbursements monthly.

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

FRHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

FRHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.
- (4) A death has occurred in the family.

FRHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

- (5) The family has experienced other circumstances determined by the PHA.

FRHA Policy

The PHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

FRHA Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption			
Assume the PHA has established a minimum rent of \$50.			
Family Share – No Hardship		Family Share – With Hardship	
\$0	30% of monthly adjusted income	\$0	30% of monthly adjusted income
\$15	10% of monthly gross income	\$15	10% of monthly gross income
N/A	Welfare rent	N/A	Welfare rent
\$50	Minimum rent	\$50	Minimum rent
Minimum rent applies. TTP = \$50		Hardship exemption granted. TTP = \$15	

FRHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

FRHA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

FRHA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

FRHA Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until

the family receives at least \$60/month in income from another source or once again begins to receive the child support.

- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505; 982.503(b)]

Overview

The PHA's schedule of payment standards are used to calculate housing assistance payments for HCV families. This section covers the application of the PHA's payment standards. The establishment and revision of the PHA's payment standard schedule are covered in Chapter 16.

Payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the PHA has established an exception payment standard for a designated part of a zip code area or FMR area and a family's unit is located in the exception area, the PHA must use the appropriate payment standard for the exception area.

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When the PHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

Decreases

If a PHA changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, the PHA is not required to reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16].

However, if the PHA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, the PHA may either reduce the payment standard to the current amount in effect on the PHA's payment standard schedule, or may reduce

the payment standard to another amount that is higher than the normally applicable amount on the schedule. The PHA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).

In any case, the PHA must provide the family with at least 12 months' notice that the payment standard is being reduced before the effective date of the change. The PHA's policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

FRHA Policy

If a PHA changes its payment standard schedule resulting in a lower payment standard amount, during the term of a HAP contract, the PHA will not reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect.

The PHA will not establish different policies for decreases in the payment standard for designated areas within their jurisdiction.

Increases

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

Changes in Family Unit Size

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

Reasonable Accommodation

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment standard for the family of not more than 120 percent of the published FMR.

6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. A family's utility allowance is determined by the size of dwelling unit leased by a family or the voucher unit size for which the family qualifies using PHA subsidy standards, whichever is the lowest of the two. See Chapter 5 for information on the PHA's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

Reasonable Accommodation

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed.

The family must request the higher allowance and provide the PHA with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

Utility Allowance Revisions

At reexamination, the PHA must use the current utility allowance schedule [HCV GB, p. 18-8].

FRHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at \$500 and two of four family members are ineligible, the PHA subsidy would be reduced to \$250.

\

EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in paragraph (c) of this section.
- (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property.

Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31¹; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay, and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

¹ Text of 45 CFR 260.31 follows.

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

<p>HHS DEFINITION OF "ASSISTANCE"</p>
--

**45 CFR: GENERAL TEMPORARY
ASSISTANCE FOR NEEDY FAMILIES**

260.31 What does the term "assistance" mean?

(a)(1) The term "assistance" includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and childcare provided to families who are not employed.

(b) [The definition of “assistance”] excludes: (1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as childcare and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, childcare information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.

EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS

24 CFR 5.609

(c) Annual income does not include the following:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide, as defined in Sec. 5.403;
- (6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;
- (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- (8) (i) Amounts received under training programs funded by HUD;
(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, childcare, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring, or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of \$480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See Section 6-I.M. for a list of benefits that qualify for this exclusion.]

EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS

24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land, and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor.

In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of earned income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24

CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Baseline income. The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

(c) Disallowance of increase in annual income—

(1) Initial twelve-month exclusion. During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve-month exclusion and phase-in. Upon expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.

(3) Maximum 2-year disallowance. The disallowance of increased income of an

individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24-month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) Effect of changes on currently participating families. Families eligible for and participating in the disallowance of earned income under this section prior to *May 9, 2016* will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

(d) Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the

basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency's determination of a specified welfare benefits reduction.

Chapter 7

VERIFICATION

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2018-18]

INTRODUCTION

The PHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in Notice PIH 2018-18 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I General Verification Requirements

Part II Verifying Family Information provides more detailed requirements related to family information.

Part III Verifying Income and Assets provides information on income and assets, and

Part IV Verifying Mandatory Deductions.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551].

Consent Forms

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD's Verification Hierarchy [Notice PIH 2018-18]

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

In order of priority, the forms of verification that the PHA will use are:

- Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.

Requirements for Acceptable Documents

FRHA Policy

Any documents used for verification should be dated within 60 days of the PHA request. Original documents are preferred, but photocopies and scanned documents are also acceptable. The documents must not be damaged, altered or in any way illegible. Electronic records and signatures carry the same weight and legal effect as traditional paper documents and handwritten signatures. The PHA will not deny the legal effect or enforceability of a document solely because it is in electronic form. (Electronic Signatures in Global and National Commerce Act (ESIGN, 2000) and the Uniform Electronic Transactions Act (UETA, 1999).

If at any time, the PHA has reason to believe that documents have been altered or contain fraudulent or incomplete information, the PHA may request additional documentation to verify program information.

Any family self-certifications must be made in a format acceptable to the PHA

File Documentation

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

FRHA Policy

The PHA will document, in the family file, the following:

- Reported family annual income
- Value of assets
- Expenses related to deductions from annual income
- Other factors influencing adjusted income

When the PHA is unable to obtain third-party verification, the PHA will document in the family file the reason that third-party verification was not available [24 CFR 982.516(a)(2); Notice PIH 2018-18].

7-I.C. UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to the PHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been

granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA.

See Chapter 6 for the PHA's policy on the use of UIV/EIV to project annual income.

Upfront Income Verification Using HUD's Enterprise Income Verification (EIV) System (Mandatory)

PHAs must use HUD's EIV system in its entirety as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with 24 CFR 5.236 and administrative guidance issued by HUD. The EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. The following policies apply to the use of HUD's EIV system.

EIV Income and IVT Reports

The data shown on income and income validation tool (IVT) reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

FRHA Policy

The PHA will obtain income and IVT reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

Income and IVT reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

Income and IVT reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify earned income, and to verify and calculate unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income and IVT reports will be retained in participant files with the applicable annual or interim reexamination documents.

When the PHA determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

EIV Identity Verification

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

PHAs are required to use EIV's *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2018-18].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

FRHA Policy

The PHA will identify participants whose identity verification has failed by reviewing EIV's *Identity Verification Report* on a monthly basis.

The PHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist due to PHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

Upfront Income Verification Using Non-HUD Systems (Optional)

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

FRHA Policy

The PHA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

HUD's EIV system

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD's current verification hierarchy defines two types of written third-party verification. The more preferable form, "written third-party verification," consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a "written third-party verification form." This is a standardized form used to collect information from a third party.

Written Third-Party Verification [Notice PIH 2018-18]

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

FRHA Policy

Third-party documents provided by the family must be dated within 60 days of the PHA request date.

If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation.

As verification of earned income, the PHA will require the family to provide the two most current, consecutive pay stubs. At the PHA's discretion, if additional paystubs are needed due to the family's circumstances (e.g., sporadic income, fluctuating schedule, etc.), the PHA may request additional paystubs or a payroll record.

Written Third-Party Verification Form

When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD's position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

FRHA Policy

The PHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the PHA.

Oral Third-Party Verification [Notice PIH 2018-18]

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

FRHA Policy

In collecting third-party oral verification, PHA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When Third-Party Verification is Not Required [Notice PIH 2018-18]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

FRHA Policy

If the family cannot provide original documents, the PHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

Imputed Assets

HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

FRHA Policy

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

Value of Assets and Asset Income [24 CFR 982.516(a)]

For families with net assets totaling \$5,000 or less, the PHA may accept the family's declaration of asset value and anticipated asset income. However, the PHA is required to obtain third-party verification of all assets regardless of the amount during the intake process and at least every three years thereafter.

FRHA Policy

For families with net assets totaling \$5,000 or less, the PHA will accept the family's self-certification of the value of family assets and anticipated asset income when applicable. The family's declaration must show each asset and the amount of income expected from that asset. All family members 18 years of age and older must sign the family's declaration.

The PHA will use third-party documentation for assets as part of the intake process, whenever a family member is added to verify the individual's assets, and every three years thereafter.

7-I.E. SELF-CERTIFICATION

When HUD requires third-party verification, self-certification or "tenant declaration," is used as a last resort when the PHA is unable to obtain third-party verification.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total \$5,000 or less and the PHA has adopted a policy to accept self certification at annual recertification, when applicable
- The PHA has adopted a policy to implement streamlined annual recertifications for fixed sources of income (See Chapter 11)

When the PHA was required to obtain third-party verification but instead relies on a tenant declaration for verification of income, assets, or expenses, the family's file must be documented to explain why third-party verification was not available.

FRHA Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a PHA representative or PHA notary public.

PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

FRHA Policy

The PHA will require families to furnish verification of legal identity for each household member.

Verification of Legal Identity for Adults	Verification of Legal Identity for Children
Certificate of birth, naturalization papers Church issued baptismal certificate Current, valid driver's license or Department of Motor Vehicles identification card U.S. military discharge (DD 214) Current U.S. passport Current government employer identification card with picture	Certificate of birth Adoption papers Custody agreement Health and Human Services ID Certified school records

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA's discretion, a third party who knows the person may attest to the person's identity. The certification must be provided in a format acceptable to the PHA and be signed in the presence of a PHA representative or PHA notary public.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the PHA has reason to doubt the identity of a person representing him or herself to be a participant.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216, Notice PIH 2018-24]

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change his or her declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The PHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document or if the original document has been altered, mutilated, is illegible, or appears to be forged.

FRHA Policy

The PHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The PHA must grant one additional 90-day extension if it determines that the applicant's failure to comply was due to circumstances that were beyond the applicant's control and could not have been reasonably foreseen.

FRHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will terminate the individual's assistance.

If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of voucher issuance, an otherwise eligible family may be admitted to the program and the family must provide documentation of the child's SSN within 90 days of the effective date of the initial HAP contract. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control.

FRHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the applicant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When a participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

FRHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

FRHA Policy

The PHA will verify each disclosed SSN by:

Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

Once the individual's verification status is classified as "verified," the PHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

FRHA Policy

Once an individual's status is classified as "verified" in HUD's EIV system, the PHA will remove and destroy copies of documentation accepted as evidence of social security numbers.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

FRHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

7-II.D. FAMILY RELATIONSHIPS

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

FRHA Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

Marriage

FRHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

Separation or Divorce

FRHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to provide documentation of the divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member

FRHA Policy

Regardless of when an adult has moved out of the household, staff must require two pieces of information before the household member—and their income—can officially be removed from the household.

1. Written request by the household member to be removed from the household, including actual move-out date and new contact information; and
2. Verification of the new address, such as a change of address confirmation, new lease, or utility bills at new unit.

If the head of household is no longer in contact with the removed household member or that household member is not able to be contacted, such as in cases of incarceration, the head of household may provide written verification of the household member's departure. Included shall be the reason for removal, reason why the household member cannot provide documentation, and any contact information, if known. Appropriate verification shall be provided, as available.

Foster Children and Foster Adults

FRHA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

FRHA Policy

The PHA requires families to provide verification about the student status of all students in the household

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

FRHA Policy

In accordance with the verification hierarchy described in section 7-1.B, the PHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in section 3-II.E.

The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the PHA cannot verify at least one of these exemption criteria, the PHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, the PHA will then proceed to verify either the

student's parents' income eligibility (see section 7-III.J) or the student's independence from his/her parents (see below).

Independent Student

FRHA Policy

The PHA will verify a student's independence from his/her parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

Either reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year, or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Reviewing the student's prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0, except in cases in which the PHA determines that the student is a *vulnerable youth* (see section 3-II.E)

7-II.F. DOCUMENTATION OF DISABILITY

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at <http://www.hhs.gov/ocr/privacy/>.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Family Members Receiving SSA Disability Benefits

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

FRHA Policy

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

Family Members Not Receiving SSA Disability Benefits

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403.

FRHA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

FRHA Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

Eligible Immigrants

Documents Required

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

PHA Verification [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.

PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

FRHA Policy

Unless tip income is included in a family member's W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

Wages

FRHA Policy

For wages other than tips, the family must provide originals of the two most current, consecutive pay stubs.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

FRHA Policy

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three

(3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

Social Security/SSI Benefits

FRHA Policy

To verify the SS/SSI benefits of applicants, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the applicant request a benefit verification letter from SSA's Web site at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to the PHA.

To verify the SS/SSI benefits of participants, the PHA will obtain information about social security/SSI benefits through the HUD EIV System, and confirm with the participant(s) that the current listed benefit amount is correct. If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, the PHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) the PHA will help the participant request a benefit verification letter from SSA's Web site at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to the PHA.

7-III.D. ALIMONY OR CHILD SUPPORT

FRHA Policy

The methods the PHA will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it *receives regular payments*, verification will be obtained in the following order of priority:

Copies of the receipts and/or payment stubs for the 60 days prior to PHA request

Third-party verification form from the state or local child support enforcement agency

Third-party verification form from the person paying the support

Family's self-certification of amount received

If the family declares that it *receives irregular or no payments*, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts

If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

Note: Families are not required to undertake independent enforcement action.

7-III.E. ASSETS AND INCOME FROM ASSETS

Assets Disposed of for Less than Fair Market Value

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

FRHA Policy

The PHA will verify the value of assets disposed of only if:

The PHA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately \$5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

FRHA Policy

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant.

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income).

If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.G. RETIREMENT ACCOUNTS

FRHA Policy

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member's retirement status.

Before retirement, the PHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.

Upon retirement, the PHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.

After retirement, the PHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For fully excluded income, the PHA is **not** required to follow the verification hierarchy, document why third-party verification is not available, or report the income on the 50058. Fully excluded income is defined as income that is entirely excluded from the annual income determination (for example, food stamps, earned income of a minor, or foster care funds) [Notice PIH 2013-04].

PHAs may accept a family's signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, the PHA **is** required to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is

defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student, or income excluded under the earned income disallowance).

FRHA Policy

The PHA will accept the family's self-certification as verification of fully excluded income. The PHA may request additional documentation if necessary to document the income source.

The PHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

7-III.I. ZERO ANNUAL INCOME STATUS

FRHA Policy

The PHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, credit reports, TANF, SS, SSI, and earnings are not being received by families claiming to have zero annual income.

7-III.J. STUDENT FINANCIAL ASSISTANCE [Notice PIH 2015-21]

Any financial assistance, in excess of amounts received for tuition, , fees, and other required charges that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA would not be able to determine whether or to what extent the income is to be excluded (see section 7-III.H).

FRHA Policy

For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), the PHA will request written third-party verification of both the source and the amount. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, the PHA will request written verification of the student's tuition, fees, and other required charges.

If the PHA is unable to obtain third-party written verification of the requested information, the PHA will pursue other forms of verification following the verification hierarchy in section 7-I.B.

7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents or a *vulnerable youth* in accordance with PHA policy [24 CFR 5.612, FR Notice 4/10/06, p. 18146, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

FRHA Policy

If the PHA is required to determine the income eligibility of a student's parents, the PHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). The PHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the PHA. The required information must be submitted (postmarked) within 10 business days of the date of the PHA's request or within any extended timeframe approved by the PHA.

The PHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. MEDICAL EXPENSE DEDUCTION

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

FRHA Policy

Medical expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts.

The PHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The PHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.

Written third-party verification forms, if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, the PHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.

- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

Eligible Household

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

Qualified Expenses

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for the PHA's policy on what counts as a medical expense.

Unreimbursed Expenses

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

FRHA Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source. If expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

Expenses Incurred in Past Years

FRHA Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, the PHA will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

7-IV.C. DISABILITY ASSISTANCE EXPENSES

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

Attendant Care

FRHA Policy

The PHA will accept written third-party documents provided by the family.

If family-provided documents are not available, the PHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or cancelled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Auxiliary Apparatus

FRHA Policy

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the PHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

Family Member is a Person with Disabilities

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work

The PHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

FRHA Policy

The PHA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family

member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

FRHA Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

7-IV.D. CHILD CARE EXPENSES

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of child care.
- The costs are reasonable.

Eligible Child

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

FRHA Policy

The family (and the care provider) will be required to certify that the child care expenses are not paid or reimbursed to the family from any source.

Pursuing an Eligible Activity

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

FRHA Policy

Information to be Gathered

The PHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special

needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

Whenever possible the PHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the PHA will request family-provided verification from the agency of the member's job seeking efforts to date, and require the family to submit to the PHA any reports provided to the other agency.

In the event third-party verification is not available, the PHA will provide the family with a form on which the family member must record job search efforts. The PHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education

The PHA will request third-party documentation to verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

Gainful Employment

The PHA will seek third-party verification of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

Allowable Type of Child Care

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

FRHA Policy

The PHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).

The PHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

The PHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

Reasonableness of Expenses

Only reasonable child care costs can be deducted.

FRHA Policy

The actual costs the family incurs will be compared with the PHA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]	
<ul style="list-style-type: none"> • All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA. • Except for persons 62 or older, all noncitizens must sign a verification consent form • Additional documents are required based upon the person's status. 	
Elderly Noncitizens <ul style="list-style-type: none"> • A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits. 	
All other Noncitizens <ul style="list-style-type: none"> • Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below. 	
<ul style="list-style-type: none"> • Form I-551 Alien Registration Receipt Card (for permanent resident aliens) • Form I-94 Arrival-Departure Record annotated with one of the following: <ul style="list-style-type: none"> • “Admitted as a Refugee Pursuant to Section 207” • “Section 208” or “Asylum” • “Section 243(h)” or “Deportation stayed by Attorney General” • “Paroled Pursuant to Section 221 (d)(5) of the USCIS” 	<ul style="list-style-type: none"> • Form I-94 Arrival-Departure Record with no annotation accompanied by: <ul style="list-style-type: none"> • A final court decision granting asylum (but only if no appeal is taken); • A letter from a USCIS asylum officer granting asylum (if application is filed on or after 10/1/90) or from a USCIS district director granting asylum (application filed before 10/1/90); • A court decision granting withholding of deportation; or • A letter from an asylum officer granting withholding or deportation (if application filed on or after 10/1/90).

HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits the PHA to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and PHA-established requirements.

All units must pass an HQS inspection prior to the approval of a lease and at least once every 24 months during the term of the contract, and at other times as needed, to determine that the unit meets HQS. HUD also requires PHAs to determine that rents for units under the program are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and PHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections the PHA will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies the PHA will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.

PART I: PHYSICAL STANDARDS

8-I.A. GENERAL HUD REQUIREMENTS

HUD Performance and Acceptability Standards

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

Tenant Preference Items

HUD requires the PHA to enforce minimum HQS but also recognizes that certain judgments about the acceptability of the unit are left to the family. For example, the PHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic appearance of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.

Modifications to Provide Accessibility

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

8-I.B. ADDITIONAL LOCAL REQUIREMENTS

The PHA may impose variations to the HQS as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choices for families. HUD approval is required for variations to the HQS. HUD approval is not required if the variations are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)]. All units must meet minimum standards set forth in the Massachusetts Sanitary Code. In cases of inconsistency between the Code and HQS, the stricter of the two prevails.

Thermal Environment [HCV GB p.10-7]

The PHA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

Clarifications of HUD Requirements

FRHA Policy

As permitted by HUD, the PHA has adopted the following specific requirements that elaborate on HUD standards.

Walls

- In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

Windows

- Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.
- Windows must be weather-stripped as needed to ensure a weather-tight seal.
- Window screens must be in good condition (applies only if screens are present).

Doors

- All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.
- All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

Floors

- All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be resecured and made level. If they cannot be leveled, they must be replaced.
- All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.
- All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

Sinks

- All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.
- All sinks must have functioning stoppers.

Toilets

- All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

Security

- If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

8-I.C. LIFE-THREATENING CONDITIONS [24 CFR 982.404(a); FR Notice 1/18/17]

HUD requires the PHA to define life-threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life-threatening conditions within 24 hours of PHA notification.

FRHA Policy

The following are considered life-threatening conditions:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or fuel oil leaks
 - A fuel storage vessel, fluid line, valve, or connection that supplies fuel to a HVAC unit is leaking or a strong odor is detected with potential for explosion or fire or that results in a health risk if inhaled
- Any electrical problem or condition that could result in shock or fire
 - A light fixture is readily accessible, is not securely mounted to the ceiling or wall, and electrical connections or wires are exposed

- A light fixture is hanging by its wires
- A receptacle (outlet) or switch is missing or broken and electrical connections or wires are exposed
- An open circuit breaker position is not appropriately blanked off in a panel board, main panel board, or other electrical box that contains circuit breakers or fuses
- A cover is missing from any electrical device box, panel box, switch gear box, control panel, etc., and there are exposed electrical connections
- Any nicks, abrasions, or fraying of the insulation that exposes conducting wire
- Exposed bare wires or electrical connections
- Any condition that results in openings in electrical panels or electrical control device enclosures
- Water leaking or ponding near any electrical device
- Any condition that poses a serious risk of electrocution or fire and poses an immediate life-threatening condition
- Absence of a working heating system Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
 - Any components that affect the function of the fire escape are missing or damaged
 - Stored items or other barriers restrict or prevent the use of the fire escape in the event of an emergency
 - The building's emergency exit is blocked or impeded, thus limiting the ability of occupants to exit in a fire or other emergency
- Absence of a functioning toilet in the unit
- Inoperable or missing smoke detectors
- Missing or inoperable carbon monoxide detector
- Missing, damaged, discharged, overcharged, or expired fire extinguisher (where required)
- Gas/oil-fired water heater or heating, ventilation, or cooling system with missing, damaged, improper, or misaligned chimney venting
 - The chimney or venting system on a fuel-fired water heater is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting or gases

- A gas dryer vent is missing, damaged, or is visually determined to be inoperable, or the dryer exhaust is not vented to the outside
- A fuel-fired space heater is not properly vented or lacks available combustion air
- A non-vented space heater is present
- Safety devices on a fuel-fired space heater are missing or damaged
- The chimney or venting system on a fuel-fired heating, ventilation, or cooling system is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting of gas
- Deteriorating paint as defined at 24 CFR 35.110 in a unit built before 1978 that is to be occupied by a family with a child under six years of age if it would prevent the family from moving into the unit

If an owner fails to correct life-threatening conditions as required by the PHA, the PHA will enforce the HQS in accordance with HUD requirements. See 8-II-G.

If a family fails to correct a family-caused life-threatening condition as required by the PHA, the PHA will enforce the family obligations. See 8-II.H.

The owner will be required to repair an inoperable smoke detector

8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]

Family Responsibilities

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain appliances owned by the family
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear that results in a breach of the HQS. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

Owner Responsibilities

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL [24 CFR 35.1225; FR Notice 1/13/17; Notice PIH 2017-13]

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than six years of age, living in an HCV-assisted unit has been

identified as having an elevated blood lead level, the PHA must complete an environmental investigation of the dwelling unit within 15 calendar days after being notified by a public health department or other medical health care provider. The environmental investigation must be completed in accordance with program requirements, and the result of the environmental investigation must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the environmental investigation report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and the PHA will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an elevated blood lead level are discussed in Chapter 16.

8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.401, 24 CFR 982.403]

A dwelling unit must:

- Provide adequate space and security for the family
- Have at least one bedroom or living/sleeping room for each two persons

A unit that does not meet these HQS space standards is defined as *overcrowded*.

A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space [HCV GB p. 10-6]. A bedroom or living/sleeping room must have at least:

- One window
- Two electrical outlets in proper operating condition (permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets)

If the PHA determines that a unit is overcrowded because of an increase in family size or a change in family composition, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms.

PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

The PHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program.
- *Annual/Biennial Inspections.* HUD requires the PHA to inspect each unit under lease at least annually or biennially, depending on PHA policy, to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
- *Special Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be inspected by a supervisor or other qualified individual to evaluate the work of the inspector(s) and to ensure that inspections are performed in compliance with the HQS.

Inspection of PHA-Owned Units [24 CFR 982.352(b)]

The PHA must obtain the services of an independent entity to perform all HQS inspections in cases where an HCV family is receiving assistance in a PHA-owned unit. A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of each inspection to the family and the PHA. The independent agency must be approved by HUD, and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

Inspection Costs [Notice PIH 2016-05]

The PHA may not charge the family for unit inspections or reinspections [24 CFR 982.405(e)]. In the case of inspections of PHA-owned units, the PHA may compensate the independent agency from ongoing administrative fee for inspections performed. The PHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

The PHA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, the PHA may charge a reasonable fee to owners for reinspections in two situations: when the owner notifies the PHA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected. Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to the PHA's administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

FRHA Policy

The PHA will not charge a fee for failed reinspections.

Notice and Scheduling

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

FRHA Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life-threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 5:00 p.m. Generally inspections will be conducted on business days only. Inspections may be conducted Saturdays and holidays. In the case of a life-threatening emergency, the PHA will give as much notice as possible, given the nature of the emergency.

Owner and Family Inspection Attendance

HUD permits the PHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

FRHA Policy

When a family occupies the unit at the time of inspection an authorized adult must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, the PHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted, but is not required.

8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]

Initial Inspections [FR Notice 1/18/17]

The PHA may, but is not required to, approve assisted tenancy and start HAP if the unit fails HQS inspection, but only if the deficiencies identified are non-life-threatening. Further, the PHA may, but is not required to, authorize occupancy if a unit passed an alternative inspection in the last 24 months.

FRHA Policy

The unit must pass the HQS inspection on or before the effective date of the HAP contract.

The PHA will not rely on alternative inspections and will conduct an HQS inspection for each unit prior to executing a HAP contract with the owner.

Timing of Initial Inspections

HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

FRHA Policy

The PHA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner of the determination within 15 business days of submission of the Request for Tenancy Approval (RTA).

Inspection Results and Reinspections

FRHA Policy

On an initial HQS inspection, the owner will be given up to fifteen (15) days to correct the items noted in the event of inspection fail. At its discretion, FRHA may extend beyond the fifteen (15) days, for a period not to exceed thirty (30) days.

It is the owner's responsibility to contact the inspector prior to the deadline to report the items corrected and if necessary schedule another inspection. Depending on the severity of the failed items, the inspector may or may not require a physical reinspection. If the time period given by the inspector to correct the repairs has lapsed, the apartment is disapproved and the household must select another apartment. If the apartment fails a required re-inspection, the apartment is disapproved and the household must select another apartment.

The PHA may agree to conduct a second reinspection, for good cause, at the request of the family and owner.

Utilities

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

FRHA Policy

All utilities must be in service at time of the inspection.

Appliances [Form HUD-52580]

FRHA Policy

If the family is responsible for supplying the refrigerator, the PHA will allow the refrigerator to be placed in the unit after the unit has met all other HQS requirements. The required appliances must be in place before the HAP contract is executed by the PHA.

8-II.C. ANNUAL/BIENNIAL HQS INSPECTIONS [24 CFR 982.405 and 982.406; Notice PIH 2016-05]

FRHA Policy

Each unit under HAP contract must be inspected biennially within 24 months of the last full HQS inspection. If a unit is found to have a life-threatening HQS fail, the owner of that unit will be required to participate in annual inspections for all units for the period of 24 months before being returned to biennial inspections. This does not apply to life-threatening HQS fails caused by tenants. One or more substantiated complaints will also require the owner of that unit to participate in annual inspections for all units for the period of 24 months before being returned to biennial inspections. The PHA reserves the right to require annual inspections of any owner at any time.

The PHA will not rely on alternative inspection standards.

Scheduling the Inspection

FRHA Policy

If an adult cannot be present on the scheduled date, the family should request that the PHA reschedule the inspection. The PHA and family will agree on a new inspection date that generally should take place within five business days of the originally-scheduled date. The PHA may schedule an inspection more than five business days after the original date for good cause.

If the family misses the first scheduled appointment without requesting a new inspection date, the PHA will automatically schedule a second inspection. If the family misses two scheduled inspections without PHA approval, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

8-II.D. SPECIAL INSPECTIONS [24 CFR 982.405(g)]

If a participant or government official reports a life-threatening condition which the owner would be required to repair within 24 hours, the PHA must inspect the unit within 24 hours of notification. If the reported condition is not life-threatening, the PHA must inspect the unit within 15 days of notification.

FRHA Policy

During a special inspection, the PHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the annual/biennial inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the PHA may elect to conduct a full annual/biennial inspection.

8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, annual, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, the PHA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

FRHA Policy

When life-threatening conditions are identified, the PHA will make its best attempts to immediately notify both parties by telephone, facsimile, or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the PHA's notice.

When failures that are not life-threatening are identified, the PHA will send the owner and the family a written notification of the inspection results generally within 5 business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any PHA-approved extension), the owner's HAP will be abated in accordance with PHA policy (see 8-II.G.). Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extension, if applicable) the family's assistance will be terminated in accordance with PHA policy (see Chapter 12).

Extensions

For conditions that are life-threatening, the PHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, the PHA may grant an exception to the required time frames for correcting the violation, if the PHA determines that an extension is appropriate [24 CFR 982.404].

FRHA Policy

Extensions will be granted in cases where the PHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

A repair cannot be completed because required parts or services are not available.

A repair cannot be completed because of weather conditions.

A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case by case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

Reinspections

FRHA Policy

The PHA will conduct a reinspection generally within 10 business days following the end of the corrective period, or any PHA approved extension. The PHA has the option to verify remotely deficiencies have been corrected.

The family and owner will be given reasonable notice of the reinspection appointment. If the deficiencies have not been corrected by the time of the reinspection, the PHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with PHA policies. If the PHA is unable to gain entry to the unit in order to conduct the scheduled reinspection, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

8-II.G. ENFORCING OWNER COMPLIANCE

If the owner fails to maintain the dwelling unit in accordance with HQS, the PHA must take prompt and vigorous action to enforce the owner obligations.

HAP Abatement

If an owner fails to correct HQS deficiencies by the time specified by the PHA, HUD requires the PHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.

FRHA Policy

The PHA will make all HAP abatements effective the first of the month following the expiration of the PHA specified correction period (including any extension).

The PHA will inspect abated units within a reasonable time period after the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection, retroactive to the date the owner notified the PHA work had been completed.

EXAMPLE:

On Monday July 15th Marks apartment fails for non- emergency deficiencies. The owner is notified that they have 30 days to complete all repairs.

After the 30 days is up, the inspection company automatically reinspects the unit. If the violations are not completed , the abatement process will start on September 1.

The owner notifies the FRHA on September 10 that the violations are complete. The unit is rechecked or verified via photos and the unit passes.

HAP payments commence and will be retroactive to the date that the owner had notified the FRHA (September 10th)

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

HAP Contract Termination

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

FRHA Policy

The maximum length of time that HAP may be abated is 120 days. However, if the owner completes corrections and notifies the PHA before the termination date of the HAP contract, the PHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the PHA is 30 days.

EXAMPLE:

3/14 Unit fails annual/biennial inspection

4/12 Unit fails reinspection.

5/1 FRHA abates the HAP on the first of the month following the reinspection

6/30 After 60 days of the unit remaining in abatement, FRHA notifies the family and issues the family a voucher to move and sends a 30- day Pending HAP Contract Termination notice effective 8/1

8/1 HAP Contract terminated

8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

PART III: RENT REASONABLENESS [24 CFR 982.507]

8-III.A. OVERVIEW

Except in the case of certain LIHTC- and HOME-assisted units, no HAP contract can be approved until the PHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit's rent is reasonable.

PHA-Owned Units [24 CFR 982.352(b)]

In cases where an HCV family is receiving assistance in a PHA-owned unit, the PHA must obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements, and to assist the family in negotiating the contract rent when the family requests assistance. A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of the rent reasonableness determination to the family and the PHA. The independent agency must be approved by HUD, and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

Owner-Initiated Rent Determinations

The PHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. The PHA (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy the PHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

FRHA Policy

After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner's lease. For rent increase requests after initial lease-up, the PHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises the PHA will consider unit size and length of tenancy in the other units.

The PHA will generally determine whether the requested increase is reasonable within 10 business days of receiving the request and all supporting documentation from the owner. The owner will be notified of the determination in writing.

All rents adjustments will be effective the first of the month following 60 days after the PHA's receipt of the owner's request or on the date specified by the owner, whichever is later.

PHA- and HUD-Initiated Rent Reasonableness Determinations

HUD requires the PHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the fair market rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the PHA to make a determination at any other time. The PHA may decide that a new determination of rent reasonableness is needed at any time.

FRHA Policy

In addition to the instances described above, the PHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) the PHA determines that the initial rent reasonableness determination was in error or (2) the PHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.

LIHTC- and HOME-Assisted Units [24 CFR 982.507(c)]

For units receiving low-income housing tax credits (LIHTCs) or units assisted under HUD's HOME Investment Partnerships (HOME) Program, a rent comparison with unassisted units is not required if the voucher rent does not exceed the rent for other LIHTC- or HOME-assisted units in the project that are not occupied by families with tenant-based assistance.

For LIHTCs, if the rent requested by the owner does exceed the LIHTC rents for non-voucher families, the PHA must perform a rent comparability study in accordance with program regulations. In such cases, the rent shall not exceed the lesser of: (1) the reasonable rent as determined from the rent comparability study; or (2) the payment standard established by the PHA for the unit size involved.

8-III.C. HOW COMPARABILITY IS ESTABLISHED

Factors to Consider

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made

- Amenities, services, and utilities included in the rent

Units that Must Not Be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance [Notice PIH 2002-22, Notice PIH 2005-20, and Notice PIH 2011-46].

Note: Notice PIH 2011-46, issued August 17, 2011, provides further guidance on the issue of what constitutes an assisted unit.

Rents Charged for Other Units on the Premises

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting the PHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give the PHA information regarding rents charged for other units on the premises.

8-III.D. PHA RENT REASONABLENESS METHODOLOGY

How Market Data Is Collected

FRHA Policy

The PHA will primarily utilize www.gosection8.com which will collect and maintain data on market rents in the PHA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes.

The data will be updated on an ongoing basis and rent information that is more than 12 months old will be archived in www.gosection8.com. Market Rent Data greater than 12 months old will not be used for eligibility but may be used for reference.

How Rents Are Determined

FRHA Policy

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area. The PHA will develop a range of prices for comparable units by bedroom size within defined market areas. Units proposed for HCV assistance will be compared to the units within this rent range. Because units may be similar, but not exactly like the unit proposed for HCV assistance, the PHA may make adjustments to the range of prices to account for these differences. The adjustment must

reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

The PHA uses a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Geocoded maps will be used to identify the non-assisted units in closest proximity to the subject unit, and unit data information will be used to select the most similar units.

In comparing rents, the PHA will take into account critical market factors that impact rent, including the location, quality, size, unit type, and age of the contract unit, as well as any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

Where comparable units differ from the unit proposed for HCV assistance, the PHA will determine whether those differences impact rent. Where they do, the PHA will adjust the rental value of the comparable units, up or down, based on the market value of these factors. The rent for the unit proposed for HCV assistance will be compared to the adjusted rents for the comparable units, enabling a fair, accurate, market-based determination of rent reasonableness.

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom). The adjustment must reflect the rental value of the difference – not its construction costs (e.g., it might cost \$20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rents units are presumed to have functioning roofs). When a comparable project offers rent concessions (e.g., first month rent-free, or reduced rent) reported monthly rents will be adjusted accordingly. For example, if a comparable project reports rents of \$500/month but new tenants receive the first month's rent free, the actual rent for the unit would be calculated as follows: $\$500 \times 11 \text{ months} = 5500 / 12 \text{ months} = \text{actual monthly rent of } \488 .

The PHA will notify the owner of the rent the PHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. The PHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within 5 business days of the PHA's request for information or the owner's request to submit information.

EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS

Note: This document provides an overview of HQS. For more detailed information see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Sanitary Facilities

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

Food Preparation and Refuse Disposal

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

Space and Security

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

Thermal Environment

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

Illumination and Electricity

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

Structure and Materials

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

Interior Air Quality

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

Water Supply

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

Lead-Based Paint

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities within 30 days when identified by the PHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint
- Maintain covered housing without deteriorated paint if there is child under six in the family

For units occupied by elevated blood lead level (lead poisoned) children under six years of age, an environmental investigation must be conducted (paid for by the PHA). If lead hazards are identified during the environmental investigation, the owner must complete hazard reduction activities within 30 days.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

Access

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

Site and Neighborhood

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.

Sanitary Condition

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

Smoke Detectors

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

Hazards and Heath/Safety

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- *Sanitary Facilities.* The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
- *Food Preparation and Refuse Disposal.* The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.
- *Space and Security.* The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.
- *Energy conservation items.* The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.
- *Illumination and Electricity.* The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.

- (6) *Structure and Materials*. Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.
- (7) *Indoor Air*. Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.
- (8) *Sanitary Conditions*. The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.
- (9) *Neighborhood conditions*. Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.

Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager of his/her rights and obligations under the Violence against Women Act of 2013 (VAWA) [24 CFR 5.2005(a)(2)].

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records) and the name and address (if known to the PHA) of the landlord at the family's current and prior address [24 CFR 982.307(b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the tenancy history or drug trafficking of family members [24 CFR 982.307(b)(2)].

The PHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

The PHA may not disclose to the owner any confidential information provided by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(b)(4)].

FRHA Policy

The PHA will not screen applicants for family behavior or suitability for tenancy.

The PHA will not provide additional screening information to the owner.

9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the

rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

FRHA Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease and Tenant Lead Law Notification Certification) must be submitted.

The family may not submit, and the PHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the PHA will review the RTA for completeness.

When the family submits the RTA and proposed lease, the PHA will also review the terms of the RTA for consistency with the terms of the proposed lease. If the terms of the RTA are not consistent with the terms of the proposed lease, the PHA will notify the family and the owner of the discrepancies.

Because of the time sensitive nature of the tenancy approval process, the PHA will attempt to communicate with the owner and family by phone, fax, or email.

9-I.C. OWNER PARTICIPATION

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which the PHA must disapprove an owner. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental

dwelling unit on the market in the PHA's jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

PHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA.

FRHA Policy

The PHA does not have any eligible PHA-owned units available for leasing under the voucher program.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(c)]

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;

- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

Unit Size

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

Rent Burden [24 CFR 982.508]

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family's adjusted monthly income. The term "family share" refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner's lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

Term of Assisted Tenancy

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

[FRHA Policy](#)

The PHA will not approve an initial lease term of less than one (1) year.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

Security Deposit [24 CFR 982.313 (a) and (b)]

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

FRHA Policy

The PHA will allow the owner to collect any security deposit amount the owner determines is appropriate. Therefore, no modifications to the HAP contract will be necessary.

Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by the PHA minus the PHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

PHA Review of Lease

The PHA will review the dwelling lease for compliance with all applicable requirements.

FRHA Policy

If the dwelling lease is incomplete or incorrect, the PHA will notify the family and the owner of the deficiencies.

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

FRHA Policy

The PHA will not review the owner's lease for compliance with state/local law.

9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

FRHA Policy

The PHA will complete its determination within 10 business days of receiving all required information.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the PHA, the PHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.

Corrections to the RTA/proposed lease will only be accepted as hard copies, in-person, by mail, by email, or by fax. The PHA will not accept corrections over the phone.

If the PHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified and given the opportunity to address any reasons for disapproval. The PHA will instruct the owner and family of the steps that are necessary to obtain approval of the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability or rent reasonableness, the PHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract form is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The PHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60-day period is void, and the PHA may not pay any housing assistance payment to the owner.

FRHA Policy

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the PHA. The PHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The owner and the PHA will execute the HAP contract. The PHA will not execute the HAP contract until the owner has submitted IRS form W-9. The PHA will ensure that the owner receives a copy of the executed HAP contract.

As required under VAWA 2013, once the HAP contract and lease have been executed and the family has been admitted to the program, the PHA will notify families of their rights under VAWA by providing all families with a copy of the domestic violence certification form (HUD-5382) as well as the VAWA notice of occupancy rights (form HUD-5380).

See Chapter 13 for a discussion of the HAP contract and contract provisions.

9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease

- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of the rent to owner, the owner must notify the PHA at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

FRHA Policy

Where the owner is requesting a rent increase, the PHA will determine whether the requested increase is reasonable generally within 10 business days of receiving the request and all supporting documentation from the owner. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60- day period after the owner notifies the PHA of the rent change or on the date specified by the owner, whichever is later.

Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA's HCV program, whether the family moves to another unit within the PHA's jurisdiction or to a unit outside the PHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA's jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.354(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

FRHA Policy

If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give the PHA a copy of the termination agreement.

- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].
- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member [24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to the PHA, if the family or family member who is the victim reasonably believed that he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)]. The PHA must adopt an emergency transfer plan as required by regulations at 24 CFR 5.2007(e).

FRHA Policy

If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the PHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, the PHA will request that the resident request the emergency transfer using form HUD-5383, and the PHA will request documentation in accordance with section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.

The PHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, the PHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

The PHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.

- The PHA has terminated the HAP contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- The PHA determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

10-I.B. RESTRICTIONS ON MOVES

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

Denial of Moves

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

Insufficient Funding

The PHA may deny a family permission to move either within or outside the PHA's jurisdiction if the PHA does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

FRHA Policy

The PHA will deny a family permission to move on grounds that the PHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the PHA; (b) the PHA can demonstrate that the move will, in fact, result in higher subsidy costs (c) the PHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher.

If the PHA does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed HQS), the family may move to a higher cost unit if the move is within the PHA's jurisdiction. The PHA, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

Grounds for Denial or Termination of Assistance

The PHA may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

FRHA Policy

In determining whether to deny permission to move, the PHA will consider the criteria under federal regulations at 24 CFR 982.552(c)(1) and applicable alternative requirements. These include:

- The family has violated any family obligations under the program.
- Any member of the family has been evicted from federally assisted housing in the last five years.
- A PHA has ever terminated assistance under the program for any member of the family.
- Any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program (see also 24 CFR 982.553(a)(1)).
- The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 U.S. Housing Act.
- The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- The family breaches an agreement with the PHA to pay amounts owed to a PHA or amounts paid to an owner by a PHA. (The PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA. The PHA may prescribe the terms of the agreement.)
- The family has engaged in or threatened abusive or violent behavior toward PHA personnel.
- A welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.
- The family has been engaged in criminal activity or alcohol abuse as described in 24 CFR 982.553.

Restrictions on Elective Moves [24 CFR 982.354(c)]

HUD regulations permit the PHA to prohibit any elective move by a participant family during the family's initial lease term. They also permit the PHA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member. (For the policy on documentation of abuse, see section

10-I.A.) In addition, the PHA may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

FRHA Policy

The PHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within the PHA's jurisdiction or outside it under portability.

The PHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in the PHA's jurisdiction.

The PHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the PHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2) and has discretion to consider mitigating circumstances warranting and allowing an elective move.

10-I.C. MOVING PROCESS

Notification

If a family wishes to move to a new unit, the family must notify the PHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside the PHA's jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

Approval

FRHA Policy

Upon receipt of a family's notification that it wishes to move, the PHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. The PHA will notify the family in writing of its determination within 10 business days following receipt of the family's notification.

Reexamination of Family Income and Composition

FRHA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

FRHA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move. No briefing is required for these families. The PHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and the PHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

FRHA Policy

The PHA will utilize a "Key Receipt" form to ensure that family fully vacates one assisted unit before they occupy another. The PHA requires the family to have the "Key Receipt" form signed by the owner for the unit from which they are moving, confirming that the keys have been returned.

Zero HAP Families Who Wish to Move [24 CFR 982.455]

A participant who is not receiving any subsidy, but whose HAP contract is still in force, may request a voucher to move to a different unit. The PHA must issue a voucher to move unless it has grounds to deny assistance under the program regulations. However, if the PHA determines no subsidy would be paid at the new unit, the PHA may refuse to enter into a HAP contract on behalf of the family.

PHA Policy

If a zero HAP family requests to move to a new unit, the family may request a voucher to move. However, if no subsidy will be paid at the unit to which the family requests to move, the PHA will not enter into a HAP contract on behalf of the family for the new unit.

PART II: PORTABILITY

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the initial PHA. The PHA that has jurisdiction in the area to which the family wants to move is called the receiving PHA.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA's voucher. Based on the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family [24 CFR 982.255(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside the PHA's jurisdiction under portability. However, HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

FRHA Policy

In determining whether or not to deny an applicant family permission to move under portability because the PHA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter. If the PHA does deny the move due to insufficient funding, the PHA will notify HUD in writing within 10 business days of the PHA's determination to deny the move.

In addition, the PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

FRHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the PHA's jurisdiction at the time that the family's initial application for assistance was submitted, the family must lease a unit within the initial PHA's jurisdiction for at least 12 months before requesting portability.

The PHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, or stalking.

Participant Families

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act of 2013 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.353(b)].

FRHA Policy

The PHA will determine whether a participant family may move out of the PHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The PHA will notify the

family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

Determining Income Eligibility

Applicant Families

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [24 CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

Participant Families

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

Reexamination of Family Income and Composition

No new reexamination of family income and composition is required for an applicant family.

FRHA Policy

For a participant family approved to move out of its jurisdiction under portability, the PHA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.

The PHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

FRHA Policy

No formal briefing will be required for a participant family wishing to move outside the PHA's jurisdiction under portability. However, the PHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5).

The PHA will provide the name, address, and phone of the contact for the PHAs in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, the PHA will advise the family that the family selects the receiving PHA and notify the initial PHA of which receiving PHA was selected. The PHA will provide the family with contact information for all of the receiving PHAs that serve the area. The PHA will advise the family that they will be

under the RHA's policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

FRHA Policy

For participating families approved to move under portability, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move.

The initial term of the voucher will be 120 days.

Voucher Extensions and Expiration

FRHA Policy

The PHA will generally approve extensions to a voucher issued to an applicant or participant family porting out of the PHA's jurisdiction. To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 90 days following the expiration date of the initial PHA's voucher term (including any extensions) and will work cooperatively with the other PHA. (See below under "Initial Billing Deadline" for one exception to this policy.)

Preapproval Contact with the Receiving PHA

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA via e-mail or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family's voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

FRHA Policy

The PHA will use email, fax or telephone when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.

Initial Notification to the Receiving PHA

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

FRHA Policy

Because the portability process is time-sensitive, the PHA will notify the receiving PHA by phone, fax, or email to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email address, and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. The PHA will pass this information along to the family. The PHA will also ask

for the name, address, telephone number, fax and email of the person responsible for processing the billing information.

Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family's voucher [Notice PIH 2016-09]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family's current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

FRHA Policy

In addition to these documents, the PHA will upon request, provide the following information, if available, to the receiving PHA:

Social security numbers (SSNs)

Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system

Documentation of legal identity

Documentation of citizenship or eligible immigration status

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

The PHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

Initial Billing Deadline [Notice PIH 2016-09]

The deadline for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the initial PHA in writing. The initial PHA may report to HUD the receiving PHA's failure to comply with the deadline.

If the initial PHA will honor the late billing, no action is required.

FRHA Policy

If the PHA has not received an initial billing notice from the receiving PHA within the billing deadline, it will contact the receiving PHA to inform them that it will not honor a

late billing submission and will return any subsequent billings that it receives on behalf of the family. The PHA will send the receiving PHA a written confirmation of its decision by mail.

The PHA will allow an exception to this policy if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]

If the receiving PHA is administering the family's voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

FRHA Policy

The initial PHA will utilize direct deposit or hard copy check, to ensure that the payment is received by the deadline unless the receiving PHA notifies the initial PHA that direct deposit is not acceptable to them. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Annual Updates of Form HUD-50058

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09.

Denial or Termination of Assistance [24 CFR 982.355(c)(17)]

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the receiving PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

Responding to Initial PHA's Request [24 CFR 982.355(c)]

The receiving PHA must respond via email or other confirmed delivery method to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA (24 CFR 982.355(c)(4)).

FRHA Policy

The PHA will use email, when possible, to notify the initial PHA whether it will administer or absorb the family's voucher.

Initial Contact with Family

When a family moves into the PHA's jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA's procedures for incoming portable families. The family's failure to comply may result in denial or termination of the receiving PHA's voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under "Denial or Termination of Assistance.")

Briefing

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2016-09].

FRHA Policy

The PHA will not require the family to attend a briefing. The PHA will provide the family with a briefing packet (as described in Chapter 5) and, in an individual briefing,

will orally inform the family about the PHA's payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process. The PHA will suggest that the family attend a full briefing at a later date.

Income Eligibility and Reexamination

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(9)]. If the receiving PHA opts to conduct a new reexamination for a current participant family, the receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

FRHA Policy

For any family moving into its jurisdiction under portability, the PHA will conduct a new reexamination of family income and composition concurrent with new lease and contract execution. However, the PHA will not delay issuing the family a voucher for this reason. Nor will the PHA delay approving a unit for the family until the reexamination process is complete unless the family is an applicant and the PHA cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.

In conducting its own reexamination, the PHA will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.

Voucher Issuance

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(15)].

Timing of Voucher Issuance

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2016-09].

FRHA Policy

When a family ports into its jurisdiction, the PHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired or the family does not comply with the PHA's procedures. The PHA will update the family's information when verification has been completed.

Voucher Term

The term of the receiving PHA's voucher may not expire before 30 calendar days from the expiration of the initial PHA's voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the

term of the voucher, the receiving PHA's voucher may not expire before 30 days from the new expiration date of the initial PHA's voucher [Notice PIH 2016-09].

FRHA Policy

The receiving PHA's voucher will expire 30 calendar days from the expiration date of the initial PHA's voucher. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Voucher Extensions [24 CFR 982.355(c)(14), Notice 2016-09]

Once the receiving PHA issues the portable family a voucher, the receiving PHA's policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

FRHA Policy

The PHA generally will extend the term of the voucher that it issues to an incoming portable family if approved by the issuing PHA, unless the PHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

The PHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]

If the family submits a request for tenancy approval during the term of the receiving PHA's voucher, the PHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-II.E).

Notifying the Initial PHA

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2016-09].

Administering a Portable Family's Voucher

Portability Billing [24 CFR 982.355(e)]

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA's program is determined in the same manner as for other families in the receiving PHA's program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA's ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee).

If both PHAs agree, the PHAs may negotiate a different amount of reimbursement.

FRHA Policy

Unless the PHA negotiates a different amount of reimbursement with the initial PHA, the PHA will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.

Initial Billing Deadline

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be **received** no later than 90 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher's term (see Initial Billing Section). A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or email.

FRHA Policy

The PHA will send its initial billing notice by fax or email, if necessary, to meet the billing deadline but will also send the notice by regular mail.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2016-09].

Ongoing Notification Responsibilities [Notice PIH 2016-09, HUD-52665]

Annual Reexamination. The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

FRHA Policy

The PHA will send a copy of the updated HUD-50058 by regular mail no later than 30 business days after the effective date of the reexamination.

Change in Billing Amount. The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

Late Payments [Notice PIH 2016-09]

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

Overpayments [Notice PIH 2016-09]

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.

Denial or Termination of Assistance

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [HUD-52665; Notice PIH 2016-09].

FRHA Policy

If the PHA elects to deny or terminate assistance for a portable family, the PHA will notify the initial PHA within 30 business days after the informal review or hearing if the denial or termination is upheld. The PHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

Absorbing a Portable Family

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that the PHA has funding available under its annual contributions contract (ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2016-09].

FRHA Policy

If the PHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, the PHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If the PHA decides to absorb a family after that, it will provide the initial PHA with 30 days' advance notice, but no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].

Chapter 11

REEXAMINATIONS

INTRODUCTION

The PHA is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]

11-I.A. OVERVIEW

The PHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

11-I.B STREAMLINED ANNUAL REEXAMINATIONS [24 CFR 982.516(b)]

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years the PHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or rate of interest. The PHA may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the PHA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources. If at least 90 percent of the family's income is from fixed sources, the PHA may streamline the verification of fixed income but is not required to verify non-fixed income amounts.. If the family receives less than 90 percent of its income from fixed sources, the PHA may streamline the verification of fixed income and must verify non-fixed income annually.

FRHA Policy

The PHA will streamline the annual reexamination process by applying the verified COLA or interest rate to fixed-income sources. The PHA will document in the file how the determination that a source of income was fixed was made.

If a family member with a fixed source of income is added, the PHA will use third-party verification of all income amounts for that family member.

If verification of the COLA or rate of interest is not available, the PHA will obtain third-party verification of income amounts.

Third-party verification of fixed sources of income will be obtained during the intake process and at least once every three years thereafter.

Third-party verification of non-fixed income will be obtained annually regardless of the percentage of family income received from fixed sources.

11-I.C. SCHEDULING ANNUAL REEXAMINATIONS

The PHA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period, and may require reexaminations more frequently [HCV GB p. 12-1].

FRHA Policy

The PHA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, the PHA will schedule annual reexamination effective dates to coincide with the family's anniversary date.

Anniversary date is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

If the family moves to a new unit, the PHA will perform a new annual reexamination.

The PHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

Notification of and Participation in the Annual Reexamination Process

The PHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

FRHA Policy

Annual reexaminations will be conducted by mail. Notification of the annual reexamination will be sent by first-class mail and will inform the family of the information and documentation that must be provided to the PHA, and the deadline for providing it. Documents will be accepted by mail, by fax, or in-person. If the notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, as well as to any alternate address provided in the family's file.

An interview will be scheduled if the family requests assistance in providing information or documentation requested by the PHA. If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. If a family does not attend the scheduled interview, the PHA will send a second notification with a new interview appointment time.

Families that fail to attend two scheduled interviews without PHA approval will be sent a notice of termination in accordance with policies contained in Chapter 12.

An advocate, interpreter, or other assistant may assist the family in the interview process. The family and the PHA must execute a certification attesting to the role and assistance of any such third party.

11-I.D. CONDUCTING ANNUAL REEXAMINATIONS

As part of the annual reexamination process, families are required to provide updated information to the PHA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

FRHA Policy

Families will be asked to supply all required information (as described in the reexamination notice) before the deadline specified in the notice. The required information will include a PHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documents or forms related to the family's income, expenses, and family composition.

The PHA will notify the family in writing if any required documentation or information is missing. The missing information or documentation must be provided within 10 business days of the date the PHA notifies the family. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (see Chapter 12).

If the family requests or the PHA schedules an in-person interview, families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (see Chapter 12).

At the annual reexamination, the PHA will ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state. The PHA will use the Dru Sjodin National Sex Offender database to verify the information provided by the tenant. If the PHA proposes to terminate assistance based on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination. [24 CFR 5.903(f) and 5.905(d)]. (See Chapter 12.)

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the PHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the housing quality standards (HQS) (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

11-I.E. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents or is considered a *vulnerable youth* in accordance with FRHA Policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

FRHA Policy

During the annual reexamination process, the PHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents or is considered a *vulnerable youth* based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), the PHA will process a reexamination in accordance with the policies in this chapter.

11-I.F. EFFECTIVE DATES

The PHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

FRHA Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

- If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.
- If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.
- If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA, but will always allow for the 30-day notice period.
- If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

- If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.
- If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA.
- If the family causes a delay in processing the annual reexamination, decreases in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]

11-II.A. OVERVIEW

Family circumstances may change between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes. HUD regulations also permit the PHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. The PHA must complete the interim reexamination within a reasonable time after the family's request.

This part includes HUD and PHA policies describing what changes families are required to report, what changes families may choose to report, and how the PHA will process both PHA- and family-initiated interim reexaminations.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

The family is required to report all changes in family composition. The PHA must adopt policies prescribing when and under what conditions the family must report changes in income and family composition. However, due to family obligations under the program, the PHA has limited discretion in this area.

[FRHA Policy](#)

The PHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

New Family Members Not Requiring PHA Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

[FRHA Policy](#)

The family must inform the PHA of the birth, adoption, or court-awarded custody of a child within 30 business days.

New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request from the owner and the PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, the PHA must make appropriate adjustments in the family share of the rent and the HAP payment at the effective date of either the annual or interim reexamination [24 CFR 982.516(e)(2)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

FRHA Policy

Household requesting to add additional members must be in good standing, those who are not in good standing will not be permitted to add additional members to their household.

Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days or 90 cumulative days within a 12-month period and therefore no longer qualifies as a "guest."

In addition, the PHA requires a letter from the head of household's landlord agreeing to add family member(s). Requests must be made in writing and approved by the PHA prior to the individual moving into the unit.

The PHA will not approve the addition of a new family or household member unless the individual meets the PHA's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

The PHA will not approve the addition of a new household member if the increase in family size is the result of a return of a household member who had previously been listed as a household member, less than twelve months prior to the application to be added back to the household.

The PHA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards. The PHA will not approve the addition of new family or household members other than by birth, adoption, court-awarded custody or marriage, if it will require the family to receive a larger voucher size, unless the family can demonstrate that there are medical needs or other extenuating circumstances, including reasonable accommodation that should be considered by the PHA. Exceptions will be made on a case-by-case basis.

The PHA will not approve requests for additions to family composition where the request intends to provide housing assistance to extended families or multiple households. Information will be provided to the participant regarding other housing alternatives for the second household.

For the addition of children, the head of household must provide documentation to reflect legal custody, a letter from the parents or school records to indicate the address of the child/children and responsible guardian. Custody documentation for minors who are not head of household's children to include: (1) a court order establishing custody; or (2) proof that the adult is receiving income for the child; or

(3) custodial affidavit signed by one of the parents authorizing the head of household to maintain custody of the minor; or (4) records from the school or medical records which establish the unit as the child's residence.

If the PHA determines an individual meets the PHA's eligibility criteria and documentation requirements, the PHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to HQS standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If the PHA determines that an individual does not meet the PHA's eligibility criteria or documentation requirements, the PHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The PHA will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

Departure of a Family or Household Member

Families must promptly notify the PHA if any family member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the PHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

FRHA Policy

If a household member ceases to reside in the unit, the family must inform the PHA within 30 business days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

Regardless of when an adult has moved out of the household, staff must require two pieces of information before the household member—and their income—can officially be removed from the household.

1. Written request by the household member to be removed from the household, including actual move-out date and new contact information; and
2. Verification of the new address, such as a change of address confirmation, new lease, or utility bills at new unit.

If the head of household is no longer in contact with the removed household member or that household member is not able to be contacted, such as in cases of incarceration, the head of household may provide written verification of the household member's departure. Included shall be the reason for removal, reason why the household member cannot provide documentation, and any contact information, if known. Appropriate verification shall be provided, as available.

11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Interim reexaminations can be scheduled either because the PHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, the PHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

PHA-Initiated Interim Reexaminations

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by the PHA. They are not scheduled because of changes reported by the family.

FRHA Policy

The PHA will conduct interim reexaminations in each of the following instances:

- For families receiving the Earned Income Disallowance (EID), the PHA will conduct an interim reexamination at the start and conclusion of the 24-month eligibility period.
- If the family has reported zero income, the PHA will conduct an interim reexamination every 3 months as long as the family continues to report that they have no income.
- If at the time of the annual reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), the PHA will schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.
- If at the time of the annual reexamination, tenant declarations were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the PHA will conduct an interim reexamination.
- The PHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

Family-Initiated Interim Reexaminations

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

Required Reporting

HUD regulations give the PHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

FRHA Policy

Families are required to report all increases in income within 30 business days of the change occurring. The PHA will conduct an interim reexamination to recalculate the new family share of rent and new subsidy amount.

Optional Reporting

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. The PHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

FRHA Policy

If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, the PHA will note the information in the tenant file, but will not conduct an interim reexamination.

If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, the PHA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.

11-II.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

FRHA Policy

The family may notify the PHA of changes either orally or in writing. If the family provides oral notice, the PHA may also require the family to submit the changes in writing.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the PHA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, the PHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 30 business days of receiving a request from the PHA. This time frame may be extended for good cause with PHA approval. The PHA will accept required documentation by mail, by email, by fax, or in person.

Effective Dates

The PHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

FRHA Policy

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to *decrease*:

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, the PHA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the PHA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When the PHA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If the PHA's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
 - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
 - If the payment standard amount has *decreased*, during the term of a HAP contract, the PHA is not required to reduce the payment standard as the HAP contract remains in effect. At the family's *second annual* reexamination, the PHA may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for the PHA's policy on decreases in the payment standard).
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

Subsidy Standards [24 CFR 982.505(c)(4)]

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the PHA's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard

amount for the family at the family's *first annual* reexamination following the change in family unit size.

Utility Allowances [24 CFR 982.517(d)]

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in the PHA's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the PHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the PHA must use the PHA current utility allowance schedule [HCV GB, p. 18-8].

FRHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT

The PHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the PHA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

FRHA Policy

The notice will state the family has the right to request an explanation of how the assistance was calculated and if the family disagrees, they have the right to request an informal hearing.

11-III.D. DISCREPANCIES

During an annual or interim reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, the PHA may discover errors made by the PHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 13.

Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family's assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the PHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that the PHA will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA will use when deciding what action to take, and the steps the PHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner's right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the PHA to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits the PHA to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the PHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family's income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by the PHA is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

FRHA Policy

Once a participant family's assistance is reduced to zero, the PHA shall send notice to the participant family and to the landlord stating that participation in the program will terminate within 180 days by operation of law, unless an interim adjustment takes place.

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

Following the conclusion of 180 days, if no interim adjustment has taken place, the family will receive notice that their participation in the program has terminated by operation of law. The landlord will also receive notice that the HAP contract has terminated by operation of law.

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE

The family may request that the PHA terminate housing assistance payments on behalf of the family at any time.

FRHA Policy

The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires the PHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-

II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

FRHA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the PHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the PHA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.

Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be based on an individual residing in the unit for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, the PHA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

FRHA Policy

The PHA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

Lifetime Registered Sex Offenders [Notice PIH 2012-28]

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the PHA must immediately terminate assistance for the household member.

In this situation, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must terminate assistance for the household.

If a household member becomes a registered sex offender during the time the household member is a member of an assisted household, the t FRHA may elect to terminate the assistance of the individual household member or offer the family to remove the offender.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must the terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]

The PHA must immediately terminate program assistance for deceased single member households.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(I)]

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

Use of Illegal Drugs and Alcohol Abuse

FRHA Policy

The PHA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, on or off the premises, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The PHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Currently engaged in is defined as any use or possession of illegal drugs during the previous thirty-six months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

A record of personal arrest(s) of an individual will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

FRHA Policy

The PHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The PHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record of or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Other Authorized Reasons for Termination of Assistance **[24 CFR 982.552(c), 24 CFR 5.2005(c)]**

HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act of 2013 explicitly prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault, or stalking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per the alternative requirements listed in the *Federal Register* notice dated December 29, 2014, PHAs are no longer permitted to terminate assistance to a family due to the family's failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation [FR Notice 12/29/14].

FRHA Policy

The PHA **will** terminate a family's assistance if:

- The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related PHA policies.
- Any family member has been evicted from federally assisted housing in the last five years.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

- The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- The family has breached the terms of a repayment agreement entered into with the PHA.
- A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.
 - *Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.
 - *Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

FRHA Policy

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. A sole member of a household that is incarcerated will be terminated if absent from the unit more than 60 consecutive days in a calendar year. Notice of termination will be sent in accordance with Section 12-II.F.

Insufficient Funding [24 CFR 982.454]

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

FRHA Policy

The PHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the PHA determines there is a shortage of funding, prior to terminating any HAP contracts, the PHA will determine if any other actions can be taken to reduce program costs.

In the event that the PHA decides to stop issuing vouchers as a result of a funding shortfall, and the PHA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when the PHA resumes issuing vouchers, the PHA

will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable. If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the PHA will terminate HAP contracts as a last resort. Prior to terminating any HAP contracts, the PHA will inform the local HUD field office. The PHA will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA's annual budget authority. If the PHA must terminate HAP contracts due to insufficient funding, the PHA will do so in accordance with the following criteria and instructions:

First in, first out. Under this option the PHA would terminate families according to the date of the family's admission to the program, starting with those who have been receiving assistance the longest. As long as this type of policy exempts elderly and disabled families, it is consistent with the philosophy of "time limits" for housing assistance under HUD's Flexible Voucher Program proposal, as well as the conference report recommendation to protect elderly and disabled families.

Families comprising the required number of special purpose vouchers, including nonelderly disabled (NED), HUD-Veteran's Affairs Supportive Housing (HUD-VASH), and family unification program (FUP) will be the last to be terminated.

PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

The PHA is required by regulation to terminate a family's assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give the PHA the authority to either terminate the family's assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the PHA's intent to terminate assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

FRHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address by verifying to the PHA's satisfaction at least two of the following: valid license, automobile registration, lease, pay-stub, or current bank statement.

Repayment of Family Debts

FRHA Policy

If a family owes amounts to the PHA, as a condition of continued assistance, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

FRHA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Use of Criminal Conviction Records after Admission [24 CFR 5.903]

The regulation at 24 CFR 5.903 governs a PHA's access to and use of criminal conviction records obtained from a "law enforcement agency" such as the National Crime Information Center (NCIC), police departments, and other law enforcement agencies that hold criminal conviction records. While the regulatory listing of permitted uses for these records includes PHA screening of applicants for admission to the HCV program, it specifically excludes the use of records for lease enforcement and eviction of HCV participants and excludes by omission a PHA's use of records to terminate assistance for participants. While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose. The limitations, however, do not apply to criminal conviction information searches from non-federal sources (i.e., sources other than the "law enforcement agencies" defined in 24 CFR 5.902(b)). There is no prohibition that bars a PHA from using non-federal sources to conduct criminal background checks of program participants.

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

FRHA Policy

The PHA will consider the following facts and circumstances when making its decision to terminate assistance:

- The seriousness of the case, especially with respect to how it would affect other residents' safety or property
- The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as

discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking

- The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future
- While a record or records of arrest) will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:
 - Any statements made by witnesses or the participant not included in the police report
 - Whether criminal charges were filed
 - Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal
 - Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity
- Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully
- The PHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.
- In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

FRHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family's request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

This section describes the protections against termination of assistance that the Violence against Women Act of 2013 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame,

and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat" [24 CFR 5.2005(d)(3)].

FRHA Policy

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within an immediate time frame
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA's determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

Documentation of Abuse [24 CFR 5.2007]

FRHA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual's file.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

If the perpetrator remains in the unit, the PHA continues to pay the owner until the PHA terminates the perpetrator from the program. The PHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The PHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the PHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.

FRHA Policy

The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and section 16-IX.D. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

12-II.F. TERMINATION NOTICE

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family’s HAP contract and lease will also terminate when the family’s assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

FRHA Policy

Whenever a family's assistance will be terminated, the PHA will send a written notice of termination to the family and to the owner. The PHA will also send a form HUD-5382 and form HUD-5380 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other PHA policies, or the circumstances surrounding the termination require.

When the PHA notifies an owner that a family's assistance will be terminated, the PHA will, if appropriate, advise the owner of his/her right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. VAWA 2013 expands notification requirements to require PHAs to provide notice of VAWA rights and the HUD 5382 form when a PHA terminates a household's housing benefits.

FRHA Policy

Whenever the PHA decides to terminate a family's assistance because of the family's action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382 and form HUD-5380. The PHA will request in writing that a family member wishing to claim protection under VAWA notify the PHA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family's termination, the PHA must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].
- If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking and the victim is protected from eviction by the Violence against Women Act of 2013 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises
- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

Other Good Cause

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision
- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

If a property is subject to foreclosure, during the term of the lease, the new owner of the property does not have good cause to terminate the tenant’s lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. See Section 13-II.G for a discussion of PHA policies relating to units in foreclosure.

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

FRHA Policy

If the eviction action is finalized in court, the owner must provide the PHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or

alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence against Women Act of 2013 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS
--

If a family member violates any section 8 program obligation, the Authority has discretion to terminate Section 8 housing assistance. The obligations are as follows:

INFORMATION AND DOCUMENTATION SUPPLIED BY THE FAMILY MUST BE TRUE AND COMPLETE

- The family must supply any information that the Fall River Housing Authority (FRHA) or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the FRHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must report in writing all household income and any changes in all household members' income and family composition, providing all supporting documentation, within **30 days**.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.
- The family must allow the FRHA to inspect the unit at reasonable times and after reasonable notice.
- The family must not commit any serious or repeated violation of the lease.
- The family must notify the FRHA and the owner before moving out of the unit or terminating the lease, and if any family member no longer resides in the unit, in writing within **30 days**.
- The family must promptly give the FRHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the FRHA.
- The family must promptly notify the FRHA in writing of the birth, adoption, or court-awarded custody of a child within 30 days. The family must request FRHA approval to add any other family member as an occupant of the unit.

- If the FRHA has given approval, a foster child or a live-in aide may reside in the unit. The FRHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when FRHA consent may be given or denied.
- The family must not sublease the unit, assign the lease, or transfer the unit.
- The family must supply any information requested by the FRHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the FRHA when the family is absent from the unit.
- The family must not own or have any interest in the unit.
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program.
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the FRHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

I hereby certify that I understand my obligations under the Housing Choice Voucher Program and that my failure to comply with these obligations may result in the termination of my participation in the HCV Program.

Chapter 13

OWNERS

INTRODUCTION

Owners play a major role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the PHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6; HCV Landlord Strategy Guidebook for PHAs]

Recruitment

PHAs are responsible for ensuring that very low-income families have access to all types and ranges of affordable housing in the PHA's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA's jurisdiction, are willing to participate in the HCV program.

If the PHA will be conducting outreach events, the PHA must ensure that notices and communications during outreach events are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities. PHAs must also take reasonable steps to ensure meaningful access to programs to persons with limited English proficiency.

Retention

In addition to recruiting owners to participate in the HCV program, the PHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

13-I.B. BASIC HCV PROGRAM REQUIREMENTS

HUD requires the PHA to assist families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

FRHA Policy

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family or to help the HCV family find a unit must notify the PHA. The PHA will maintain a listing of such owners and units and provide this listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential unassisted tenant. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to the PHA, this document is the first step in the

process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate requirements for the approval of an assisted tenancy.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. The PHA will inspect the owner's dwelling unit at least biannually to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards and policies for HQS inspections at initial lease-up and throughout the family's tenancy.

The PHA must determine that the proposed rent for the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, if the gross rent exceeds the applicable payment standard, the PHA must ensure that the family share does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. The HUD Tenancy Addendum includes the HUD requirements governing the tenancy and must be added word-for-word to the owner's lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

The PHA and the owner must execute a Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HUD requirements for execution of the HAP contract.

13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner's obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit

- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting the security deposit, the tenant rent, and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services that are not the responsibility of the family as specified in the lease
- Allowing reasonable modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence against Women Reauthorization Act of 2013 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))

13-I.D. OWNER QUALIFICATIONS

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

The PHA must not approve the assisted tenancy if the PHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the PHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]

The PHA must not approve a tenancy if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The PHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]

The PHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner)

- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The PHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by the PHA must include the following [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, the PHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the PHA or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the PHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the PHA has requested a conflict-of-interest waiver, the PHA may not execute the HAP contract until HUD has made a decision on the waiver request.

FRHA Policy

In considering whether to request a conflict of interest waiver from HUD, the PHA will consider certain factors such as consistency of the waiver with state and local laws, the existence of alternative housing available to families, the individual circumstances of a particular family, the specific duties of individuals whose positions present a possible conflict of interest, the nature of any financial investment in the property and plans for disclosure/divestiture, and the possible appearance of impropriety.

Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]

HUD regulations permit the PHA to disapprove a request for tenancy for various actions and inactions of the owner.

If the PHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

FRHA Policy

The PHA will refuse to approve a request for tenancy if the PHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);
- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The owner has engaged in any drug-related criminal activity or any violent criminal activity;
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;
- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing; (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;
- The owner has a history or practice of renting units that fail to meet state or local housing codes; or
- The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the PHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, the PHA may, on a case-by-case basis, choose to approve an owner.

Legal Ownership of Unit

The following represents PHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

FRHA Policy

The PHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year).

13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the PHA.

The owner must cooperate with the PHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the PHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

PART II. HAP CONTRACTS

13-II.A. OVERVIEW

The HAP contract represents a written agreement between the PHA, and the owner of the dwelling unit occupied by an HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as the PHA's obligations. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family approved by the PHA to occupy the unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and use their assistance to lease the space for the manufactured home. See chapter 15 for a discussion of any special housing types included in the PHA's HCV program.

When the PHA has determined that the unit meets program requirements and the tenancy is approvable, the PHA and owner must execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

13-II.B. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information: the names of the tenant and all household members, the address of the contract unit, start and end dates of initial lease term, the amount of initial monthly rent to owner, the amount of initial housing assistance payment, the utilities and appliances to be supplied by owner and tenant, and the signatures of the PHA representative and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. PHA policy on the amount of security deposit an owner may collect is found in Chapter 9.

PHAs also have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

[FRHA Policy](#)

The PHA has not adopted a policy that defines when the housing assistance payment by the PHA is deemed received by the owner. Therefore, no modifications to the HAP contract will be necessary.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements

contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third-Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

13-II.C. HAP CONTRACT PAYMENTS

General

During the term of the HAP contract, and subject to the provisions of the HAP contract, the PHA must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6 and is subject to change during the term of the HAP contract. The PHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the PHA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant and the HAP payment is equal to the rent to owner as specified in the lease.

The family is not responsible for payment of the HAP payment, and the PHA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the rent to owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the PHA, the excess amount must be returned immediately. If the PHA determines that the owner is not entitled to all or a portion of the HAP, the PHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

Owner Certification of Compliance

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By electronically receiving and/or endorsing the monthly check from the PHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

Late HAP Payments [24 CFR 982.451(a)(5)]

The PHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for late penalties if the PHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

The PHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the PHA's control. In addition, late payment penalties are not required if the PHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

Termination of HAP Payments [24 CFR 982.311(b)]

The PHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

FRHA Policy

The owner must inform the PHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform the PHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant and provide the PHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the PHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the PHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulation for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the PHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The PHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination of the HAP contract. The PHA may also obtain additional relief by judicial order or action.

The PHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established

deadline. The PHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

FRHA Policy

Before the PHA invokes a remedy against an owner, the PHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the PHA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the PHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

13-II.E. HAP CONTRACT TERM AND TERMINATIONS

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The PHA terminates the HAP contract;
- The PHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the PHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the PHA;
- The Annual Contributions Contract (ACC) between the PHA and HUD expires
- The PHA elects to terminate the HAP contract.

FRHA Policy

The PHA may elect to terminate the HAP contract in each of the following situations:

- Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];
- The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;
- The unit does not meet HQS [24 CFR 982.404] – see chapter 8;

- The family breaks up [HUD Form 52641] – see chapter 3;
- The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If the PHA terminates the HAP contract, the PHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

FRHA Policy

In all cases, the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives written notice to the owner. The owner is not entitled to any housing assistance payment after this period and must return to the PHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of the PHA.

An owner under a HAP contract must notify the PHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the PHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the PHA finds acceptable. The new owner must provide the PHA with a copy of the executed agreement.

FRHA Policy

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The new owner must provide a written certification to the PHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;
- A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;
- The effective date of the HAP contract assignment;

- A written agreement to comply with the terms of the HAP contract; and
- A certification that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the PHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the PHA will process the leasing in accordance with the policies in Chapter 9.

13-II.G. FORECLOSURE [Notice PIH 2010-49]

Families receiving HCV assistance are entitled to certain protections set forth under the Protecting Tenants at Foreclosure Act (PTFA). During the term of the lease, the new owner of the property does not have good cause to terminate the tenant's lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. Further, the new owner assumes interest in the lease between the prior owner and the tenant and to the HAP contract.

Any state or local law that provides longer time periods or other additional protections for tenants also applies.

PHA Policy

If a property is in foreclosure, the PHA will make all reasonable efforts to determine the status of the foreclosure and ownership of the property and will continue to make payments to the original owner until ownership legally transfers in accordance with the HAP contract.

The PHA will attempt to obtain a written acknowledgement of the assignment of the HAP contract from the successor in interest. This will include a request for owner information, including a tax identification number and payment instructions from the new owner. Even if the new owner does not acknowledge the assignment of the HAP contract in writing, the assignment is still effective by operation of law.

The PHA will inform the tenant that they must continue to pay rent in accordance with the lease, and if the new owner refuses to accept payment or cannot be identified, the tenant should pay rent into escrow. Failure to pay rent may constitute an independent ground for eviction.

In the event that the PHA is unable to make HAP payments to the new owner due to an action or inaction by the new owner that prevents such payments (e.g., rejection of payments or failure to maintain the property according to HQS), or due to an inability to identify the new owner, the PHA will either use the funds to pay:

The utilities that are the owner's responsibility after taking reasonable steps to notify the owner; except that if the unit has been or will be rendered uninhabitable due to termination or threat of termination of service, prior notice is not required. In the latter

case, the PHA shall notify the owner within a reasonable time after making the utility payment; or

For the family's reasonable moving costs, including security deposit costs.

The PHA will also refer the tenant, as needed, to the local legal aid office in order to ensure adequate protection of the tenant's rights and enforcement of the successor in interest's performance under the HAP contract.

See Section 12-III.B for a discussion of foreclosure as it pertains to owner termination of tenancy.

Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

FRHA Policy

To ensure that the PHA’s HCV program is administered according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

- The PHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.
- The PHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.
- The PHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.
- The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family or owner.
- The PHA will offer first-time owners (or their agents) written materials on HAP contract requirements.
- The PHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.
- The PHA will provide each PHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

14-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

Quality Control and Analysis of Data

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

FRHA Policy

In addition to the SEMAP quality control requirements, the PHA will employ a variety of methods to detect errors and program abuse.

- The PHA routinely will use HUD and other non-HUD sources of up-front income verification. This includes The Work Number and any other private or public databases available to the PHA.
- At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.
- The PHA will compare family-reported income and expenditures to detect possible unreported income.

Independent Audits and HUD Monitoring

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

FRHA Policy

The PHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the PHA's error detection and abuse prevention efforts.

Individual Reporting of Possible Errors and Program Abuse

FRHA Policy

The PHA will encourage staff, program participants, and the public to report possible program abuse.

14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the PHA Will Investigate

FRHA Policy

The PHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the PHA to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The PHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

Consent to Release of Information [24 CFR 982.516]

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require HCV families to sign consent forms for the release of additional information.

Analysis and Findings

FRHA Policy

The PHA will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation the PHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the PHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

FRHA Policy

In the case of family-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation

has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

FRHA Policy

The PHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the PHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

FRHA Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

Reimbursement

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]

FRHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

PHA Reimbursement to Family [HCV GB p. 22-12]

FRHA Policy

The PHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

Prohibited Actions

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

FRHA Policy

Any of the following will be considered evidence of family program abuse:

- Payment to the owner in excess of amounts authorized by the PHA for rent, security deposit, and additional services
- Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives
- Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the PHA on the family's behalf
- Use of a false name or the use of falsified, forged, or altered documents
- Intentional misreporting of family information or circumstances (e.g. income, family composition)
- Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
- Admission of program abuse by an adult family member

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.

- The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to the PHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

FRHA Policy

In cases where the owner has received excess subsidy, the PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

Prohibited Owner Actions

An owner participating in the HCV program must not:

- Make any false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

FRHA Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above or below the amount specified by the PHA
- Charging a security deposit other than that specified in the family's lease
- Charging the family for services that are provided to unassisted tenants at no extra charge
- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives

- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the PHA
- Residing in the unit with an assisted family
- Committing sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2
- Retaliating against any applicant or participant reporting/alleging sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2

Remedies and Penalties

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

14-II.D. PHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

Repayment to the PHA

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by PHA staff [HCV GB. 22-12].

PHA Reimbursement to Family or Owner

The PHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the PHA's administrative fee reserves [HCV GB p. 22-12].

Prohibited Activities

FRHA Policy

Any of the following will be considered evidence of program abuse by PHA staff:

- Failing to comply with any HCV program requirements for personal gain

- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the PHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of PHA activities, policies, or practices
- Misappropriating or misusing HCV funds
- Destroying, concealing, removing, or inappropriately using any records related to the HCV program
- Committing any other corrupt or criminal act in connection with any federal housing program

14-II.E. CRIMINAL PROSECUTION

FRHA Policy

When the PHA determines that program abuse by an owner, family, or PHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.

Chapter 15

SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

INTRODUCTION

The PHA may permit a family to use any of the special housing types discussed in this chapter. However, the PHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The PHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

FRHA Policy

Families will not be permitted to use any special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Shared Housing

Part V: Cooperative Housing

Part VI: Manufactured Homes (including manufactured home space rental)

PART I: SINGLE ROOM OCCUPANCY

[24 CFR 982.602 through 982.605]

15-I.A. OVERVIEW

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for SRO housing is 75 percent of the zero-bedroom payment standard amount on the PHA's payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero-bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. HOUSING QUALITY STANDARDS (HQS)

HQS requirements described in Chapter 8 apply to SRO housing except as modified below.

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards, the requirements discussed below apply [24 CFR 982.605].

- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway and may not be located

more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

PART II: CONGREGATE HOUSING

[24 CFR 982.606 through 982.609]

15-II.A. OVERVIEW

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a zero-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the one-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

15-II.C. HOUSING QUALITY STANDARDS

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The housing quality standards applicable to lead-based paint do not apply.

PART III: GROUP HOME

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

15-III.A. OVERVIEW

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be zero- or one-bedroom, depending on the PHA's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the pro rata share of the payment standard for the group home size. The pro rata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the pro rata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the pro rata portion of the reasonable rent for the group home. In determining reasonable rent, the PHA should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

15-III.C. HOUSING QUALITY STANDARDS

HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
 - Dangerous walks or steps
 - Instability
 - Flooding, poor drainage
 - Septic tank back-ups
 - Sewage hazards
 - Mud slides
 - Abnormal air pollution
 - Smoke or dust
 - Excessive noise
 - Vibrations or vehicular traffic
 - Excessive accumulations of trash
 - Vermin or rodent infestation, and
 - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.

PART IV: SHARED HOUSING

[24 CFR 982.615 through 982.618]

15-IV.A. OVERVIEW

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the PHA, a live-in aide may reside with the family to care for a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the pro rata share of the payment standard for the shared housing unit size.

The pro rata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the lower of the utility allowance for the family unit size (voucher size) or the pro rata share of the utility allowance for the shared housing unit.

Example: A family holds a 2-bedroom voucher. The family decides to occupy 3 out of 4 bedrooms available in the unit.

The utility allowance for a 4-bedroom unit equals \$200

The utility allowance for a 2-bedroom unit equals \$100

The pro rata share of the utility allowance is \$150 (3/4 of \$200)

The PHA will use the 2-bedroom utility allowance of \$100.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, the PHA should consider whether sanitary and food preparation areas are private or shared.

15-IV.C. HOUSING QUALITY STANDARDS

The PHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family:* Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.
- *Space and Security:* The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A zero-bedroom or one-bedroom unit may not be used for shared housing.

PART V: COOPERATIVE HOUSING

[24 CFR 982.619]

15-V.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-V.C. HOUSING QUALITY STANDARDS

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements.

PART VI: MANUFACTURED HOMES
[24 CFR 982.620 through 982.624; FR Notice 1/18/17]

15-VI.A. OVERVIEW

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space as well as certain other housing expenses. PHAs may, but are not required to, provide assistance to such families.

15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOMEOWNERS WHO LEASE A SPACE

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION
[FR Notice 1/18/17]

Payment Standards

The PHA payment standard for manufactured homes is determined in accordance with 24 CFR 982.505 and is the payment standard used for the PHA's HCV program. It is based on the applicable FMR for the area in which the manufactured home space is located.

The payment standard for the family is the lower of the family unit size (voucher size) or the payment standard for the number of bedrooms in the manufactured home.

Utility Allowance

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will

not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

If the amount of the monthly assistance payment for a family exceeds the monthly rent for the manufactured home space (including the owner's monthly management and maintenance charges), the PHA may pay the remainder to the family, lender, or utility company.

Space Rent

The rent for the manufactured home space (including other eligible housing expenses) is the total of:

- The rent charged for the manufactured home space;
- Owner maintenance and management charges for the space;
- The monthly payments made by the family to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes; and
- The applicable allowance for tenant-paid utilities.

Amortization Costs

The monthly payment made by the family to amortize the cost of purchasing the manufactured home is the debt service established at the time of application to a lender for financing the purchase of the manufactured home if monthly payments are still being made. Any increase in debt service due to refinancing after purchase of the home may not be included in the amortization cost. Debt service for set-up charges incurred by a family may be included in the monthly amortization payments made by the family. In addition, set-up charges incurred before the family became an assisted family may be included in the amortization cost if monthly payments are still being made to amortize the charges.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the manufactured home space rent (including other eligible housing expenses) minus the TTP.

Rent Reasonableness

Initially, and annually thereafter the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

15-VI.D. HOUSING QUALITY STANDARDS

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

Manufactured Home Tie-Down

A manufactured home must be placed on the site in a stable manner and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the PHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the PHA. This part describes policies for recovery of monies that the PHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the PHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes the PHA's responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the PHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, and stalking; and maintaining the confidentiality of information obtained from victims.

PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The PHA will maintain administrative fee reserves, or unrestricted net position (UNP) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for “other housing purposes permitted by state and local law,” in accordance with 24 CFR 982.155(b)(1).

If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct the PHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires the PHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow the PHA to adapt the program to local conditions. This part discusses how the PHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

FRHA Policy

Copies of the payment standard and utility allowance schedules are available for review in the PHA's offices during normal business hours.

Families, owners, and members of the public may submit written comments on the schedules discussed in this part, at any time, for consideration during the next revision cycle.

The PHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

Establishing and updating the PHA passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]

The payment standard sets the maximum subsidy payment a family can receive from the PHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The PHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the PHA's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the PHA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

Updating Payment Standards

When HUD updates its FMRs, the PHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the PHA to make

further adjustments if it determines that rent burdens for assisted families in the PHA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

FRHA Policy

The PHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range" the PHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

- **Funding Availability:** The PHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The PHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.
- **Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the PHA will consider increasing the payment standard. In evaluating rent burdens, the PHA will not include families renting a larger unit than their family unit size.
- **Quality of Units Selected:** The PHA may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.
- **Changes in Rent to Owner:** The PHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.
- **Unit Availability:** The PHA will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.
- **Lease-up Time and Success Rate:** The PHA will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Effective dates of changes to payment standard amounts will be determined at time of update. The PHA will always ensure the payment standards will be within the basic range.

Exception Payment Standards [24 CFR 982.503(c)(5), Notice PIH 2018-01]

A non-SAFMR PHA may establish an exception payment standard for a zip code area of up to and including 110 percent of the SAFMR determined by HUD for that zip code area. Regardless of the level of the exception payment standard compared to the metropolitan area FMRs (MAFMRs), the PHA must send an email to SAFMRs@hud.gov to notify HUD that it has adopted an exception payment standard based on the SAFMR. A PHA that adopts an exception payment standard pursuant to this authority must apply it to the entire ZIP code area, for both its

HCV, and if applicable, its PBV program. For the PBV program, this means that the rent to owner may not exceed the new exception payment standard amount, provided the rent is still reasonable. A PHA that adopts an exception payment standard area must revise its briefing materials to make families aware of the exception payment standard and the area that it covers.

Voluntary Use of Small Area FMRs [24 CFR 982.503, Notice PIH 2018-01]

PHAs that administer vouchers in a metropolitan area where the adoption of SAFMRs is not required may request approval from HUD to voluntarily adopt SAFMRs. SAFMRs may be voluntarily adopted for one or more zip code areas.

FRHA Policy

The PHA will not voluntarily adopt the use of SAFMRs except to establish exception payment standards in certain zip code areas.

Unit-by-Unit Exceptions [24 CFR 982.503(b), 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to the PHA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA's payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size [24 CFR 982.503(b)]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR.

FRHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RFTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the PHA must determine that:

- There is a shortage of affordable units that would be appropriate for the family;
- The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and
- The rent for the unit is reasonable.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, the PHA may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the PHA to set its payment standards at 90-110 percent of a higher FMR (the 50th, rather than the 40th percentile FMR). To support the request, the PHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;

- The PHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The PHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the PHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the PHA's jurisdiction within the FMR area.

Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]

The PHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

Air Conditioning

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

FRHA Policy

The PHA does not include an allowance for air-conditioning in its schedule.

Reasonable Accommodation

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed (See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

Utility Allowance Revisions

The PHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

The PHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

Both applicants and participants have the right to disagree with, and appeal, certain decisions of the PHA that may adversely affect them. PHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of PHA decisions is called the “informal review.” For participants (or applicants denied admission because of citizenship issues), the appeal process is called an “informal hearing.” PHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [*Federal Register* 60, no. 127 (3 July 1995): 34690].

Decisions Subject to Informal Review [24 CFR 982.554(a) and (c)]

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- A determination of the family unit size under the PHA subsidy standards
- A PHA determination not to approve an extension of a voucher term
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with the HQS due to family size or composition

FRHA Policy

The PHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the PHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

Notice to the Applicant [24 CFR 982.554(a)]

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

FRHA Policy

A request for an informal review must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 20 business days from the date of the PHA's denial of assistance.

The PHA must schedule and send written notice of the informal review within 30 business days of the family's request.

If the informal review will be conducted remotely, at the time the PHA notifies the family of the informal review, the family will be informed:

- Regarding the processes to conduct a remote informal review;
- That, if needed, the PHA will provide technical assistance prior to and during the informal review; and
- That if the family or any individual witness has any technological, resource, or accessibility barriers preventing them from fully accessing the remote informal review, the family may inform the PHA and the PHA will assist the family in either resolving the issues or allow the family to participate in an in-person informal review, as appropriate.

Informal Review Procedures [24 CFR 982.554(b)]

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

Remote Informal Reviews[Notice PIH 2020-32]

There is no requirement that informal reviews be conducted in-person and, as such, HUD allows PHAs to conduct all or a portion of their informal review remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal reviews, applicants may still request an in-person informal review, as applicable.

FRHA Policy

The PHA has the sole discretion to require that informal reviews be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the PHA will conduct an informal review remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have child care or transportation that would enable them to attend the informal review, or if the applicant believes an in-person informal review would create an undue health risk. The PHA will consider other reasonable requests for a remote informal review on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal reviews, the platform for conducting remote informal reviews must be accessible to persons with disabilities and the informal review must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal review process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal review is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual his or her inability to participate in the remote informal review, and the PHA should consider whether postponing the remote informal review to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal reviews, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal reviews.

Conducting Remote Informal Reviews

The PHA must ensure that the lack of technology or inability to use technology for remote informal reviews does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to

conducting the remote informal review and, if the family does not have the proper technology to fully participate, either postpone the informal review or provide an alternative means of access.

As with in-person informal reviews, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal review. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA must ensure that the applicant has the right to hear and be heard. All PHA policies and processes for remote informal reviews must be conducted in accordance with due process requirements and be in compliance with HUD regulations at 24 CFR 982.554 and guidance specified in Notice PIH 2020-32.

FRHA Policy

The PHA will conduct remote informal reviews via a video conferencing platform, when available. If, after attempting to resolve any barriers, applicants are unable to adequately access the video conferencing platform at any point, or upon applicant request, the informal review will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal review will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote review, the PHA will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify the PHA of any known barriers. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

If the informal review is to be conducted remotely, the PHA will require the family to provide any documents directly relevant to the informal review at least 24 hours before the scheduled review through the mail, via email, or text. The PHA will scan and email copies of these documents to the PHA representative the same day.

Documents will be shared electronically whenever possible.

The PHA will follow up the email with a phone call and/or email to the applicant at least one business day prior to the remote informal review to ensure that the applicant received all information and is comfortable accessing the video conferencing or call-in platform.

The PHA will ensure that all electronic information stored or transmitted with respect to the informal review is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Review Decision [24 CFR 982.554(b)]

The PHA must notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

FRHA Policy

In rendering a decision, the PHA will evaluate the following matters:

- Whether or not the grounds for denial were stated factually in the notice to the family.
- The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.
- The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny assistance.
- If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 30 business days of the informal review, to the applicant and his or her representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment

- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- Establishment of the PHA schedule of utility allowances for families in the program
- A PHA determination not to approve an extension of a voucher term
- A PHA determination not to approve a unit or tenancy
- A PHA determination that a unit selected by the applicant is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with HQS because of family size
- A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

FRHA Policy

The PHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

Remote Informal Hearings

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

FRHA Policy

The PHA has the sole discretion to require that informal hearings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the PHA will conduct an informal hearing remotely upon request as a reasonable accommodation for a person with a disability, if a participant does not have child care or transportation that would enable them to attend the informal hearing, or if

the participant believes an in-person hearing would create an undue health risk. The PHA will consider other reasonable requests for a remote informal hearing on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal hearing process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal hearing is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual his or her inability to participate in the remote informal hearing, and the PHA should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.

Conducting Informal Hearings Remotely

The PHA must ensure that the lack of technology or inability to use technology for remote informal hearings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal hearing and, if the family does not have the proper technology to fully participate, either postpone the informal hearing or provide an alternative means of access.

As with in-person informal hearings, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA's essential responsibility is to ensure informal hearings meet the requirements of due process and comply with HUD regulations. Therefore, all PHA policies and processes for remote informal hearings will be conducted in accordance with due process requirements, and will be in

compliance with HUD regulations at 24 CFR 982.555 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

FRHA Policy

The PHA will conduct remote informal hearings via a video conferencing platform, when available. If, after attempting to resolve any barriers, participants are unable to adequately access the video conferencing platform at any point, or upon request, the informal hearing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal hearing will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote hearing, the PHA will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify the PHA of any known barriers. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

The PHA will follow up with a phone call and/or email to the family at least one business day prior to the remote informal hearing to ensure that the family received all information and is comfortable accessing the video conferencing or call-in platform.

The PHA will ensure that all electronic information stored or transmitted with respect to the informal hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Hearing Procedures

***Notice to the Family* [24 CFR 982.555(c)]**

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the PHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

FRHA Policy

In cases where the PHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the PHA.
- A brief statement of the reasons for the decision, including the regulatory reference.
- The date the proposed action will take place.
- A statement of the family's right to an explanation of the basis for the PHA's decision.
- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.
- A deadline for the family to request the informal hearing.
- To whom the hearing request should be addressed.
- A copy of the PHA's hearing procedures.
- That the family may request a remote informal hearing

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

FRHA Policy

A request for an informal hearing must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 20 business days from the date of the PHA's decision or notice to terminate assistance.

The PHA must schedule and send written notice of the informal hearing to the family within 30 business days of the family's request.

If the PHA hearing will be conducted remotely, at the time the notice is sent to the family, the family will be notified:

- Regarding the processes involved in a remote informal hearing;
- That the PHA will provide technical assistance prior to and during the informal hearing, if needed; and
- That if the family or any individual witness has any technological, resource, or accessibility barriers, the family may inform the PHA and the PHA will assist the family in either resolving the issue or allow the family to participate in an in-person hearing, as appropriate.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the PHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear within 20 minutes of the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities. If the family cannot show good cause for the failure to appear, or a rescheduling is not needed as a reasonable accommodation, the PHA's decision will stand.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

FRHA Policy

The family will be allowed to copy any documents related to the hearing at no cost. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date. If the hearing will be conducted remotely, the PHA will compile a hearing packet, consisting of all documents the PHA intends to produce at the informal hearing. The PHA will mail copies of the hearing packet to the family, the family's representatives, if any, and the hearing officer at least three days before the scheduled remote informal hearing. The original hearing packet will be in the possession of the PHA representative and retained by the PHA.

Documents will be shared electronically whenever possible.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

FRHA Policy

For in-person hearings, the PHA will not require pre-hearing discovery by the PHA of family documents directly relevant to the hearing.

If the informal hearing is to be conducted remotely, the PHA will require the family to provide any documents directly relevant to the informal hearing at least 24 hours before the scheduled hearing through the mail, via email, or text. The PHA will scan and email copies of these documents to the hearing officer and the PHA representative the same day.

Documents will be shared electronically whenever possible.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

Attendance at the Informal Hearing

FRHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

- A PHA representative(s) and any witnesses for the PHA
- The participant and any witnesses for the participant
- The participant's counsel, interpreter or other representative
- Any other person approved by the PHA as a reasonable accommodation for a person with a disability

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA's hearing procedures [24 CFR 982.555(4)(ii)].

FRHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

FRHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

- **Oral evidence:** the testimony of witnesses
- **Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.
- **Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

- **Real evidence:** A tangible item relating directly to the case.

Hearsay Evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either the PHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Procedures for Rehearing or Further Hearing

FRHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

FRHA Policy

In rendering a decision, the hearing officer will consider the following matters:

- **PHA Notice to the Family:** The hearing officer will determine if the reasons for the PHA's decision are factually stated in the Notice.
- **Discovery:** The hearing officer will determine if the PHA and the family were given the opportunity to examine any relevant documents in accordance with PHA policy.
- **PHA Evidence to Support the PHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA's conclusion.
- **Validity of Grounds for Termination of Assistance (when applicable):** The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 30 business days after the hearing. The report will contain the following information:

- **Hearing information:**
 - Name of the participant;
 - Date, time and place of the hearing;

- Name of the hearing officer;
 - Name of the PHA representative; and
 - Name of family representative (if any).
- **Background:** A brief, impartial statement of the reason for the hearing.
 - **Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.
 - **Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.
 - **Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA's decision.
 - **Order:** The hearing report will include a statement of whether the PHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct the PHA to restore the participant's program status.

Issuance of Decision [24 CFR 982.555(e)(6)]

A copy of the hearing must be furnished promptly to the family.

FRHA Policy

The hearing officer will provide a "Notice of Hearing Decision" to the PHA and to the participant. This notice will be sent by first-class mail. The participant will be mailed the original "Notice of Hearing Decision" and a copy of the proof of mailing. A copy of the "Notice of Hearing Decision" will be maintained in the PHA's file.

Effect of Final Decision [24 CFR 982.555(f)]

The PHA is not bound by the decision of the hearing officer for matters in which the PHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If the PHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the PHA must promptly notify the family of the determination and the reason for the determination.

FRHA Policy

The Executive Director has the authority to determine that the PHA is not bound by the decision of the hearing officer because the PHA was not required to provide a hearing,

the decision exceeded the authority of the hearing officer, the decision conflicted with or contradicted HUD regulations, requirements, or the decision was otherwise contrary to federal, state, or local laws.

In such a case, the PHA will mail a “Notice of Final Decision” to the PHA and the participant on the same day. The “Notice of Final Decision” will be sent by first-class mail. A copy of this notice will be maintained in the PHA’s file.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to

the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

FRHA Policy

The PHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

FRHA Policy

The PHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

FRHA Policy

The family will be allowed to copy any documents related to the hearing at no cost. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. Upon request, the PHA will provide competent interpretation services, free of charge.

Recording of the Hearing

The family is entitled to have the hearing recorded by audiotape. The PHA may, but is not required to provide a transcript of the hearing.

FRHA Policy

The PHA will not provide a transcript of an audio taped hearing. A copy may be provided to a participant or his/her representative at the participant's own expense.

Hearing Decision

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 30 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal

- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

PART IV: OWNER OR FAMILY DEBTS TO THE PHA

16-IV.A. OVERVIEW

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. This part describes the PHA's policies for recovery of monies owed to the PHA by families or owners.

FRHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the PHA holds the owner or participant liable to return any overpayments to the PHA.

The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to the PHA, the PHA may utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims and criminal courts
- Civil law suit
- State income tax set-off program

16-IV.B. REPAYMENT POLICY

Owner Debts to the PHA

FRHA Policy

Any amount due to the PHA by an owner must be repaid by the owner within 30 days of the PHA determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the PHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments the PHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the PHA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will ban the owner from future participation in the program and pursue other modes of collection.

Family Debts to the PHA

FRHA Policy

Any amount owed to the PHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the PHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.

Repayment Agreement [24 CFR 792.103]

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

General Repayment Agreement Guidelines for Families

Down Payment Requirement

FRHA Policy

Utility allowance reimbursements will be forfeited by tenant and applied to repayment agreement. Before executing a repayment agreement with a family, the PHA will generally require a down payment of 5 percent of the total amount owed for amounts over \$2000. If the family can provide evidence satisfactory to the PHA that a down payment of 5 percent would impose an undue hardship, the PHA may, in its sole discretion, require a lesser percentage or waive the requirement.

Payment Thresholds

Notice PIH 2017-12 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 per cent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2017-12 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

FRHA Policy

Amounts over \$4,000 must be repaid within 42 months

Amounts between \$3,000 and \$3,999 must be repaid within 36 months.

Amounts between \$2,000 and \$2,999 must be repaid within 30 months.

Amounts between \$1,000 and \$1,999 must be repaid within 24 months.

Amounts under \$1,000 must be repaid within 12 months.

.

If a family can provide evidence satisfactory to the PHA that the threshold applicable to the family’s debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

The amount owed by the family to the PHA

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control

The family’s current and potential income and expenses

The family's current family share, as calculated under 24 CFR 982.515

The family's history of meeting its financial responsibilities

Execution of the Agreement

FRHA Policy

Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/cohead (if applicable).

Due Dates

FRHA Policy

All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.

Late or Missed Payments

FRHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family 5 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate assistance in accordance with the policies in Chapter 12.

If a family receives two delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and the PHA will terminate assistance in accordance with the policies in Chapter 12.

No Offer of Repayment Agreement

FRHA Policy

The PHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution. No more than three (3) repayment agreement will be offered to any family.

Repayment Agreements Involving Improper Payments

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner

- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA executive director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA's SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of the PHA's SEMAP certification, HUD will rate the PHA's performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The PHA or the Independent Auditor must select an unbiased sample

that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the PHA's certification on the indicator due to the PHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

SEMAP Indicators
<p>Indicator 1: Selection from the waiting list Maximum Score: 15</p> <ul style="list-style-type: none"> • This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants for admission from the waiting list. • Points are based on the percent of families that are selected from the waiting list in accordance with the PHA's written policies, according to the PHA's quality control sample.
<p>Indicator 2: Rent reasonableness Maximum Score: 20</p> <ul style="list-style-type: none"> • This indicator shows whether the PHA has and implements a reasonable written method to determine and document for each unit leased that the rent to owner is reasonable based on current rents for comparable unassisted units • Points are based on the percent of units for which the PHA follows its written method to determine reasonable rent and has documented its determination that the rent to owner is reasonable, according to the PHA's quality control sample.
<p>Indicator 3: Determination of adjusted income Maximum Score: 20</p> <ul style="list-style-type: none"> • This indicator measures whether the PHA verifies and correctly determines adjusted income for each assisted family, and where applicable, uses the appropriate utility allowances for the unit leased in determining the gross rent. • Points are based on the percent of files that are calculated and verified correctly, according to the PHA's quality control sample.
<p>Indicator 4: Utility allowance schedule Maximum Score: 5</p> <ul style="list-style-type: none"> • This indicator shows whether the PHA maintains an up-to-date utility allowance schedule. • Points are based on whether the PHA has reviewed the utility allowance schedule and adjusted it when required, according to the PHA's certification.

Indicator 5: HQS quality control inspections**Maximum Score: 5**

- This indicator shows whether a PHA supervisor reinspects a sample of units under contract during the PHA fiscal year, which meets the minimum sample size requirements for quality control of HQS inspections.
- Points are based on whether the required quality control reinspections were completed, according to the PHA's certification.

Indicator 6: HQS enforcement**Maximum Score: 10**

- This indicator shows whether, following each HQS inspection of a unit under contract where the unit fails to meet HQS, any cited life-threatening deficiencies are corrected within 24 hours from the inspection and all other deficiencies are corrected within no more than 30 calendar days from the inspection or any PHA-approved extension.
- Points are based on whether the PHA corrects all HQS deficiencies in accordance with required time frames, according to the PHA's certification.

Indicator 7: Expanding housing opportunities**Maximum Points: 5**

- Only applies to PHAs with jurisdiction in metropolitan FMR areas.
- This indicator shows whether the PHA has adopted and implemented a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration; informs voucher holders of the full range of areas where they may lease units both inside and outside the PHA's jurisdiction; and supplies a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentration.
- Points are based on whether the PHA has adopted and implemented written policies in accordance with SEMAP requirements, according to the PHA's certification.

Indicator 8: FMR limit and payment standards**Maximum Points: 5 points**

- This indicator shows whether the PHA has adopted a payment standard schedule that establishes payment standard amounts by unit size for each FMR area in the PHA's jurisdiction, that are within the basic range of 90 to 110 percent of the published FMR.
- Points are based on whether the PHA has appropriately adopted a payment standard schedule(s), according to the PHA's certification.

Indicator 9: Annual reexaminations**Maximum Points: 10**

- This indicator shows whether the PHA completes a reexamination for each participating family at least every 12 months.
- Points are based on the percent of reexaminations that are more than 2 months overdue, according to data from PIC.

Indicator 10: Correct tenant rent calculations**Maximum Points: 5**

- This indicator shows whether the PHA correctly calculates the family's share of the rent to owner.
- Points are based on the percent of correct calculations of family share of the rent, according to data from PIC.

Indicator 11: Pre-contract HQS inspections**Maximum Points: 5**

- This indicator shows whether newly leased units pass HQS inspection on or before the effective date of the assisted lease and HAP contract.
- Points are based on the percent of newly leased units that passed HQS inspection prior to the effective date of the lease and HAP contract, according to data from PIC.

Indicator 12: Annual HQS inspections**Maximum Points: 10**

- This indicator shows whether the PHA inspects each unit under contract at least annually.
- Points are based on the percent of annual HQS inspections of units under contract that are more than 2 months overdue, according to data from PIC.

Indicator 13: Lease-up**Maximum Points: 20 points**

- This indicator shows whether the PHA enters HAP contracts for at least 98 percent of the number of the PHA's baseline voucher units in the ACC for the calendar year ending on or before the PHA's fiscal year, or whether the PHA has expended at least 98 percent of its allocated budget authority for the same calendar year. The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized.
- Points are based on utilization of vouchers and HAP expenditures as reported in the voucher management system (VMS) for the most recently completed calendar year.

Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances**Maximum Points: 10**

- Only applies to PHAs with mandatory FSS programs.
- This indicator shows whether the PHA has enrolled families in the FSS program as required, and measures the percent of current FSS participants that have had increases in earned income which resulted in escrow account balances.
- Points are based on the percent of mandatory FSS slots that are filled and the percent of families with escrow account balances, according to data from PIC.

Success Rate of Voucher Holders**Maximum Points: 5**

- Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn't effective until the second full PHA fiscal year following the date of HUD approval of success rate payment standard amounts.
- This indicator shows whether voucher holders were successful in leasing units with voucher assistance.
- Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.

Deconcentration Bonus Indicator**Maximum Points: 5**

- Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50th percentile.
- Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
- Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158]

During the term of each assisted lease, and for at least three years thereafter, the PHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the PHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

The PHA must keep confidential records of all emergency transfer requested by victims of domestic violence, dating violence, sexual assault, and stalking under the PHA's Emergency Transfer Plan, as well as the outcomes of such requests, and retain the records for a period of three years [24 CFR 5.2002(e)(12)].

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

FRHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.

PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

FRHA Policy

Prior to utilizing HUD's EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, or stalking, see section 16-IX.E.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

The PHA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the PHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]

The owner must report the name and address of a child identified as having an elevated blood lead level to the public health department within five business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days. The PHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner's behalf.

FRHA Policy

Upon notification by the owner, the PHA will provide the public health department written notice of the name and address of any child identified as having an elevated blood lead level within five business days.

Upon notification by the owner, the PHA will notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the PHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an elevated blood lead level.

If the PHA obtains names and addresses of elevated blood lead level children from the public health department(s), the PHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the PHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the PHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

FRHA Policy

The public health department(s) has not stated they wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, the PHA is not providing such a report.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the PHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact the PHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology the PHA will use to determine whether or not the PHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

FRHA Policy

The PHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the PHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the PHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if the PHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the PHA will be considered to have insufficient funding.

PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. OVERVIEW

The Violence against Women Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-II.E, “Terminations Related to Domestic Violence, Dating Violence, or Stalking”; and 12-II.F, “Termination Notice.”

16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]

As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
- The term *affiliated individual* means, with respect to a person:
 1. A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
 2. Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.

- The term *sexual assault* means:
 3. Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent
- The term *stalking* means:
 4. To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

FRHA Policy

The PHA will post the following information regarding VAWA in its offices . It will also make the information readily available to anyone who requests it.

A copy of the notice of occupancy rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)

A copy of the PHA's emergency transfer plan (Exhibit 16-3)

A copy of HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

FRHA Policy

The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance, as part of the written briefing packet, and at the time the family is admitted to the program. The PHA will also include information about VAWA in all notices of denial of assistance (see section 3-III.G).

The PHA will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination. The PHA will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

FRHA Policy

Whenever the PHA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the PHA may decide not to send mail regarding VAWA protections to the victim's unit if the PHA believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, the PHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record

- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [VAWA final rule].

FRHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the PHA will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by the PHA will be in writing.

Once the victim provides documentation, the PHA will acknowledge receipt of the documentation within 10 business days.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the PHA. Individuals have 30 calendar days to return third-party verification to the PHA. If the PHA does not receive third-party documentation, and the PHA will deny or terminate assistance as a result, the PHA must hold separate hearings for the tenants [Notice PIH 2017-08].

The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

FRHA Policy

If presented with conflicting certification documents from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, the PHA will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If the PHA does not receive third-party documentation within the required timeframe (and any extensions) the PHA will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, the PHA will hold separate hearings for the applicants or tenants.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The PHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

FRHA Policy

If the PHA accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault or stalking, the PHA will document acceptance of the statement or evidence in the individual's file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the PHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

FRHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

<p style="text-align: center;">EXHIBIT 16-1:</p> <p style="text-align: center;">NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380</p>
--

Fall River Housing Authority
Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.² The U.S. Department of Housing and Urban Development (HUD) is the federal agency that oversees that the housing choice voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

Protections for Applicants

If you otherwise qualify for assistance under the housing choice voucher program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the housing choice voucher program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the housing choice voucher program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Removing the Abuser or Perpetrator from the Household

The PHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the PHA chooses to remove the abuser or perpetrator, the PHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the PHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the PHA must follow federal, state, and local eviction procedures. In order to divide a lease, the PHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the PHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the PHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- 1. You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

- 2. You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

- 3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

The PHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The PHA's emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

The PHA can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the PHA must be in writing, and the PHA must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The PHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the PHA as documentation. It is your choice which of the following to submit if the PHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- ☐ A complete HUD-approved certification form given to you by the PHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- ☐ A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- ☐ Any other statement or evidence that the PHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the PHA does not have to provide you with the protections contained in this notice.

If the PHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the PHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the PHA does not have to provide you with the protections contained in this notice.

Confidentiality

The PHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The PHA must not allow any individual administering assistance or other services on behalf of the PHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The PHA must not enter your information into any shared database or disclose your information to any other entity or individual. The PHA, however, may disclose the information provided if:

- ☐ You give written permission to the PHA to release the information on a time limited basis.
- ☐ The PHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- ☐ A law requires the PHA or your landlord to release the information.

VAWA does not limit the PHA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the PHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the PHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the PHA can demonstrate the above, the PHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Non-Compliance with The Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with **Boston HUD field office**.

For Additional Information

You may view a copy of HUD's final VAWA rule at: <https://www.gpo.gov/fdsys/pkg/FR-2016-11-16/pdf/2016-25888.pdf>.

Additionally, the PHA must make a copy of HUD's VAWA regulations available to you if you ask to see them.

For questions regarding VAWA, please contact the **Fall River Housing Authority**.

For help regarding an abusive relationship, you may call the National Domestic Violence Hotline at 1-800-799-7233 or, for persons with hearing impairments, 1-800-787-3224 (TTY). You may also contact the **Fall River Housing Authority**.

For tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

For help regarding sexual assault, you may contact the local police department.

Victims of stalking seeking help may contact the local police department.

EXHIBIT 16-2:
**CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL
ASSAULT, OR STALKING AND ALTERNATE DOCUMENTATION,
FORM HUD-5382**

**U.S. Department of Housing
and Urban Development**

OMB Approval No. 2577-0286
Exp. 06/30/2017

**CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, OR STALKING, AND ALTERNATE DOCUMENTATION**

Purpose of Form: The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not

need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**TO BE COMPLETED BY OR ON BEHALF OF THE VICTIM OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING**

1. Date the written request is received by victim: _____
2. Name of victim: _____
3. Your name (if different from victim's) _____
4. Name(s) of other family member(s) listed on the lease: _____
5. Residence of victim: _____
6. Name of the accused perpetrator (if known and can be safely disclosed): _____
7. Relationship of the accused perpetrator to the victim: _____
8. Date(s) and times(s) of incident(s) (if known): _____
9. Location of incident(s): _____
10. In your own words, briefly describe the incident(s): _____

This is to certify that the information provided on this form is true and correct to the best of my knowledge and recollection, and that the individual named above in Item 2 is or has been a victim of domestic violence, dating violence, sexual assault, or stalking. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Signature _____ Signed on (Date) _____

Public Reporting Burden: The public reporting burden for this collection of information is estimated to average 1 hour per response. This includes the time for collecting, reviewing, and reporting the data. The information provided is to be used by the housing provider to request certification that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking. The information is subject to the confidentiality requirements of VAWA. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING
(HCV VERSION)**

Attachment: Certification form HUD-5382

Fall River Housing Authority

**Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual
Assault, or Stalking
Housing Choice Voucher Program**

Emergency Transfers

The PHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),³ the PHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.⁴ The ability of the PHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **public housing and housing choice voucher (HCV) programs** are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

³Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

⁴Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the PHA's management office and submit a written request for a transfer to **any PHA office**. The PHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

The PHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the PHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at: <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at: <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

EXHIBIT 16-4

EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, FORM HUD-5383

Purpose of Form: If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

Submission of Documentation: If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from

the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

TO BE COMPLETED BY OR ON BEHALF OF THE PERSON REQUESTING A TRANSFER

1. Name of victim requesting an emergency transfer: _____
2. Your name (if different from victim's) _____
3. Name(s) of other family member(s) listed on the lease: _____

4. Name(s) of other family member(s) who would transfer with the victim: _____

5. Address of location from which the victim seeks to transfer: _____
6. Address or phone number for contacting the victim: _____
7. Name of the accused perpetrator (if known and can be safely disclosed): _____
8. Relationship of the accused perpetrator to the victim: _____
9. Date(s), Time(s) and location(s) of incident(s): _____

10. Is the person requesting the transfer a victim of a sexual assault that occurred in the past 90 days on the premises of the property from which the victim is seeking a transfer? If yes, skip question 11. If no, fill out question 11. _____
11. Describe why the victim believes they are threatened with imminent harm from further violence if they remain in their current unit.

12. If voluntarily provided, list any third-party documentation you are providing along with this **notice**:

This is to certify that the information provided on this form is true and correct to the best of my knowledge, and that the individual named above in Item 1 meets the requirement laid out on this form for an emergency transfer. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Chapter 17

PROJECT-BASED VOUCHERS

(Including special Rental Assistance Demonstration (RAD) program provisions)

INTRODUCTION

This chapter describes HUD regulations and PHA policies related to the project-based voucher (PBV) program in nine parts:

Part I: General Requirements. This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements. **This part also includes special RAD provisions although the RAD demonstration program has not been implemented at the FRHA.**

Part II: PBV Owner Proposals. This part includes policies related to the submission and selection of owner proposals for PBV assistance. It describes the factors the PHA will consider when selecting proposals, the type of housing that is eligible to receive PBV assistance, the cap on assistance at projects receiving PBV assistance, subsidy layering requirements, site selection standards, and environmental review requirements.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Rehabilitated and Newly Constructed Units. This part describes requirements and policies related to the development and completion of rehabilitated and newly constructed housing units that will be receiving PBV assistance.

Part V: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at the PHA's discretion.

Part VI: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VII: Occupancy. This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any project) are also discussed.

Part VIII: Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

Part IX: Payments to Owner. This part describes the types of payments owners may receive under this program.

PART I: GENERAL REQUIREMENTS

17-I.A. OVERVIEW [24 CFR 983.5, FR Notice 1/18/17, and Notice PIH 2017-21]

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to generally utilize up to 20 % percent of the FRHA's Housing Choice Voucher authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the PHA's Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

FRHA Policy

The FRHA will administer a project-based voucher program and use up to its maximum authorized units for the PBV program (generally 20% except that 10% above that is permitted under special circumstances detailed later in this chapter). (Appendix I of Notice PIH 2017-21 contains a sample PBV program cap calculation worksheet). The proposed location of any project-based units will comply with the goals of deconcentrating poverty, expanding housing opportunities, and affirmatively furthering fair housing. The FRHA will accept an invitation from HUD to administer tenant protection vouchers for any Housing Conversion action. This includes any project approved to participate in the Rental Assistance Demonstration (RAD) program. Under the RAD program, income-eligible tenants who would normally receive Enhanced Vouchers (EVs) are eligible to be project based.

PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, the PHA is not required to reduce the number of these units if the amount of budget authority is subsequently reduced. However, the PHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC [24 CFR 983.6].

While HUD permission is not required to operate a PBV program, no later than 14 calendar days prior to the date the PHA intends to issue a Request for Proposals or makes a selection, the PHA must submit the following information to the HUD field office for review [FR Notice 1/18/17]:

1. The total amount of units authorized under the ACC for the PHA (excluding those PBV units entirely excluded from the cap), including special purpose vouchers, as well as the number of PBV units excluded from the total, if applicable.
2. The number of PBV units entirely excluded from the percentage limitation (as described in Attachment F of Notice PIH 2017-21).
3. The number of units qualifying under the 10 percent program cap exception category (as described in Attachment D of Notice PIH 2017-21).
4. The current number of units currently committed to PBV (excluding those entirely excluded from the cap), including units currently under PBV HAP contract, under

Agreement to Enter into a HAP contract (AHAP), or covered by a notice of proposal selection. The number of units excluded from the total must also be identified.

5. The number of units to which the PHA is proposing to attach project-based assistance through the new RFP or selection.

The PHA is responsible for determining the amount of budget authority it has available and ensuring that the amount of assistance that will be attached to the units is available under the ACC, regardless of whether the PHA has vouchers available for project-basing.

FRHA Policy

The FRHA PBV program has two tracks. 1) There is a Watuppa Heights PBV program track and 2) a “general” FRHA PBV program track.

The Watuppa Heights PBV Track

The former is a specific set-aside of fifty (50) Vouchers intended to replace in part units from the former Watuppa Heights State-aided Family Housing Development. The Watuppa Heights PBV program is subject to a Memorandum of Understanding (MOU) between the Massachusetts Department of Housing & Community Development, Mass Law Reform and the FRHA. The MOU requires that the Watuppa Heights PBV program use a map created by Mass Law Reform that pre-identifies suitable census blocks that meet site and neighborhood standards which exceed the regulatory standard. Pursuant to the MOU, the FRHA cannot approve applications for PBV submitted under the Watuppa Heights track in “red” or “orange” zones without the concurrence of Mass Law Reform or their designee. In addition, Watuppa Heights PBV units are to be two bedroom or larger suitable for families with children.

The “General” PBV Tract:

The “general” FRHA PBV program relies solely on the site selection standards of the regulations found at 24 CFR 983.57. The “general” FRHA PBV program will not exceed the HUD maximum allowable cap as defined in section D below.

Additional Project-Based Units [FR Notice 1/18/17; Notice PIH 2017-21]]

The FRHA may project-base an additional 10 percent of its units above the 20 percent program limit, if the units. (Units that have previously received either PBV or HCV assistance are not covered under the exception):

- Received Public Housing Capital or Operating Funds;
- Project-Based Rental Assistance (Section 8 of the act), including units assisted under Section 8 Moderate Rehabilitation (Mod. Rehab) and Mod Rehab Single- Room Occupancy (SRO) program;
- Housing for Elderly (Section 202);
- Housing for Persons with Disabilities (Section 811);
- Rent Supplement (Rent Supp) or Rental Assistance Program (RAP);
- Flexible Subsidy Program (Section 201 of the Housing and Community Development Amendments of 1978)

- Was subject to a rent restriction through a loan or insurance program as a result of Section 236, Section 221(d)(3) or (d)(4) BMIR, Housing for Elderly Persons (Section 202), or Housing for Persons with Disabilities (Section 811), or Flexible Subsidy Program (Section 201 of the Housing and Community Development Amendments of 1978)

In addition, the unit must meet the following applicable conditions to qualify for this exception:

PBV Existing and Rehabilitated Units

- The unit must be covered under a PBV HAP contract that first became effective on or after April 18, 2017; and
- In the five years prior to the date, the PHA either:
 - Issued the RFP under which the project was selected; or
 - Selected the project based on a prior competition or without competition, the unit met at least one form of assistance, or was subject to a rent restriction as described above. If the existing/rehabilitated project was selected based on a prior competition or without competition, then the date of selection used to determine if the five-year threshold has been met is the date of the PHA written notice of owner selection under 24 CFR 983.51(d).

PBV New Construction

A newly constructed unit developed under the PBV program may also be excluded from the limitation, provided the unit qualifies as a replacement unit. The unit must meet all of the following requirements to meet this exception to the limitation:

The unit that the PBV newly constructed unit is replacing (i.e., the original unit) must have received one of the forms of HUD assistance or must have been subject to a rent restriction as a result of one of the HUD loan or insurance programs listed above no more than five years from the date the PHA either:

- Issued the RFP under which the PBV new construction project was selected; or
- Selected the PBV new construction project based on a prior competition or without competition. If the PBV new construction project was selected based on a prior competition or without competition, then the date of selection used to determine if the five-year threshold has been met is the date of the PHA written notice of owner selection under 24 CFR 983.51(d).
- The newly constructed unit is located on the same site as the unit it is replacing. An expansion of or modification to the prior project's site boundaries as a result of the design of the newly constructed project qualifies as the same site as long as a majority of the replacement units is built back on the site of the original development, and any units that are not built on the existing site

share a common border with, are across a public right of way from, or touch that site.

- One of the primary purposes of the planned development of the PBV new construction project is or was to replace the affordable rental units that previously existed at the site, as evidenced by at least one of the following:
- Former residents of the original project are provided with a selection preference that provides the residents with the right of first occupancy at the PBV new construction project; or
- Prior to the demolition of the original project, the PBV new construction project was specifically identified as replacement housing for that original project as part of a documented plan for the redevelopment of the site.
- The HAP contract first became effective on or after April 18, 2017.

17-I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the FRHA policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

FRHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the FRHA policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

17-I.C. RELOCATION REQUIREMENTS [24 CFR 983.7]

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. PHAs may not use voucher program funds to cover relocation costs, except that PHAs may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of the PHA to ensure the owner complies with these requirements.

17-I.D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]

The PHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, the PHA must comply with the PHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

17-I.E. SPECIAL PROVISIONS UNDER RAD

RAD projects are subject to all HUD requirements, including the PBV regulations in 24 C.F.R. part 983.

- A. **Owner Proposal Selection Procedures.** Projects will be selected for assistance in accordance with the provisions in the RAD implementing notice. Therefore, 24 C.F.R. § 983.51 does not apply.
- B. **Term of Initial Contract.** In order to participate in RAD, PHAs and owners must agree to an initial term of 15 years. The initial contract term may not be for a lesser term, nor may it exceed the 15-year limit.
- C. **Extension of Term.** The PHA and the owner may agree to enter into an extension of the HAP contract at the time of initial HAP contract execution or any time prior to expiration of the contract. Any extension, including the term of such extension, must be in accordance with HUD requirements. The PHA must determine that any extension is appropriate to achieve the long-term affordability of the housing or expand housing opportunities.
- D. **Percentage Limitation.** Section 8(o)(13)(B) of the 1937 Act and 24 C.F.R. § 983.6 do not apply to assistance provided under RAD.
- E. **Consistency With PHA Plan and Other Goals.** Section 8(o)(13)(C)(ii) of the 1937 Act and 24 C.F.R. §§ 983.57(b)(1) and (c) do not apply.
- F. **Income Mixing.** Section 8(o)(13)(D) of the 1937 Act and related regulatory provisions. The 25 percent limitation on the number of units in a project that may receive PBV assistance is increased to 50 percent. An assisted family shall not be involuntarily displaced as a result of this provision. In addition, the excepted unit provisions in the PBV regulations generally apply to RAD projects. However, for existing families occupying units when the PBV contract is initially executed, a unit may count as a supportive service accepted unit if the PHA offers the family supportive services. The family is not required to accept the services, and may not be evicted for a refusal to accept such services. Once an existing family leaves a supportive service excepted PBV unit, the PHA and owner must comply with 24 C.F.R. § 983.56(b)(2)(B) (“Families Receiving Supportive Services”) and all other HUD requirements in order to continue treating the unit as a support service excepted unit.

RAD Authority

The Consolidated and Further Continuing Appropriations Act, 2012, Pub. L. No. 112-55, approved November 18, 2011, states, in part, under the Rental Assistance Demonstration account, “That for fiscal years 2012 and 2013, owners of properties assisted under section 101 of the Housing and Urban Development Act of 1965, section 236(f)(2) of the National Housing Act, or section 8(e)(2) (except for funds allocated under such section for single room occupancy dwellings as authorized by title IV of the McKinney-Vento Homeless Assistance Act) of the [1937] Act, for which an event after October 1, 2006 has caused or results in the termination of rental assistance or affordability restrictions and the issuance of tenant protection vouchers under section 8(o) of the [1937] Act, shall be eligible, subject to requirements established by the Secretary, including but not limited to tenant consultation procedures and agreement of the administering public housing agency, for conversion of assistance available for such vouchers to assistance under section 8(o)(13) of the [1937] Act, to which the limitation under subsection (B) of section 8(o)(13) of the [1937] Act shall not apply and for which the Secretary of Housing and Urban Development may waive or alter the provisions of subparagraphs (C) and (D) of section 8(o)(13) of the [1937] Act.”

RAD HUD Requirements

The owner and the PHA must comply with all HUD requirements, as defined in section 2 of the PBV Existing Housing HAP Contract. HUD requirements include Notice PIH 2012-32; Rental Assistance Demonstration —Final Implementation.

PART II: PBV OWNER PROPOSALS

17-II.A. OVERVIEW

The FRHA must describe the procedures for owner submission of PBV proposals and for FRHA selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, the FRHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56, FR Notice 11/24/08], and meets the site selection standards [24 CFR 983.57]. The FRHA may not commit PBVs until or unless it has followed the proposal selection requirements defined in 24 CFR 983.51 [Notice PIH 2011-54].

17-II.B. OWNER PROPOSAL SELECTION PROCEDURES [24 CFR 983.51(b)]

The FRHA must select PBV proposals in accordance with the selection procedures in the FRHA administrative plan. The FRHA must select PBV proposals by either of the following two methods.

- FRHA request for PBV Proposals. The FRHA may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to the FRHA request. The FRHA may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.
- The FRHA may select proposal that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance.

Solicitation and Selection of PBV Proposals [24 CFR 983.51(c)]

FRHA procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by the FRHA. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of the FRHA request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

FRHA Policy

Procedures for Selection of Proposals

Initial Review and Screening of Proposals - the FRHA will review only proposals submitted in response to the Request for Proposals advertisement and submitted by the

stated deadline. The FRHA shall review proposals for completeness and compliance with RFP requirements. Proposals must include the following information (threshold requirements):

- Property description, including unit sizes, number of vacancies, eligible occupants.
- Evidence that property is eligible housing as defined at 24 CFR 983.53 and 983.54,
- Evidence that property complies with or is exempted from the cap on the number of PBV units per building/project (24 CFR 983.56)
- Evidence that property meets the site selection standards (24 CFR 983.57).
- Owner certification indicating understanding and agreement to abide by all FRHA and HUD rules and regulations governing the PBV program.
- Description of previous management experience and participation in HUD subsidized housing programs.
- Written tenant selection policy and procedures.
- Proposed rent levels accompanied by rent comparables for similar unassisted units in the area.
- Information on how the site is consistent with the deconcentration goals already established in the FRHA's PHA plan, and with civil rights laws and regulations, including HUD's rules on accessibility at 24 CFR 8.4 (b) 950.
- Owner's agreement to select tenants from the FRHA waiting list

Also for New Construction:

- Description of project including work plans.
- Zoning permits and evidence of site control
- Disclosure of Low Income Tax Credit use or lien.
- Statement-of Sources and Uses for Funds to develop the project.
- Operating proforma.
- Descriptions of historic and environmental review status.
- Owner's plan to manage and maintain property.

After this initial threshold review, the following action will be taken:

1. Incomplete proposals will not be processed. If the Owner fails to provide the needed information within a reasonable time, the proposal will be rejected. Proposals which would require permanent displacement of tenants will be rejected. Proposals where there is no site control will be rejected. Proposals where the property has liens attached as a result of the current Owner's negligence will be rejected.
2. Owners of rejected proposals will be notified in writing of the reasons for rejection.

3. The FRHA will schedule initial inspections of all projects which meet the threshold requirements described above.
4. Based on the initial inspection, the FRHA will review the general work and cost estimate and determine that the project qualifies as a New Construction, Rehabilitation or Existing housing project. In the case of an existing project, the FRHA will ensure that the minimum HQS standards are met using Article II of the State Sanitary Code and the Federal Housing Quality Standards. Included in this report will be a statement on the need for temporary relocation of tenants and an estimate of the time needed to complete construction.
5. Upon receipt of the general work and cost estimate, the FRHA will conduct a feasibility analysis for each project. The FRHA will review the requested rents and supporting rent reasonableness information to determine if the rents are permissible under the PBV program. The FRHA will determine that the rents approved are reasonable and comparable to private unassisted units in the market.
6. Feasible proposals will be ranked according to the following point system.
 - Scope of Work: (New Construction and Rehabilitation projects only) (0 -25) points will be awarded for project feasibility based on scope of work and proposed period of completion.
 - Location: (0-25) points will be awarded for projects located in low poverty areas with few affordable housing opportunities and which have easy access to community services, such as markets, schools, and public transportation. Greater point value will be awarded to projects which meet more of the following deconcentration and accessibility goals: The FRHA will evaluate each proposal based on whether the site is in an Enterprise Zone, Economic Community or Renewal Community (EZ/EC/RC); whether the concentration of assisted units will or has decreased as a result of public housing demolition; whether the census tract is undergoing significant revitalization; whether government funding has been invested in the area; whether new market rate units are being developed in the area which are likely to positively impact the poverty rate in the area; if the poverty rate in the area is greater than 20% whether in the past five years there has been an overall decline in the poverty rate and whether there are meaningful opportunities for educational and economic advancement in the area. The FRHA will only award PBV assistance to projects consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The FRHA will not limit proposals to a single site or impose restrictions that explicitly or practically exclude Owners from submitting project-based proposals.
 - Readiness to proceed: (0-20) points will be awarded to projects where there are no legal encumbrances; in-place tenants have indicated their willingness to proceed with renovations; proposed rehab is consistent with existing zoning; Owner/developer has already completed development activities such as work write-ups, specifications, cost estimates, bids, financing commitments, Historic Commission approval, and 21 (e) hazardous waste approval.

- Owner Experience and Written Tenant Selection Policy and Procedures (0-10) points will be awarded for projects where Owner / development team has previous experience doing similar work; Owner has demonstrated capability to self-manage or has professional management.
- Long Term Affordability and Access to Supportive Services: (0-20) points will be awarded to projects which provide long term affordability and which provide access to supportive services.

If the above criteria result in tie scores, the FRHA will select projects based on the marketability of the proposed units. Such factors as location, amenities and housing quality will also be considered.

PHA-Owned Units [24 CFR 983.51(e), 983.59, Notice PIH 2015-05, and FR Notice 1/18/17, and Notice PIH 2017-21]

Except for certain public housing units, a PHA-owned unit may be assisted under the PBV program only if the HUD field office or HUD-approved independent entity reviews the selection process and determines that the PHA-owned units were appropriately selected based on the selection procedures specified in the PHA administrative plan.

The PHA's selection procedures must apply to all PBV proposals and must be designed in a manner that does not effectively eliminate the submission of proposals for non-PHA-owned units or give undue preferential treatment (e.g., additional points) to PHA-owned units.

In order to be a PHA-owned unit, the PHA must have ownership interest in the building itself, not simply the land beneath the building.

A unit is considered to be owned by the PHA if the unit is in a project that is owned by the PHA (which includes a PHA having "controlling interest" in the entity that owns the unit), owned by an entity wholly controlled by the PHA, or owned by a limited liability company or limited partnership in which the PHA (or an entity wholly controlled by the PHA) holds a controlling interest in the managing or general partner.

Controlling interest means:

- holding more than 50 percent of the stock of any corporation;
- having the power to appoint more than 50 percent of the members of the board of directors of a non-stock corporation (such as a non-profit corporation);
- where more than 50 percent of the members of the board of directors of any corporation also serve as directors, officers, or employees of the PHA;
- holding more than 50 percent of all managing member interests in an LLC;
- holding more than 50 percent of all general partner interests in a partnership; or
- equivalent levels of control in other ownership structures.

A unit is not considered to be owned by the PHA if:

- The PHA holds a fee interest as ground lessor of the property on which the building is situated, but no ownership interest in the building or unit itself;
- The PHA holds only security interest under a mortgage or deed of trust on the unit; or

- The PHA has only a non-controlling interest in an entity that owns the unit or in the managing member or general partner of an entity that owns the unit.

If the PHA selects a proposal for housing that is owned or controlled by the PHA, the PHA must identify the entity that will review the PHA proposal selection process and perform specific functions with respect to rent determinations and inspections.

Noncompetitive selections must also be reviewed to ensure that the selection was done properly, particularly in regard to low-income housing tax credit (LIHTC) project applications not receiving the benefit of a commitment of PBVs by the PHA and that the comparable competition was held within three years of project selection.

HUD also requires an independent agency to determine rent to owner, redetermined rent to owner, and rent reasonableness, in addition to conducting housing quality inspections to avoid any appearance of impropriety.

Attachment B of Notice PIH 2017-21 provides detailed information on PHA selection of an independent entity.

PHA Selection of Proposals Subject to a Previous Competition under a Federal, State, or Local Housing Assistance Program

The FRHA will accept proposals for PBV assistance from owners that were competitively selected under another federal, state or local housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis.

Additional Exemption from Requirement to Select Units Competitively [FR Notice 1/18/17]

For certain public housing projects where the FRHA has an ownership interest or control and will spend a minimum amount per unit on rehabilitation or construction, the FRHA may select a project without following the competitive processes cited above.

In addition, the FRHA may also directly contact specific owners that have already been selected for Federal, state, or local housing assistance based on a previously held competition, to inform them of available PBV assistance.

Proposals will be reviewed on a first-come first-served basis. The FRHA will evaluate each proposal on its merits using the following factors:

- Extent to which the project furthers the FRHA goal of deconcentrating poverty and expanding housing and economic opportunities; and
- Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.

PHA Notice of Owner Selection [24 CFR 983.51(d)]

The FRHA must give public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

FRHA Policy

Within 30 business days of the FRHA making the selection, the FRHA will notify the selected owner in writing of the owner's selection for the PBV program.

The FRHA will publish its notice of selection of PBV proposals on its website.

17-II.C. HOUSING TYPE [24 CFR 983.52]

The FRHA may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of FRHA selection, the units substantially comply with HQS. Units for which new construction or rehabilitation was started in accordance with PBV program requirements do not qualify as existing housing.

The FRHA must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. The FRHA choice of housing type must be reflected in its solicitation for proposals

17-II.D. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS

Ineligible Housing Types [24 CFR 983.53]

The FRHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing. In addition, the FRHA may not attach or pay PBV assistance for a unit occupied by an owner and the FRHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program.

Subsidized Housing [24 CFR 983.54]

The FRHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);

- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or the FRHA in accordance with HUD requirements.

17-II.E. SUBSIDY LAYERING REQUIREMENTS [24 CFR 983.55, FR Notice 11/24/08, and FR Notice 7/9/10]

The FRHA may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

The FRHA must submit the necessary documentation to HUD for a subsidy layering review. Except in cases of HAP contracts for existing structures, or if such reviews have been conducted by the applicable state and local agencies (defined by HUD as qualified housing credit agencies, or HCAs), the PHA may not enter into an agreement to enter into a HAP contract or a HAP contract until HUD, or an independent entity approved by HUD, has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

17-II.F. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT

25 Percent per Project Cap [24 CFR 983.56(a), FR Notice 11/24/08, FR Notice 1/18/17, and Notice PIH 2017-21]]

In general, the PHA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

Exceptions to 25 Percent per Project Cap [24 CFR 983.56(b), FR Notice 11/24/08, FR Notice 1/18/17; Notice PIH 2017-21]]

Note: The definition of excepted unit differs depending on when the HAP contract was executed. Contracts executed prior to April 18, 2017, follow the “old” statutory PBV requirements for excepted units. Projects where the HAP contract was executed on or after April 18, 2017, follow the new requirements that were implemented as a result of the Housing Opportunity Through Modernization Act (HOTMA).

Exceptions are allowed and PBV units are not counted against the 25 percent per project cap if:

- The units are in a single-family building (one to four units);
- The units are *excepted units* in a multifamily building because they are specifically made available for elderly or disabled families or families receiving supportive services (also known as *qualifying families*).

A PHA may not require participation in the supportive services as a condition of living in an excepted unit, although the family must be eligible to receive the supportive services, and the supportive services must be offered to the family. As such, a PHA may not rely solely on a supportive services program that would require the family to engage in the services once enrolled, such as FSS, for the unit to qualify for the supportive services exception. In the case of a family that chooses to participate in the supportive services, as described by the PHA in the administrative plan, and successfully completes the supportive services objective, the unit continues to be an excepted unit for as long as the family resides in the unit even though the family is no longer eligible for the service.

However, if a family becomes ineligible for the supportive services during their tenancy (for reasons other than successfully completing the supportive services objective), the unit will no longer be considered an excepted unit under this category. If the PHA does not want to reduce the number of excepted units in their project-based portfolio, the PHA may: (i) Substitute the excepted unit for a non-excepted unit if it is possible to do so in accordance with [24 CFR 983.207\(a\)](#), so that the unit does not lose its excepted status, or (ii) temporarily remove the unit from the PBV HAP contract and provide the family with tenant-based assistance. Note that the family would have to be ineligible for *all* the supportive services made available for the unit to lose its excepted status. For example, consider a project where the supportive services made available to assisted families in the project include both FSS supportive services (for families that voluntarily join the FSS program) and non-FSS supportive services (where, unlike FSS, participation in supportive services is not mandatory). If a family joined the FSS program but later dropped out of the FSS program, the unit would continue to be an exception unit provided the family is eligible for the non-FSS supportive services.

FRHA Policy

The FRHA will develop housing for occupancy by families in need of services. This may include disabled families, families in need of particular supportive services, or families participating in the Family Self-Sufficiency (FSS) program. Families will not be required to accept and receive supportive services for the exception to apply to the unit, although they will be required to be eligible to receive supportive services. The following types of services will be provided depending on the needs of the family:

- Meal service adequate to meet nutritional needs; Housekeeping aid; Personal assistance; Transportation services; Health-related services; Case management; Childcare; Educational and employment services; Job training; Counseling; or Other services designed to help the recipient live in the community as independently as possible.

If the family becomes ineligible for the supportive service during their tenancy (for reasons other than successfully completing the supportive service objective), the unit will no longer be considered an excepted unit. If the family is ineligible for all supportive services that are made available at the project, the PHA may do any of the following:

- Reduce the number of excepted units
- Substitute the excepted unit for a non-excepted unit
- Temporarily remove the unit from the PBV HAP contract and provide the family with tenant-based assistance.

Projects not Subject to a Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]

The following categories of units are eligible for this exception:

- Received Public Housing Capital or Operating Funds;
- Project-Based Rental Assistance (Section 8 of the act), including units assisted under Section 8 Moderate Rehabilitation (Mod Rehab) and Mod Rehab Single- Room Occupancy (SRO) program;
- Housing for Elderly (Section 202);
- Housing for Persons with Disabilities (Section 811);
- Rent Supplement (Rent Supp) or Rental Assistance Program (RAP);
- Flexible Subsidy Program (Section 201 of the Housing and Community Development Amendments of 1978)
- Was subject to a rent restriction through a loan or insurance program as a result of Section 236, Section 221(d)(3) or (d)(4) BMIR, Housing for Elderly Persons (Section 202), or Housing for Persons with Disabilities (Section 811), or Flexible Subsidy Program (Section 201 of the Housing and Community Development Amendments of 1978)

In addition, the unit must meet the following applicable conditions to qualify for this exception:

- PBV Existing and Rehabilitated Units

The unit must be covered under a PBV HAP contract that first became effective on or after April 18, 2017; and

- In the five years prior to the date the PHA either:
 1. Issued the RFP under which the project was selected, or
 2. Selected the project based on a prior competition or without competition, the unit met at least one form of assistance, or was subject to a rent restriction as described above. If the existing/rehabilitated project was selected based on a prior competition

or without competition, then the date of selection used to determine if the five-year threshold has been met is the date of the PHA written notice of owner selection under 24 CFR 983.51(d).

PBV New Construction

A newly constructed unit developed under the PBV program may also be excluded from the limitation, provided the unit qualifies as a replacement unit. The unit must meet all of the following requirements to meet this exception to the limitation:

- The unit that the PBV newly constructed unit is replacing (i.e., the original unit) must have received one of the forms of HUD assistance or must have been subject to a rent restriction as a result of one of the HUD loan or insurance programs listed above no more than five years from the date the PHA either:
 1. Issued the RFP under which the PBV new construction project was selected; or
 2. Selected the PBV new construction project based on a prior competition or without competition. If the PBV new construction project was selected based on a prior competition or without competition, then the date of selection used to determine if the five-year threshold has been met is the date of the PHA written notice of owner selection under 24 CFR 983.51(d).
- The newly constructed unit is located on the same site as the unit it is replacing. An expansion of or modification to the prior project's site boundaries as a result of the design of the newly constructed project qualifies as the same site as long as a majority of the replacement units is built back on the site of the original development, and any units that are not built on the existing site share a common border with, are across a public right of way from, or touch that site.
- One of the primary purposes of the planned development of the PBV new construction project is or was to replace the affordable rental units that previously existed at the site, as evidenced by at least one of the following:
 1. Former residents of the original project are provided with a selection preference that provides the residents with the right of first occupancy at the PBV new construction project; or
 2. Prior to the demolition of the original project, the PBV new construction project was specifically identified as replacement housing for that original project as part of a documented plan for the redevelopment of the site.
- The HAP contract first became effective on or after April 18, 2017.

17-II.G. SITE SELECTION STANDARDS

Compliance with PBV Goals, Civil Rights Requirements, and HQS Site Standards [24 CFR 983.57(b)]

The PHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the PHA has determined that PBV assistance for housing at the selected

site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the PHA Plan under 24 CFR 903 and the PHA administrative plan.

In addition, prior to selecting a proposal, the PHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the HQS site and neighborhood standards at 24 CFR 982.401(l).

FRHA Policy

It is the FRHA goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal the FRHA will limit approval of sites in census tracts that have poverty concentrations of 20 percent or less.

The FRHA may grant exceptions to the 20 percent standard where the FRHA determines that the PBV assistance will complement other local redevelopment activities designed to deconcentrate poverty and expand housing and economic opportunities, such as sites in:

- A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
- A census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition and HOPE VI redevelopment;
- A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of state, local, or federal dollars invested in the area;
- A census tract where new market rate units are being developed where such market rate units will positively impact the poverty rate in the area;
- A census tract where there has been an overall decline in the poverty rate within the past five years; or
- A census tract where there are meaningful opportunities for educational and economic advancement.

Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]

The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;

- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

New Construction Site and Neighborhood Standards [24 CFR 983.57(e)]

In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;
- The site must not be located in an area of minority concentration unless the PHA determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;
- The site must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

17-II.H. ENVIRONMENTAL REVIEW [24 CFR 983.58]

The PHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The *responsible entity* is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically

excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

The PHA may not enter into an agreement to enter into a HAP contract or a HAP contract with an owner, and the PHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

The PHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. The PHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

PART III: DWELLING UNITS

17-III.A. OVERVIEW

This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

17-III.B. HOUSING QUALITY STANDARDS [24 CFR 983.101]

The housing quality standards (HQS) for the tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

Lead-based Paint [24 CFR 983.101(c)]

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

17-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8.

17-III.D. INSPECTING UNITS

Pre-selection Inspection [24 CFR 983.103(a)]

The PHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, the PHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date. However, the PHA may not execute the HAP contract until the units fully comply with HQS.

Pre-HAP Contract Inspections [24 CFR 983.103(b)]

The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with HQS.

Turnover Inspections [24 CFR 983.103(c)]

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with HQS.

Annual Inspections [24 CFR 983.103(d)]

At least once every 24 months during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this annual inspection requirement.

If more than 20 percent of the annual sample of inspected contract units in a building fails the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

Other Inspections [24 CFR 983.103(e)]

The PHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting PHA supervisory quality control HQS inspections, the PHA should include a representative sample of both tenant-based and project-based units.

Inspecting PHA-Owned Units [24 CFR 983.103(f)]

In the case of PHA-owned units, the inspections must be performed by an independent agency designated by the PHA and approved by HUD. The PHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the PHA-owner.

PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS

17-IV.A. OVERVIEW [24 CFR 983.151]

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

17-IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT

In order to offer PBV assistance in rehabilitated or newly constructed units, the PHA must enter into an agreement to enter into HAP contract (Agreement) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(a)].

In the Agreement the owner agrees to develop the PBV contract units to comply with HQS, and the PHA agrees that upon timely completion of such development in accordance with the terms of the Agreement, the PHA will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(b)].

Content of the Agreement [24 CFR 983.152(c)]

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (size) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Description of the work to be performed under the Agreement.
- Any additional requirements for quality, architecture, or design over and above HQS.

Execution of the Agreement [24 CFR 983.153, FR Notice 11/24/08]

The Agreement must be executed promptly after PHA selection of the proposal. Generally, the PHA may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, the PHA may not enter into the Agreement until the environmental review is completed and the PHA has received environmental approval from HUD.

FRHA Policy

The FRHA will enter into the Agreement promptly after receiving both environmental approval and notice that subsidy-layering requirements have been met, and before construction or rehabilitation work is started.

17-IV.C. CONDUCT OF DEVELOPMENT WORK

Labor Standards [24 CFR 983.154(b)]

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations.

Equal Opportunity [24 CFR 983.154(c)]

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

Owner Disclosure [24 CFR 983.154(d) and (e)]

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

17-IV.D. COMPLETION OF HOUSING

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines.

Evidence of Completion [24 CFR 983.155(b)]

At a minimum, the owner must submit the following evidence of completion to the PHA in the form and manner required by the PHA:

- Owner certification that the work has been completed in accordance with HQS and all requirements of the Agreement; and

- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

At the PHA's discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

FRHA Policy

The FRHA will specify any additional documentation requirements in the Agreement to enter into HAP contract.

PHA Acceptance of Completed Units [24 CFR 983.156]

Upon notice from the owner that the housing is completed, the PHA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HQS and any additional requirements imposed under the Agreement. The PHA must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the Agreement, the PHA must not enter into the HAP contract.

If the PHA determines the work has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, the PHA must submit the HAP contract for execution by the owner and must then execute the HAP contract.

PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)

17-V.A. OVERVIEW

The PHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. The HAP contract must be in the form required by HUD [24 CFR 983.202].

17-V.B. HAP CONTRACT REQUIREMENTS

Contract Information [24 CFR 983.203]

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set-aside for occupancy by qualifying families; and
- The initial rent to owner for the first 12 months of the HAP contract term.

Execution of the HAP Contract [24 CFR 983.204]

The PHA may not enter into a HAP contract until each contract unit has been inspected and the PHA has determined that the unit complies with the Housing Quality Standards (HQS). For existing housing, the HAP contract must be executed promptly after the PHA selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after the PHA has inspected the completed units and has determined that the units have been completed in accordance with the agreement to enter into HAP, and the owner furnishes all required evidence of completion.

FRHA Policy

For existing housing, the HAP contract will be executed after the FRHA has determined that all units pass HQS.

For rehabilitated or newly constructed housing, the HAP contract will be after the FRHA has determined that the units have been completed in accordance with the agreement to enter into HAP, all units meet HQS, and the owner has submitted all required evidence of completion.

Term of HAP Contract [FR Notice 11/24/08. and Notice PIH 2017-21]

The PHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years.

FRHA Policy

The term of all PBV HAP contracts will be negotiated with the owner on a case-by-case basis.

For PHAs and owners with HAP contracts in effect prior to the implementation of this provision of HOTMA (4/18/17), if contracts are still in the initial term, the term may be extended to a maximum initial term of 20 years by mutual consent, and then may subsequently be extended for additional 20 years, for a maximum of 40 years. PHAs and owners with HAP contracts that are no longer in the initial term may mutually agree to extend the contract for total extension term of 20 years.

FRHA Policy

When determining whether or not to extend an expiring PBV contract, the FRHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner's record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

Termination by PHA [24 CFR 983.205(c)]

The HAP contract must provide that the term of the PHA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the PHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

Termination by Owner [24 CFR 983.205(d)]

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to the PHA. In this case, families living in the contract units must be offered tenant-based assistance.

Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]

Per the statutory notice requirements at Sec. 8(c)(8) and 24 CFR §983.206, not less than 1 year prior to the termination or expiration without extension of a HAP contract, an owner must provide notice to both the PHA and affected tenants. An owner who fails to provide such notice must permit tenants to remain in their units for the required notice period with no increase in the tenant portion of the rent. During this time period, an owner may not evict a tenant as a result of the owner's inability to collect an increased tenant portion of rent. With PHA agreement, an owner may renew the terminating contract for a period of time sufficient to give tenants 1 year's advance notice

For families who wish to remain at the property, the HCV assistance does not commence until the end of the owner's required notice period.

Owner notice requirements:

Remedies for HQS Violations [24 CFR 983.207(b)]

The PHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If the PHA determines that a contract does not comply with HQS, the PHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

[FRHA Policy](#)

The FRHA will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.

17-V.C. AMENDMENTS TO THE HAP CONTRACT

Substitution of Contract Units [24 CFR 983.206(a) and Notice PIH 2017-21]]

At the PHA's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Before any such substitution can take place, the PHA must inspect the proposed unit and determine the reasonable rent for the unit.

Addition of Contract Units [24 CFR 983.206(b) [FR Notice 1/18/17]

At the PHA's discretion and subject to the restrictions on the number of dwelling units that can receive PBV assistance per building and on the overall size of the PHA's PBV program, a HAP contract may be amended following the execution date of the HAP contract to add additional PBV units in the same building. This type of amendment is subject to all PBV program requirements except that a new PBV proposal is not required. Prior to attaching additional units without competition, the FRHA must submit to the local field office information outlined in FR Notice 1/18/17. The FRHA intends to exercise this option when feasible and where the project is in good standing and the populations served will continue to aid the FRHA to address waiting list needs.

FRHA Policy

The FRHA will consider contract units to the HAP contract when the FRHA determines that additional housing is needed to serve eligible low-income families. Circumstances may include, but are not limited to:

- The local housing inventory is reduced due to a disaster (either due to loss of housing units, or an influx of displaced families); and
- Voucher holders are having difficulty finding units that meet program requirements.
- The FRHA will consider adding units to all of its existing PBV projects for the elderly and those projects serving the disabled or families receiving supportive services.
- The FRHA intends to add PBV units when available for the purpose of easing the burden of housing search and leasing for the elderly, disabled and families requiring supportive service. All projects must further the goals of deconcentrating poverty and expanding housing opportunities. All of the FRHA's existing PBV projects meet the above stated criteria.

17-V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.206(c) and 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

17-V.E. OWNER RESPONSIBILITIES UNDER THE HAP [24 CFR 983.209]

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit; and
- The family does not own or have any interest in the contract unit.

17-V.F. ADDITIONAL HAP REQUIREMENTS

Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.207(a)]

The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the PHA and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner.

The PHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with HQS..

Vacancy Payments [24 CFR 983.352(b)]

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the PHA and cannot

exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

FRHA Policy

The PHA will decide on a case-by-case basis if the PHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement.

Termination by FRHA [24 CFR 983.205(c); FR Notice 1/18/17] The HAP contract must provide that the term of the FRHA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the FRHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract. In times of insufficient funding, HUD requires that FRHAs first take all cost-saving measures prior to failing to make payments under existing PBV HAP contracts. ^[L]~~[SEP]~~ If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the FRHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206; FR Notice 1/18/17]

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the FRHA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner's required notice period ends. The FRHA must provide the family with a voucher and the family must also be given the option by the FRHA and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent reasonableness requirements.

The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the tenant-based program, and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS

17-VI.A. OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

17-VI.B. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

The PHA may select families for the PBV program from those who are participants in the PHA's tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be re-determined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. An applicant family must also meet HUD requirements related to current or past criminal activity.

Rental assistance is provided while eligible families occupy units. An eligible family's income must not exceed the HUD-established low-income limit (80% AMI), adjusted for family size. A family who resides in a PBV unit for at least one year may move with continued rental assistance under the tenant-based Section 8 Program if assistance is available. The PBV unit the family occupied must then be rented to an eligible family from the PHA's wait list. PBV units must be leased to eligible families for the full term of the HAP contract.

The HAP contract establishes the initial rents for the units and describes the responsibilities of the FRHA and the owner. The HAP contract renewal may occur at the sole option of the FRHA for such period as FRHA determines appropriate to expand housing opportunities and to achieve long-term affordability of the assisted housing. All HAP contract renewals are contingent upon the future availability of appropriated HUD funds for the Housing Choice Voucher Program.

FRHA Policy

The FRHA will determine an applicant family's eligibility for the PBV program in accordance with the policies in Chapter 3.

In-Place Families [24 CFR 983.251(b)]

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the PHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or

a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the PHA's waiting list. Once the family's continued eligibility is determined (the PHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the PHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

Owner responsibility

The Owner-sponsor must send all in-place tenants a letter explaining that the Owner's units have been selected for PBV assistance and that if the tenants are determined program eligible (including being appropriately housed according to FRHA's occupancy standards), they will be eligible to receive PBV assistance. The Owner's letter must emphasize that any tenant found ineligible will not be displaced. The FRHA will provide the Owner with the details about HCV program eligibility and relocation requirements.

FRHA responsibility

Upon receipt of the Owner's certification that the requisite letter has been sent to all in-place tenant families, the FRHA will send those families a HCVP application that seeks information about each tenant's household composition. This information will assist the FRHA in determining whether or not the household is occupying the appropriate bedroom-size unit. Once the family completes and returns the application to FRHA, the FRHA will advise the Owner about specific unit size determinations.

17-VI.C. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]

The Fall River Housing Authority (FRHA) will maintain a site-specific waiting list for each respective Section 8 Project Based Voucher (PBV) project. Applicants for PBV units must be selected from the FRHA's waiting list. The FRHA will take referrals from PBV owners. There will be no tenant screening for suitability done by the FRHA only screening for Section 8 eligibility.

Notification Of All Housing Choice Voucher (HCVP) Applicants

All new applicants and families currently on the FRHA's tenant-based waiting list will be provided with the option to have their names placed on all/any open waiting lists that the FRHA maintains for assisted housing. See 24 CFR 983.251.

The FRHA will notify these applicants by the same means it uses in opening its waiting list under 24 CFR §982.206(a). The FRHA will (1) advertising through local and minority newspapers (2) post the notification on its website (3) conduct outreach to social service organizations that may serve the same clientele that will be occupying the PBV units.

Referrals To PBV Site-Specific Waiting Lists

Although site-specific PBV applications will be provided to all interested families at the FRHA Administrative Office, it is the responsibility of PBV owners to also refer applicants to the

FRHA to complete an application for the site-specific waiting list for their respective project. If units are not promptly filled because of lack of referrals, the FRHA will meet with the owner to emphasize their responsibility to make a suitable number of referrals or risk contract termination.

Site-Specific Waiting List Information Available At The FRHA Admissions Office:

Fall River Housing Authority

1197 Robeson Street, Fall River, MA 02721

508-675-3595

Each site-specific waiting list identifies:

1. Name of the project;
2. Location of project;
3. Number of bedrooms in the project;
4. Accessible unit availability;
5. Any special preference and/or occupancy considerations such as elderly, disabled, supportive services.

Listing In-Place Eligible Households on the Site-Specific Waiting List

All in-place households will be listed on the site-specific waiting list for the building in which they reside. These households will receive an absolute selection preference for the project-based voucher on the site-specific list. If the unit is not appropriately sized for the in-place household but another unit in the building is, the owner must offer this unit to the household before accepting any referrals from the FRHA waiting list. It is the tenant's option to accept the owner's offer of the appropriately sized unit.

Timing Of Applicant Referrals For "Development" And "Existing" PBV Projects

Tenants for vacant PBV units will be selected by the owner from FRHA referrals from the site-specific waiting list.

All applicants indicating interest in the PBV units who have self-certified Section 8 eligibility will be selected from the PBV Site Based Waiting List and referred to the Owner for suitability screening. Once the Owner has selected the family, the FRHA will screen the applicant for Section 8 program eligibility. The Owner may refer a Section 8 eligible individual or family to the FRHA PBV Site Based Waiting List so long as the individual or family meets the FRHA's wait list criteria.

The FRHA's PBV sites may offer residents, in some cases, supportive services, such as economic improvement, case management, mental health counseling, recovery programs, on site medical services, etc. Applicants are screened by the Owner/Agent of each property for suitability based upon criteria established in each property's Tenant Selection Plan. The FRHA screens applicants for Section 8 Eligibility purposes, only.

Owners choose a family for occupancy based on each Owner's individual and distinct written tenant selection policy. The FRHA must approve the Owner's tenant selection procedures. When a family is approved by the Owner and the FRHA, they will execute a lease with the Owner (a HUD PBV addendum will be included).

For “Existing” projects

Simultaneous with approving the HAP for an “existing” PBV project, the FRHA will add the name of the new project to its list of site-specific waiting lists on its website and the owner/project sponsor can begin making applicant referrals to the list. At that time, the FRHA will send referrals to the owners for all vacant units.

For “Rehab or Development” PBV projects

Approximately 60 days before the anticipated HAP execution date, the FRHA will add the name of the new project to its list of previously established site-specific waiting lists. At that time, all in-place tenants will be listed on the site-specific waiting list. The owner/project sponsor and the FRHA will also begin referring other prospective applicants to the list. The owner/project sponsor can begin requesting applicant referrals to fill vacant units as soon as the list is established.

In all instances, the FRHA will refer more applicants than there are units available in order to assure the units are filled as quickly as possible and to provide the owner with a reasonable pool of potentially acceptable applicants based on the owner’s FRHA-approved tenant selection criteria. These referrals will not have been determined Section 8 eligible by the FRHA. This process will occur after the owner/project sponsor has selected the tenant(s).

Referred applicants who lose contact with the FRHA or owner/project sponsor or fail to respond to requests for additional information for a period greater than two weeks will be deemed to have refused a potential offer of a unit. The FRHA cannot require the owner to hold a unit vacant while it attempts to locate the applicant.

Owner’s Written Tenant Selection Plan

Prior to AHAP or HAP execution each owner must submit a tenant selection plan for approval by the FRHA. Failure to present an acceptable selection plan will result in FRHA’s withdrawal of the offer to provide PBV assistance to the project. Each tenant selection plan should address, at a minimum, the following criteria:

- The screening criteria and methods used to screen.
- The owner/project sponsor’s certification that both assisted and unassisted tenants will be screened using the same screening criteria and methods.
- If a credit check will be part of the screening, the minimum acceptable score.
- A statement that the owner/project sponsor will return to the FRHA a copy of the applicant referral list that shows the date and time that each referred applicant contacted the owner/project sponsor and the final status of the contact.
- A statement that all applicants that pass the owner/project sponsor’s screening will be referred back to the FRHA as potentially acceptable tenants for a future vacancy.
- A statement that owner/project sponsor’s denials will be in writing to the applicant listing the reason(s) for the denial with a copy to the FRHA.

Timing Of Owner's Tenant Selection And FRHA Verification Of Tenant's Section 8 Eligibility

When the owner selects from the list of referrals provided by the FRHA in accordance with its approved written tenant selection plan, the owner does not have to screen the referrals in the order of placement on the FRHA waiting list. Rather, the owner should screen prospective applicants based on the order in which the applicant contacts the owner, comes to see the unit and completes the owner's selection requirements.

The FRHA will not verify an applicant's Section 8 eligibility until **after** the owner has selected the tenant(s). Owner screening typically takes much less time than FRHA eligibility screening. Because Section 8 verification of eligibility can require considerable staff time to complete and the FRHA will make more referrals than there are units available, FRHA has determined that it is not an appropriate use of staff time to complete the Section 8 eligibility screening until the applicant has been offered a unit by the owner.

FRHA notification to applicants about the PBV unit selection process

The FRHA will clearly outline the admissions process in the selection/referral letter that is sent to the applicant. This information should include information about any special features in the project and any selection preferences, where applicable.

Examples of special considerations could include:

- If the project is one in which both initial and continued PBV eligibility will be contingent upon the family's willingness to participate in a program of supportive services;
- If a preference will be provided to disabled applicants who can demonstrate a need for specific services; or
- If the units are limited to those applicants who are eligible for assisted living.

The owner should be encouraged to offer additional information about the project, including pictures, which the FRHA can include in its mailing to the applicants. Because referrals are generally made to the owner without the FRHA first determining Section 8 eligibility, both the owner and the applicants must be notified in writing by the FRHA that among those applicants that meet the owner's selection criteria, the first applicant that contacts the owner and is approved by the owner, who is subsequently determined eligible by the FRHA, will be offered the unit.

Applicant right to appeal an owner denial

If an owner denies a unit to a referred applicant, the owner must send a written notice to the applicant clearly stating the reason(s) for denial. The owner must provide a copy of this denial letter to the FRHA and must advise the applicant of any appeal rights to the owner. The applicant may request that the FRHA review the owner's denial to verify that compliance with the owner's approved written tenant selection plan.

FRHA briefing of applicants selected to occupy a PBV unit

All applicants selected to occupy the PBV units must be briefed on program benefits and responsibilities. The oral briefing must include a description of how the PBV program works and family and owner responsibilities. Each briefed family must receive a packet that contains: 1) Information on how the FRHA determines the total tenant payment for the family; 2) family

obligations under the program; 3) applicable fair housing information; and, 4) information about continued program eligibility if household composition changes and unit size is no longer suitable.

If the family head or spouse is a person with a disability, the FRHA must take appropriate steps to insure effective communication in accordance with 24 CFR 8.6 in conducting the oral briefing and in providing the written information packet, including appropriate, alternative formats.

Filling accessible units

The owner/project sponsor must make every effort to refer eligible households that would benefit from the unit's accessibility features to the FRHA's site-specific waiting list before FRHA will permit the FRHA to lease such a unit to a non-handicapped applicant. Owners must list accessible units with the Mass Accessible Housing Registry. Both the owner and the FRHA should also notify all local and regional disability organizations of accessible PBV unit availability. The regional HCEC should be able to assist with these referrals.

Removal of applicant from site-specific list

Rejection by an applicant of the largest bedroom size in the project for which they are eligible will result in removal of the applicant's name from that project's waiting list. For instance, an applicant that refuses a one-bedroom unit in a project will not be referred to a smaller unit (OBR, ESRO, SRO) in that same project. The FRHA will notify the applicant of this removal in the initial selection letter, or a subsequent letter, before the removal occurs.

Applicant responsibility for updating information

Applicants will be placed on each PBV waiting list by the date and time the application is received. If the applicant's household composition is not appropriate for the project, the FRHA will not place the applicant on that project's waiting list. It is the applicant's responsibility to follow up with the FRHA to verify that they were placed on each respective list for which they applied.

It is the applicant's responsibility to make any requests for changes on the waiting lists they have applied to, if such changes would be necessitated by a change in the applicant's family size and/or composition or mailing address. Failure by the applicant to maintain up-to-date information with the FRHA may adversely affect their position on some or all site-specific lists.

FRHA denial of eligibility for PBV applicant

The FRHA is responsible for defending its decisions pertaining to the applicant's eligibility for PBV assistance. HCVP appeal procedures will be utilized and shall be the same as currently in effect for the HCVP program.

Preferences [24 CFR 983.251(d), FR Notice 11/24/08]

The FRHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units.

FRHA Policy

The FRHA will offer preferences in certain circumstances. The preferences offered by the FRHA (if any) will depend on the local housing needs, the type of

housing that is receiving project-based assistance, whether services are being offered, and whether the housing is intended for particular populations (e.g., eligible in-place families, elderly families or units with supportive services, or mobility impairments for accessible units).

The Owner determines tenant suitability and eligibility for services

The owner/project sponsor must identify which professional organization and/or independent individual(s) will make the assessment that a PBV applicant is eligible for the supportive services offered by the project. Such professionals could include licensed medical, psychological or allied mental health and/or human services professionals. Whomever the owner/project sponsor selects to make the assessment must sign a certification form that either attests to or rejects each applicant's determination of eligibility for services. Applicant suitability will be made by the owner/project sponsor. The FRHA will periodically monitor the project sponsor's applicant selection determinations for compliance with their FRHA-approved tenant selection plan.

17-VI.D. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

Applicants who will occupy units with PBV assistance must be selected from the PHA's waiting list.

Applicant referrals:

The FRHA will refer a sufficient number of applicants for vacant units in order to assure that the units are filled as quickly as possible and to provide the Owner with a reasonable pool of potentially acceptable applicants based on the Owner's FRHA-approved tenant selection criteria. These referrals will not have been determined Section 8 eligible by the FRHA until after the Owner has selected the family and completed their suitability screening.

Prior to contracting with FRHA, Owners are responsible for selecting tenants that the FRHA refers from its waiting list. When selected from the Section 8 waiting list, applicants must satisfy all FRHA and HUD income limits and eligibility requirements. PBV tenants generally pay 30% percent of their adjusted income for rent and utilities.

Units with Accessibility Features [24 CFR 983.251(c)(7)]

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the PHA must first refer families who require such features to the owner.

Owner's written tenant selection plan

Prior to AHAP or HAP execution, each Owner must submit a tenant selection plan for approval by the FRHA. Failure to present an acceptable selection plan will result in FRHA's withdrawal of the offer/award to provide PBV assistance to the project.

Each tenant selection plan should address, at a minimum, the following criteria:

- The Owner's screening criteria and methods. ^{[[L]]}_{SEP}
- The Owner's certification that both assisted and unassisted tenants will be screened using ^{[[L]]}_{SEP} the same screening criteria and methods. ^{[[L]]}_{SEP}
- If a credit check will be part of the screening, the minimum acceptable score. ^{[[L]]}_{SEP}

- A statement that the Owner will return to the FRHA a copy of the applicant referral list that shows the date and time that each referred applicant contacted the Owner, and the final status of the contact. ^{[[L]]}_{SEP}

FRHA Notification to applicants about the PBV Unit Selection Process

The FRHA will clearly outline the admissions process in the selection/referral letter that is sent to the applicant. This information should include information about any special features in the project and tenant selection preferences, if any.

The Owner will be encouraged to offer additional information about the project, including pictures, which the FRHA can include in its' applicant mailings. ^{[[L]]}_{SEP} Because referrals are generally made to the Owner without the FRHA first determining Section 8 eligibility, both the Owner and the applicant must be notified in writing by the FRHA that among those applicants that meet the Owner's selection criteria, the first applicant who contacts and is approved by the Owner, and who is subsequently determined program eligible by the FRHA (income and CORI), will be offered the unit.

Applicant right to appeal

Any applicant denied preference consideration for a project providing services must be offered the right to appeal the decision made by the owner/project sponsor. The owner/project sponsor must include in their PBV application to FRHA the specific criteria they will use to assess an applicant's need for services and a sample letter that they will use to notify both the applicant and the FRHA that they have been determined ineligible. FRHA will terminate the HAP contracts of any project sponsor with a track record of routinely rejecting otherwise qualified applicants in order to serve a client population with a specific disability and/or a required affiliation with a particular provider agency.

Preference for disabled households needing services

The FRHA may support projects that require preference be given to disabled households that need services in accordance with the following HUD conditions and criteria:

- Preference cannot be granted to persons with a specific disability;
- Households are not required to accept the particular services offered at the project.
- The Owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from the services provided.

Determination of Eligibility for Projects with Supportive Services for the Disabled

The Owner must identify which professional organization and/or independent entity/individual(s) will make the assessment that a disabled applicant meets the HUD criteria listed above. Such individuals and/or entities could include licensed medical, psychological or allied mental health and/or human services professionals.

Applicant suitability determination will be made by the Owner.

A disabled Applicant has the right to appeal denial of a PBV unit. The Owner must offer any applicant denied preference consideration for a project providing services the right to appeal that determination. The FRHA may opt to terminate the HAP contracts of any Owner with a history of routinely rejecting otherwise qualified applicants in order to serve a client population with a specific disability and/or a required affiliation with a particular provider agency.

The preference must be consistent with Section 504 and the Americans with Disabilities Act (ADA), and their implementing regulations. Regulations require that the PHA ensures that the person with disabilities can interact with persons without disabilities to the fullest extent possible in an integrated housing setting.

The FRHA requires a dispersion of units occupied by individuals with disabilities, and that the owner not assign individuals with disabilities to a particular section or floor of a building.

Neither the FRHA or the owner can determine that a participant's needs exceed the level of care offered by qualifying services or require the individuals be transitioned to different projects based on service needs.

Other preferences

FRHA may establish other tenant selection preferences for its PBV projects, provided these preferences support FRHA's mission, as stated in its most current HUD-approved PHA Plan. FRHA will amend this PBV administrative plan and announce any new preference(s) on its website.

Determining in-place tenant eligibility (983.251)

When PBV applications are selected (both "existing" and "development") and include units that are currently occupied at the time of selection, both the owner and the FRHA must take the following steps:

Owner/Project sponsor responsibility

The owner sponsor must send all in-place tenants a letter explaining that the owner's units have been selected for PBV assistance and that if the tenants are determined program eligible (including being appropriately housed according to FRHA's occupancy standards), they will be eligible to receive PBV assistance. The owner's letter must emphasize that any tenant found ineligible will not be displaced. The FRHA will provide the owner with the details about program eligibility and relocation requirements. At the owner's request, the FRHA will assist the owner in composing this letter.

FRHA responsibility

Once the owner's in-place tenant letter has been sent, the FRHA will send to these tenants an application that seeks information about each tenant's household composition. This information will assist the FRHA in determining whether or not the household is occupying the appropriate number of bedrooms. Once the information is received, the FRHA will advise the owner about its unit size determinations.

Because of time delays in getting the various HUD approvals (when required) completed, the FRHA will not perform the final tenant eligibility determination for any in-place tenant until the unit(s) has been otherwise approved for PBV assistance (e.g. passed HQS, met all other HUD

requirements). Final eligibility includes the determination that the in-place household is appropriately housed with the correct number of bedrooms.

In-place non-eligible households

Over-housed and under-housed in-place households

Where there exists an in-place non-eligible, over- or under-housed household, that occupied unit cannot be brought onto the program unless the owner, at his expense, finds a suitable replacement unit acceptable to that household

Income Targeting [24 CFR 983.251(c)(6)]

At least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

17-VI.E. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)]

The PHA is prohibited from taking action against a family who has applied for, received, or refused an offer of PBV assistance.

Disapproval by Landlord [24 CFR 983.251(e)(2)]

The PHA is prohibited from taking action when a landlord disapproves a tenant for occupancy.

Acceptance of Offer [24 CFR 983.252]

Family Briefing

The PHA's is obligated to conduct an oral briefing and provide the family with a briefing packet for those families that have accepted a unit offer.

Persons with Disabilities

The PHA is obligated to make sure information is provided in an accessible format to persons with disabilities and to have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency

The FRHA is obligated to assuring meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166.

17-VI.F. OWNER SELECTION OF TENANTS

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease [24 CFR 983.253(a)(2) and (a)(3)].

The owner is obligated to promptly notify the PHA about vacancies in contract units. To minimize vacancy days and avoid making vacancy payments (if applicable) for units that are unoccupied, it is important for the FRHA to know about vacancies as soon as possible. The notice should be in writing (via e-mail).

17-VI.G. TENANT SCREENING [24 CFR 983.255]

PHA Responsibility

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy.

FRHA Policy:

The FRHA will not conduct screening to determine the applicant's suitability as a tenant.

PART VII: OCCUPANCY

17-VII.A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

17-VII.B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

Form of Lease [24 CFR 983.256(b)]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a PHA model lease.

The PHA may review the owner's lease form to determine if the lease complies with state and local law. If the PHA determines that the lease does not comply with state or local law, the PHA may decline to approve the tenancy.

Lease Requirements [24 CFR 983.256(c)]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.

Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements;

- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

Initial Term and Lease Renewal [24 CFR 983.256(f) and 983.257(b)]

The initial lease term must be for at least one year. Upon expiration of the lease, an owner may renew the lease, refuse to renew the lease for “good cause,” or refuse to renew the lease without good cause. If the owner refuses to renew the lease without good cause, the PHA must provide the family with a tenant-based voucher and remove the unit from the PBV HAP contract.

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment. The PHA must re-determine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The re-determined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

Owner Termination of Tenancy [24 CFR 983.257]

With one exception, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)] The owner may specify in the lease a maximum period of tenant absence from the unit that is shorter than the maximum period permitted by PHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days.

Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family’s other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last housing assistance payment by the PHA. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

Security Deposits [24 CFR 983.258]

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

FRHA Policy

The FRHA will allow the owner to collect a security deposit amount up to the amount of the contract rent.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

17-VII.C. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.259]

If the PHA determines that a family is occupying a wrong size unit, based on the PHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

FRHA Policy

The FRHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of the FRHA's determination. The FRHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

PBV assistance in the same building or project;

PBV assistance in another project; and

Tenant-based voucher assistance.

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family's voucher (including any extension granted by the PHA).

If the PHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time

as determined by the PHA, or both, the PHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the PHA.

FRHA Policy

When the FRHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 60 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 60-day time frame, the FRHA will terminate the housing assistance payments at the expiration of this 30-day period.

The FRHA may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

Family Right to Move [24 CFR 983.260]

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. If the family wishes to move with continued tenant-based assistance, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

Emergency Transfers under VAWA [Notice PIH 2017-08]

HUD requires that the PHA include policies that address when a victim of domestic violence, dating violence, sexual assault, or stalking has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

FRHA Policy:

The FRHA will first offer victims of domestic violence, dating violence, sexual assault, or stalking the opportunity for an internal transfer to another PBV unit in the same or different development.

For those victims who have been living in their PBV unit for a year or more the FRHA will also offer the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance [24 CFR 983.261] if such assistance is available. If a voucher is not immediately available, the PHA will give the family the next available opportunity for continued tenant-based assistance.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the FRHA will offer the participant a transfer to a different development where the PHA has PBV units.

17-VI.D. EXCEPTIONS TO THE OCCUPANCY CAP [24 CFR 983.261, FR Notice 11/24/08 and Notice PIH 2017-21]

Generally, the PHA may not pay housing assistance under a PBV HAP contract for more than 25 percent of the number of dwelling units in a project.

Exceptions are allowed and PBV units are not counted against the 25 percent or 25-unit per project cap if:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project
- The project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates. Such projects are subject to an alternative income mixing requirement that is the greater of 25 units or 40 percent of the units.

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services. Projects where these caps were implemented prior to HOTMA may continue to use the former exemptions and may renew their HAP contracts under the old requirements, unless the FRHA and owner agree to change the conditions of the HAP contract. However, this change may not be made if it would jeopardize an assisted family's eligibility for continued assistance in the project.

The project must make supportive services available to all families receiving PBV assistance in the project, but the family does not actually have to accept and receive supportive services for the exception to apply to the unit. It is not necessary that the services be provided at or by the project, but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible. The FRHA will not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered.

Projects Previously Subject to a Federal Rent Restrictions Not Subject to a Project Cap [FR Notice 1/18/17]

PBV units that were previously subject to certain federal rent restrictions or were receiving another type of long-term housing subsidy provided by HUD are exempt from the project cap. All units in these projects may receive PBV assistance. To qualify for the exception, the unit must:

- Be covered by a PBV HAP contract that first became effective on or after 4/18/17; and
- In the five years prior to the date the FRHA either issued the RFP under which the project was selected or the FRHA selected the project without competition, the unit met at least one of the two following conditions:
 1. The unit received Public Housing Capital or Operating Funds, Project-Based Rental Assistance, Housing for the Elderly (Section 303), Housing for Persons with disabilities (Section 811), the Rental Supplement program,

2. The unit was subject to a rent restriction as a result of one of the following HUD loans or insurance programs: Section 236, Section 221(d)(3) or (d)(4) BMIR, Housing for the Elderly (Section 202), or Housing for Persons with Disabilities (Section 811). Units that were previously receiving PBV assistance are not covered by the exception. Both existing and rehabilitation units are eligible for this exception. Newly constructed units qualify if they meet the definition of replacement unit described in FR Notice 1/18/17.

Types of Services

The FRHA may attach PBV assistance to units for occupancy by families in need of services. This may include disabled families or families in need of particular supportive services. Families will not be required to accept and receive supportive services for the exception to apply to the unit. The types of services may include, but are not limited to:

- 1) Household Training (i.e., homemaking, parenting skills, money management);
- 2) Job Training (preparation and counseling, job development and placement;
- 3) Self Sufficiency Services and Resources (appropriate to assist families to achieve economic independence and self-sufficiency);
- 4) Remedial Education (education for the completion of Secondary or post-secondary education);
- 5) Substance Abuse Treatment (counseling and treatment for substance abuse)

The FRHA may not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered. If supportive services are offered, they must be available to all families receiving assistance in the project. Although such services may be offered, a household occupying an “excepted” unit cannot be required to participate in medical or disability-related services as a condition of occupancy, except for drug and alcohol treatment in the case of abusers. The family may continue in occupancy in the “excepted” unit after they have successfully completed their supportive services contractual obligations. In this instance, the units will continue to count as “excepted” units for as long as the family eligibly resides in the unit. It is not necessary that the services be provided at or by the project, if they are approved services.

Remaining Members Residing in an Excepted Unit

When a family (or remaining members of a family) residing in an excepted unit no longer meets the criteria for a “qualifying family” because the family is no longer an elderly family due to a change in family composition, the FRHA has the discretion to allow the family to remain in the excepted unit. If the FRHA does not exercise this discretion, the family must vacate the unit within a reasonable period of time established by the FRHA, and the FRHA must cease paying housing assistance payments on behalf of the non-qualifying family.

Individuals in units with supportive services who choose to no longer participate in a service or who no longer qualify for services they qualified for at the time of initial occupancy cannot subsequently be denied continued housing opportunity because of this changed circumstance.

PART VIII: DETERMINING RENT TO OWNER

17-VIII.A. OVERVIEW

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner's request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

17-VIII.B. RENT LIMITS [24 CFR 983.301]

Except for certain tax credit units (discussed below), the rent to owner must not exceed the lowest of the following amounts:

- An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

Certain Tax Credit Units [24 CFR 983.301(c), FR Notice 11/24/08]

For certain tax credit units, the rent limits are determined differently than for other PBV units. These different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same building, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds a PHA-determined amount (not to exceed 110 percent of the fair market rent or any approved exception payment standard);

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

However, PHAs are permitted to use the higher Section 8 rent for a tax credit unit if the tax credit rent is less than the amount that would be permitted under Section 8. In these cases, Section 8 rent reasonableness requirements must continue to be met.

Definitions

A *qualified census tract* is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]

When determining the initial rent to owner, the PHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, the PHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment stand amount for use in the PBV program.

Likewise, the PHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.

FRHA Policy

The FRHA will use published FMR and utility allowance schedule in effect at the time the HAP contract is executed or at the time of rent redetermination. Upon Owner request, the FRHA may opt to use the FMR and utility allowance schedule in effect 30 days prior to HAP contract execution or rent redetermination. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. The PHA will review and make a decision based on the circumstances and merit of each request.

Redetermination of Rent [24 CFR 983.302]

The PHA must redetermine the rent to owner upon the owner's request or when there is a five percent or greater decrease in the published FMR.

Rent Increase

If an owner wishes to request an increase in the rent to owner from the PHA, it must be requested at the annual anniversary of the HAP contract (see Section 17-V.D.). The request must be in writing and in the form and manner required by the PHA.

FRHA Policy

An owner's request for a rent increase must be submitted to the PHA 60 days prior to the anniversary date of the HAP contract, and must include the new rent amount the owner is proposing.

The PHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

Notice of Rent Change

The rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent. The PHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

FRHA Policy

The FRHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

PHA-Owned Units [24 CFR 983.301(g)]

For PHA-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. The PHA must use the rent to owner established by the independent entity.

17-VIII.C. REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA.

When Rent Reasonable Determinations Are Required

The PHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a five percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- The PHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building; or
- There is any other change that may substantially affect the reasonable rent.

How to Determine Reasonable Rent

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must

consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

PHA-Owned Units

For PHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the PHA and to the HUD field office where the project is located.

Owner Certification of Reasonable Rent

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, the PHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

17-VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL

In addition to the rent limits discussed in Section 17-VIII.B above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Section 17-II.D).

Other Subsidy [24 CFR 983.304]

At its discretion, a PHA may reduce the initial rent to owner because of other governmental subsidies, including grants and other subsidized financing.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

Rent Control [24 CFR 983.305]

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

PART IX: PAYMENTS TO OWNER

17-IX.A. HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

17-IX.B. VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

FRHA Policy

If the FRHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to keep the housing assistance payment, the FRHA will notify the landlord of the amount of housing assistance payment that the owner must repay. The FRHA will require the owner to repay the amount owed.

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner. The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

FRHA Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the FRHA of the vacancy.

17-IX.C. TENANT RENT TO OWNER [24 CFR 983.353]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

Tenant and PHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA.

Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

Utility Reimbursements

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

FRHA Policy

The FRHA will make utility reimbursements to the family.

17-IX.D. OTHER FEES AND CHARGES [24 CFR 983.354]

Meals and Supportive Services

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

Other Charges by Owner

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

B. GLOSSARY OF SUBSIDIZED HOUSING TERMS

Absorption. In portability (under subpart H of this part 982): the point at which a receiving PHA stops billing the initial PHA for assistance on behalf of a portability family. The receiving PHA uses funds available under the receiving PHA consolidated ACC.

Accessible. The facility or portion of the facility can be approached, entered, and used by persons with disabilities.

Adjusted income. Annual income, less allowable HUD deductions and allowances.

Administrative fee. Fee paid by HUD to the PHA for administration of the program. See §982.152.

Administrative plan. The plan that describes PHA policies for administration of the tenant-based programs. The Administrative Plan and any revisions must be approved by the PHA's board and included as a supporting document to the PHA Plan. See §982.54.

Admission. The point when the family becomes a participant in the program. The date used for this purpose is the effective date of the first HAP contract for a family (first day of initial lease term) in a tenant-based program.

Affiliated individual. With respect to an individual, a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis (in the place of a parent), or any individual, tenant, or lawful occupant living in the household of that individual

Amortization payment. In a manufactured home space rental: The monthly debt service payment by the family to amortize the purchase price of the manufactured home.

Annual. Happening once a year.

Annual contributions contract (ACC). The written contract between HUD and a PHA under which HUD agrees to provide funding for a program under the 1937 Act, and the PHA agrees to comply with HUD requirements for the program.

Annual income. The anticipated total income of an eligible family from all sources for the 12-month period following the date of determination of income, computed in accordance with the regulations.

Applicant (applicant family). A family that has applied for admission to a program but is not yet a participant in the program.

Area exception rent. An amount that exceeds the published FMR. See 24 CFR 982.504(b).

As-paid states. States where the welfare agency adjusts the shelter and utility component of the welfare grant in accordance with actual housing costs.

Assets. (See *net family assets*.)

Auxiliary aids. Services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving federal financial assistance.

Biennial. Happening every two years.

Bifurcate. With respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.

Budget authority. An amount authorized and appropriated by the Congress for payment to PHAs under the program. For each funding increment in a PHA program, budget authority is the maximum amount that may be paid by HUD to the PHA over the ACC term of the funding increment.

Child. A member of the family other than the family head or spouse who is under 18 years of age.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Citizen. A citizen or national of the United States.

Cohead. An individual in the household who is equally responsible for the lease with the head of household. A family may have a cohead or spouse but not both. A cohead never qualifies as a dependent. The cohead must have legal capacity to enter into a lease.

Common space. In shared housing, the space available for use by the assisted family and other occupants of the unit.

Computer match. The automated comparison of databases containing records about individuals.

Confirmatory review. An on-site review performed by HUD to verify the management performance of a PHA.

Consent form. Any consent form approved by HUD to be signed by assistance applicants and participants to obtain income information from employers and SWICAs; return information from the Social Security Administration (including wages, net earnings from self-employment, and retirement income); and return information for unearned income from the IRS. Consent forms expire after a certain time and may authorize the collection of other information to determine eligibility or level of benefits.

Congregate housing. Housing for elderly persons or persons with disabilities that meets the HQS for congregate housing. A special housing type: see 24 CFR 982.606–609.

Contiguous MSA. In portability (under subpart H of part 982): An MSA that shares a common boundary with the MSA in which the jurisdiction of the initial PHA is located.

Continuously assisted. An applicant is continuously assisted under the 1937 Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

Contract authority. The maximum annual payment by HUD to a PHA for a funding increment.

Cooperative (term includes mutual housing). Housing owned by a nonprofit corporation or association, and where a member of the corporation or association has the right to reside in a particular apartment, and to participate in management of the housing. A special housing type (see 24 CFR 982.619).

Covered families. Statutory term for families who are required to participate in a welfare agency economic self-sufficiency program and who may be subject to a welfare benefit sanction for noncompliance with this obligation. Includes families who receive welfare assistance or other public assistance under a program for which federal, state or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for the assistance.

Dating violence. Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Dependent child. In the context of the student eligibility restrictions, a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* as specified above.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member, and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Disabled family. A family whose head, cohead, spouse, or sole member is a person with disabilities; two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

Disabled person. See *person with disabilities*.

Disallowance. Exclusion from annual income.

Displaced family. A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws.

Domestic violence. Felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim

who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Domicile. The legal residence of the household head or spouse as determined in accordance with state and local law.

Drug-related criminal activity. The illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute, or use the drug.

Economic self-sufficiency program. Any program designed to encourage, assist, train or facilitate the economic independence of assisted families, or to provide work for such families. Can include job training, employment counseling, work placement, basic skills training, education, English proficiency, Workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as treatment for drug abuse or mental health treatment). Includes any work activities as defined in the Social Security Act (42 U.S.C. 607(d)). Also see 24 CFR 5.603(c).

Elderly family. A family whose head, cohead, spouse, or sole member is a person who is at least 62 years of age; two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

Elderly person. An individual who is at least 62 years of age.

Eligible family A family that is income eligible and meets the other requirements of the 1937 Act and Part 5 of 24 CFR. See also *family*.

Employer identification number (EIN). The nine-digit taxpayer identifying number that is assigned to an individual, trust, estate, partnership, association, company, or corporation.

Evidence of citizenship or eligible status. The documents which must be submitted as evidence of citizenship or eligible immigration status. See 24 CFR 5.508(b).

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher. Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30 percent of median income if HUD finds such variations are necessary due to unusually high or low family incomes. See 24 CFR 5.603.

Facility. All or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock, or other real or personal property or interest in the property.

Fair Housing Act. Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988.

Fair market rent (FMR). The rent, including the cost of utilities (except telephone), as established by HUD for units of varying sizes (by number of bedrooms), that must be paid in the housing market area to rent privately owned, existing, decent, safe, and sanitary rental housing of modest (non-luxury) nature with suitable amenities. See periodic publications in the *Federal Register* in accordance with 24 CFR Part 888.

Family. Includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, and can be further defined in PHA policy.

- A family with or without children (the temporary absence of a child from the home due to placement in foster care is not considered in determining family composition and family size)
- An elderly family or a near-elderly family
- A displaced family
- The remaining member of a tenant family
- A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.

Family rent to owner. In the voucher program, the portion of rent to owner paid by the family.

Family self-sufficiency program (FSS program). The program established by a PHA in accordance with 24 CFR part 984 to promote self-sufficiency of assisted families, including the coordination of supportive services (42 U.S.C. 1437u).

Family share. The portion of rent and utilities paid by the family. For calculation of family share, see 24 CFR 982.515(a).

Family unit size. The appropriate number of bedrooms for a family, as determined by the PHA under the PHA subsidy standards.

Federal agency. A department of the executive branch of the federal government.

Foster child care payment. A payment to eligible households by state, local, or private agencies appointed by the state to administer payments for the care of foster children.

Full-time student. A person who is attending school or vocational training on a full-time basis (carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended). See 24 CFR 5.603.

Funding increment. Each commitment of budget authority by HUD to a PHA under the consolidated annual contributions contract for the PHA program.

Gender identity. Actual or perceived gender-related characteristics.

Gross rent. The sum of the rent to owner plus any utility allowance.

Group home. A dwelling unit that is licensed by a state as a group home for the exclusive residential use of two to twelve persons who are elderly or persons with disabilities (including any live-in aide). (A special housing type: see 24 CFR 982.610–614.)

Handicap. Any condition or characteristic that renders a person an individual with handicaps. (See *person with disabilities*.)

HAP contract. The housing assistance payments contract. A written contract between the PHA and an owner for the purpose of providing housing assistance payments to the owner on behalf of an eligible family.

Head of household. The adult member of the family who is the head of the household for purposes of determining income eligibility and rent.

Household. A household includes additional people other than the family who, with the PHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

Housing assistance payment. The monthly assistance payment by a PHA, which includes: (1) A payment to the owner for rent to the owner under the family's lease; and (2) An additional payment to the family if the total assistance payment exceeds the rent to owner.

Housing agency (HA). See *public housing agency*.

Housing quality standards (HQS). The HUD minimum quality standards for housing assisted under the voucher program.

HUD. The U.S. Department of Housing and Urban Development.

Imputed asset. An asset disposed of for less than fair market value during the two years preceding examination or reexamination.

Imputed asset income. The PHA-established passbook rate multiplied by the total cash value of assets. The calculation is used when net family assets exceed \$5,000.

Imputed welfare income. An amount of annual income that is not actually received by a family as a result of a specified welfare benefit reduction, but is included in the family's annual income and therefore reflected in the family's rental contribution.

Income. Income from all sources of each member of the household, as determined in accordance with criteria established by HUD.

Income for eligibility. Annual income.

Income information means information relating to an individual's income, including:

- All employment income information known to current or previous employers or other income sources
- All information about wages, as defined in the state's unemployment compensation law, including any social security number; name of the employee; quarterly wages of the employee; and the name, full address, telephone number, and, when known, employer identification number of an employer reporting wages under a state unemployment compensation law
- Whether an individual is receiving, has received, or has applied for unemployment compensation, and the amount and the period received
- Unearned IRS income and self-employment, wages, and retirement income
- Wage, social security, and supplemental security income data obtained from the Social Security Administration.

Individual with handicaps. See *person with disabilities*.

Initial PHA. In portability, the term refers to both: (1) A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and (2) A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.

Initial payment standard. The payment standard at the beginning of the HAP contract term.

Initial rent to owner. The rent to owner at the beginning of the HAP contract term.

Institution of higher education. An institution of higher education as defined in 20 U.S.C. 1001 and 1002. See Exhibit 3-2 in this Administrative Plan.

Jurisdiction. The area in which the PHA has authority under state and local law to administer the program.

Landlord. Either the owner of the property or his/her representative, or the managing agent or his/her representative, as shall be designated by the owner.

Lease. A written agreement between an owner and a tenant for the leasing of a dwelling unit to the tenant. The lease establishes the conditions for occupancy of the dwelling unit by a family with housing assistance payments under a HAP contract between the owner and the PHA.

Live-in aide. A person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who:

- Is determined to be essential to the care and well-being of the persons;
- Is not obligated for the support of the persons; and
- Would not be living in the unit except to provide the necessary supportive services.

Living/sleeping room. A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space. A bedroom or living/sleeping room must have at least one window and two electrical outlets in proper operating condition. See HCV GB p. 10-6 and 24 CFR 982.401.

Local preference. A preference used by the PHA to select among applicant families.

Low-income family. A family whose income does not exceed 80 percent of the median income for the area as determined by HUD with adjustments for smaller or larger families, except that HUD may establish income limits higher or lower than 80 percent for areas with unusually high or low incomes.

Manufactured home. A manufactured structure that is built on a permanent chassis, is designed for use as a principal place of residence, and meets the HQS. (A special housing type: see 24 CFR 982.620 and 982.621.)

Manufactured home space. In manufactured home space rental: A space leased by an owner to a family. A manufactured home owned and occupied by the family is located on the space. See 24 CFR 982.622 to 982.624.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance (a deduction for elderly or disabled families only). These allowances are given when calculating adjusted income for medical expenses in excess of 3 percent of annual income.

Minor. A member of the family household other than the family head or spouse, who is under 18 years of age.

Mixed family. A family whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigration status.

Monthly adjusted income. One twelfth of adjusted income.

Monthly income. One twelfth of annual income.

Mutual housing. Included in the definition of *cooperative*.

National. A person who owes permanent allegiance to the United States, for example, as a result of birth in a United States territory or possession.

Near-elderly family. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62; or two or more persons, who are at least 50 years of age but below the age of 62, living together; or one or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

- In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under §5.609.
- In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Noncitizen. A person who is neither a citizen nor national of the United States.

Notice of funding availability (NOFA). For budget authority that HUD distributes by competitive process, the *Federal Register* document that invites applications for funding. This document explains how to apply for assistance and the criteria for awarding the funding.

Office of General Counsel (OGC). The General Counsel of HUD.

Overcrowded. A unit that does not meet the following HQS space standards: (1) Provide adequate space and security for the family; and (2) Have at least one bedroom or living/sleeping room for each two persons.

Owner. Any person or entity with the legal right to lease or sublease a unit to a participant.

PHA Plan. The annual plan and the 5-year plan as adopted by the PHA and approved by HUD.

PHA's quality control sample. An annual sample of files or records drawn in an unbiased manner and reviewed by a PHA supervisor (or by another qualified person other than the person who performed the original work) to determine if the work documented in the files or records conforms to program requirements. For minimum sample size see CFR 985.3.

Participant (participant family). A family that has been admitted to the PHA program and is currently assisted in the program. The family becomes a participant on the effective date of the first HAP contract executed by the PHA for the family (first day of initial lease term).

Payment standard. The maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family).

Person with disabilities. *For the purposes of program eligibility.* A person who has a disability as defined under the Social Security Act or Developmental Disabilities Care Act, or a person who has a physical or mental impairment expected to be of long and indefinite duration and whose ability to live independently is substantially impeded by that impairment but could be improved by more suitable housing conditions. This includes persons with AIDS or conditions arising from AIDS but excludes persons whose disability is based solely on drug or alcohol dependence. *For the purposes of reasonable accommodation.* A person with a physical or mental impairment that substantially limits one or more major life activities, a person regarded as having such an impairment, or a person with a record of such an impairment.

Portability. Renting a dwelling unit with a Section 8 housing choice voucher outside the jurisdiction of the initial PHA.

Premises. The building or complex in which the dwelling unit is located, including common areas and grounds.

Previously unemployed. With regard to the earned income disallowance, a person with disabilities who has earned, in the 12 months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Private space. In shared housing, the portion of a contract unit that is for the exclusive use of an assisted family.

Processing entity. The person or entity that, under any of the programs covered, is responsible for making eligibility and related determinations and any income reexamination. In the HCV program, the "processing entity" is the "responsible entity."

Project owner. The person or entity that owns the housing project containing the assisted dwelling unit.

Public assistance. Welfare or other payments to families or individuals, based on need, which are made under programs funded, separately or jointly, by federal, state, or local governments.

Public housing agency (PHA). Any state, county, municipality, or other governmental entity or public body, or agency or instrumentality of these entities, that is authorized to engage or assist in the development or operation of low-income housing under the 1937 Act.

Qualified family (under the earned income disallowance). A family participating in an applicable assisted housing program or receiving HCV assistance:

- Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;
- Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or
- Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance--provided that the total amount over a six-month period is at least \$500.

Qualified census tract. With regard to certain tax credit units, any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent, and where the census tract is designated as a qualified census tract by HUD.

Reasonable rent. A rent to owner that is not more than rent charged: (1) For comparable units in the private unassisted market; and (2) For comparable unassisted units in the premises.

Reasonable accommodation. A change, exception, or adjustment to a rule, policy, practice, or service to allow a person with disabilities to fully access the PHA's programs or services.

Receiving PHA. In portability: A PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA issues a voucher and provides program assistance to the family.

Recertification. Sometimes called *reexamination*. The process of securing documentation of total family income used to determine the rent the tenant will pay for the next 12 months if there are no additional changes to be reported.

Remaining member of the tenant family. The person left in assisted housing who may or may not normally qualify for assistance on their own circumstances (i.e., an elderly spouse dies, leaving widow age 47 who is not disabled).

Rent to owner. The total monthly rent payable to the owner under the lease for the unit (also known as contract rent). Rent to owner covers payment for any housing services, maintenance, and utilities that the owner is required to provide and pay for.

Residency preference. A PHA preference for admission of families that reside anywhere in a specified area, including families with a member who works or has been hired to work in the area (See *residency preference area*).

Residency preference area. The specified area where families must reside to qualify for a residency preference.

Responsible entity. For the public housing and the Section 8 tenant-based assistance, project-based voucher assistance, and moderate rehabilitation programs, the responsible entity means the PHA administering the program under an ACC with HUD. For all other Section 8 programs, the responsible entity means the Section 8 owner.

Secretary. The Secretary of Housing and Urban Development.

Section 8. Section 8 of the United States Housing Act of 1937.

Section 8 covered programs. All HUD programs which assist housing under Section 8 of the 1937 Act, including Section 8 assisted housing for which loans are made under Section 202 of the Housing Act of 1959.

Section 214. Section 214 of the Housing and Community Development Act of 1980, as amended.

Section 214 covered programs. The collective term for the HUD programs to which the restrictions imposed by Section 214 apply. These programs are set forth in 24 CFR 5.500.

Security deposit. A dollar amount (maximum set according to the regulations) which can be used for unpaid rent or damages to the owner upon termination of the lease.

Set-up charges. In a manufactured home space rental, charges payable by the family for assembling, skirting, and anchoring the manufactured home.

Sexual assault. Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks capacity to consent (42 U.S.C. 13925(a)).

Sexual orientation. Homosexuality, heterosexuality or bisexuality.

Shared housing. A unit occupied by two or more families. The unit consists of both common space for shared use by the occupants of the unit and separate private space for each assisted family. (A special housing type: see 24 CFR 982.615–982.618.)

Single person. A person living alone or intending to live alone.

Single room occupancy housing (SRO). A unit that contains no sanitary facilities or food preparation facilities, or contains either, but not both, types of facilities. (A special housing type: see 24 CFR 982.602–982.605.)

Social security number (SSN). The nine-digit number that is assigned to a person by the Social Security Administration and that identifies the record of the person's earnings reported to the Social Security Administration. The term does not include a number with a letter as a suffix that is used to identify an auxiliary beneficiary.

Special admission. Admission of an applicant that is not on the PHA waiting list or without considering the applicant's waiting list position.

Special housing types. See subpart M of part 982. Subpart M states the special regulatory requirements for: SRO housing, congregate housing, group homes, shared housing, cooperatives (including mutual housing), and manufactured homes (including manufactured home space rental).

Specified welfare benefit reduction. Those reductions of welfare benefits (for a covered family) that may not result in a reduction of the family rental contribution. A reduction of welfare benefits because of fraud in connection with the welfare program, or because of welfare sanction due to noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

Spouse. The marriage partner of the head of household.

Stalking. To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

State wage information collection agency (SWICA). The state agency, including any Indian tribal agency, receiving quarterly wage reports from employers in the state, or an alternative system that has been determined by the Secretary of Labor to be as effective and timely in providing employment-related income and eligibility information.

Subsidy standards. Standards established by a PHA to determine the appropriate number of bedrooms and amount of subsidy for families of different sizes and compositions.

Suspension. The term on the family's voucher stops from the date the family submits a request for PHA approval of the tenancy, until the date the PHA notifies the family in writing whether the request has been approved or denied. This practice is also called *tolling*.

Tax credit rent. With regard to certain tax credit units, the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Tenancy addendum. For the housing choice voucher program, the lease language required by HUD in the lease between the tenant and the owner.

Tenant. The person or persons (other than a live-in aide) who executes the lease as lessee of the dwelling unit.

Tenant rent to owner. See *family rent to owner*.

Term of lease. The amount of time a tenant agrees in writing to live in a dwelling unit.

Total tenant payment (TTP). The total amount the HUD rent formula requires the tenant to pay toward rent and utilities.

Unit. Residential space for the private use of a family. The size of a unit is based on the number of bedrooms contained within the unit and generally ranges from zero (0) bedrooms to six (6) bedrooms.

Utilities. Water, electricity, gas, other heating, refrigeration, cooking fuels, trash collection, and sewage services. Telephone service is not included.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. In the voucher program, the portion of the housing assistance payment which exceeds the amount of rent to owner.

Utility hook-up charge. In a manufactured home space rental: Costs payable by a family for connecting the manufactured home to utilities such as water, gas, electrical and sewer lines.

Very low-income family. A low-income family whose annual income does not exceed 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes. This is the income limit for the housing choice voucher program.

Veteran. A person who has served in the active military or naval service of the United States at any time and who shall have been discharged or released therefrom under conditions other than dishonorable.

Violence Against Women Reauthorization Act (VAWA) of 2013. Prohibits denying admission to the program to an otherwise qualified applicant or terminating assistance on the basis that the applicant or program participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

Violent criminal activity. Any illegal criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

Voucher (housing choice voucher). A document issued by a PHA to a family selected for admission to the housing choice voucher program. This document describes the program and the procedures for PHA approval of a unit selected by the family. The voucher also states obligations of the family under the program.

Voucher holder. A family holding a voucher with an unexpired term (search time).

Voucher program. The housing choice voucher program.

Waiting list. A list of families organized according to HUD regulations and PHA policy who are waiting for a unit to become available.

Waiting list admission. An admission from the PHA waiting list.

Welfare assistance. Income assistance from federal or state welfare programs, including assistance provided under TANF and general assistance. Does not include assistance directed solely to meeting housing expenses, nor programs that provide health care, child care or other services for working families. For the FSS program (984.103(b)), *welfare assistance* includes only cash maintenance payments from federal or state programs designed to meet a family's ongoing basic needs, but does not include food stamps, emergency rental and utilities assistance, SSI, SSDI, or social security.

The FY2022 Continuum of Care application allows for the following:

- New projects created through reallocation of funds from an existing under-performing project.
- New projects created from Reallocation or CoC Bonus funds:
 - Permanent Housing-Permanent Supportive Housing (PH-PSH) projects;
 - Permanent Housing-Rapid Re-Housing (PH-RRH) projects;
 - Joint TH/PH-RRH component projects;
- New projects where 100% of the participants are or will be survivors of domestic violence, dating violence, sexual assault, or stalking created from Domestic Violence Bonus funds:
 - Permanent Housing-Rapid Re-Housing Projects (PH-RRH);
 - Joint TH/PH-RRH component projects;
- Supportive services only-coordinated entry project (specific for DV programs).
- Dedicated HMIS project (FRCoC is ineligible as we already have a grant for HMIS).
- Supportive services only (SSO-CI) project to develop or operate a centralized or coordinated assessment system (FRCoC is ineligible as we already have a grant for coordinated entry).
- Expansion project to increase the number of units, beds, persons served, services provided to existing program participants, or to increase the current HMIS activities within the CoC.
- Consolidated project to combine two but no more than 10 eligible renewal projects (e.g., PH-PSH projects)

Fall River
Homeless Service Providers Coalition

August 4, 2022

Dear Director:

This is to inform you that the Department of Housing and Urban Development (HUD) has announced the release of the Continuum of Care application for its competitive grants for housing and services for the homeless.

Any entity looking to apply for renewal funding of its programs must write a Letter of Intent. Please forward your Letter of Intent by scanning your original signed letter and attaching it to an email to mdcamara@fallriverma.org by 4:00 p.m., Tuesday, August 15, 2022.

Any organization seeking new or renewal funding must actively participate in the application process and may schedule time with me at my office to obtain assistance to complete the application in e-snaps, if necessary. All Project applications will be due in e-snaps August 30, 2022.

I've attached a description of opportunities that are available in the federal competition and may be available in the Fall River competition (local approval pending; available to any 501(c)(3) organization operating in Fall River). The opportunity to consolidate existing CoC projects is available, provided that the projects are operated by the same agency and of the same component. Please include information regarding what programs your agency is considering for consolidation in your Letter of Intent.

General information regarding the Continuum of Care Program Competition may be found at https://www.hud.gov/program_offices/comm_planning/coc/competition. (Please note: Not everything for the FY2022 competition has been released yet, but the press release and Notice of Funding Opportunity is there, and you can find FY2021 debriefing info there, too. HUD has confirmed everything will be available by August 22, 2022.)

If you have any questions, please contact me at 508-679-0131.

Sincerely,

Mary D. Camara

Project Description:

Next Step Home Program (NSHP) provides PSH for 40 formerly homeless individuals & families with disabilities in scattered-site housing. Participants work on their individual service plans with their case managers to help work toward/complete their goals and to help participants become self-sufficient. Participants work on getting their GED, career trainings, clearing up old issues/problems and setting up a support system. Case Managers also work with numerous outside agencies to ensure participants are receiving the best possible care/resources. The case management approach has become extremely effective in moving participants no longer needing the supportive services to independent housing, opening up a much needed PSH unit in the community. NSH provides, housing search, housing placement, assistance with landlord and PHA mediation. In addition, the supportive services include housing retention support, preparation for annual Recertification, inspections and Lease signing and apartment search.

Summary Review:

System Performance Measures

- Project has achieved all goals, exceeding in Housing Stability, Returns to Homelessness, and New or Increased Non-Employment Income for Stayers and Leavers.
- All program participants are disabled and therefore may not be earning employment income in many cases.

Project is Low Barrier/Housing First

- Entering Project Not Meant for Human Habitation goal reached/exceeded.
- Many participants had income upon entry, and about half had only one disability.

Project Threshold Requirements

- This year Project Threshold Requirements were discussed, and all projects achieved them.
- This section was not awarded points this year but will carry weight in future competitions.

Financial Analysis

- Project made timely drawdowns.
- Project is a Rental Assistance project that is awarded full FMRs for all 40 apartments. Participants are charged 30% of their gross adjusted income as occupancy fees, so the Rental Assistance is not completely spent down.

To Whom It May Concern:

A subcommittee consisting of Julie Almond (HealthFirst Family Care Center), Nicole Almeida (BayCoast Bank) Tracy Ibbotson (Steward Healthcare System/St. Anne's Hospital), Dan Long (BayCoast Bank) Janet Ricchardi (United Way of Massachusetts Bay and Merrimack Valley), Meg Rogers (United Way of Greater Fall River), and Anna Thomas (Together We Stand) met on August 23, 2022, to review and rank the renewal projects that will be part of the Fall River CoC application this year.

After careful thought and consideration, the subcommittee formulated the ranking of the seven (7) programs for the CoC application that you will find below. In reaching this decision, the subcommittee took into consideration the importance of several factors: utilization of contract funds from prior years as well as a review of programmatic performance measures. Please note that the performance indicator of percent of participants with zero income entry was not factored due to all projects' performance on this being below the HUD minimum (80%).

The recommendation committee is grateful for the opportunity to be a part of the review process and appreciative of the time that representatives from all projects gave in meeting with us to explain their respective projects and answer all of our questions.

Ranking Recommendations:

1. HMIS	61.5 points
2. The Call- Coordinated Entry	60 points
3. Next Step Home	59 points
4. Cornerstone	58.5 points
5. Stone Residence	57 points
6. Home First	54 points
7. Francis House	53 points

Thank you for your consideration,

The Ranking and Review Committee
